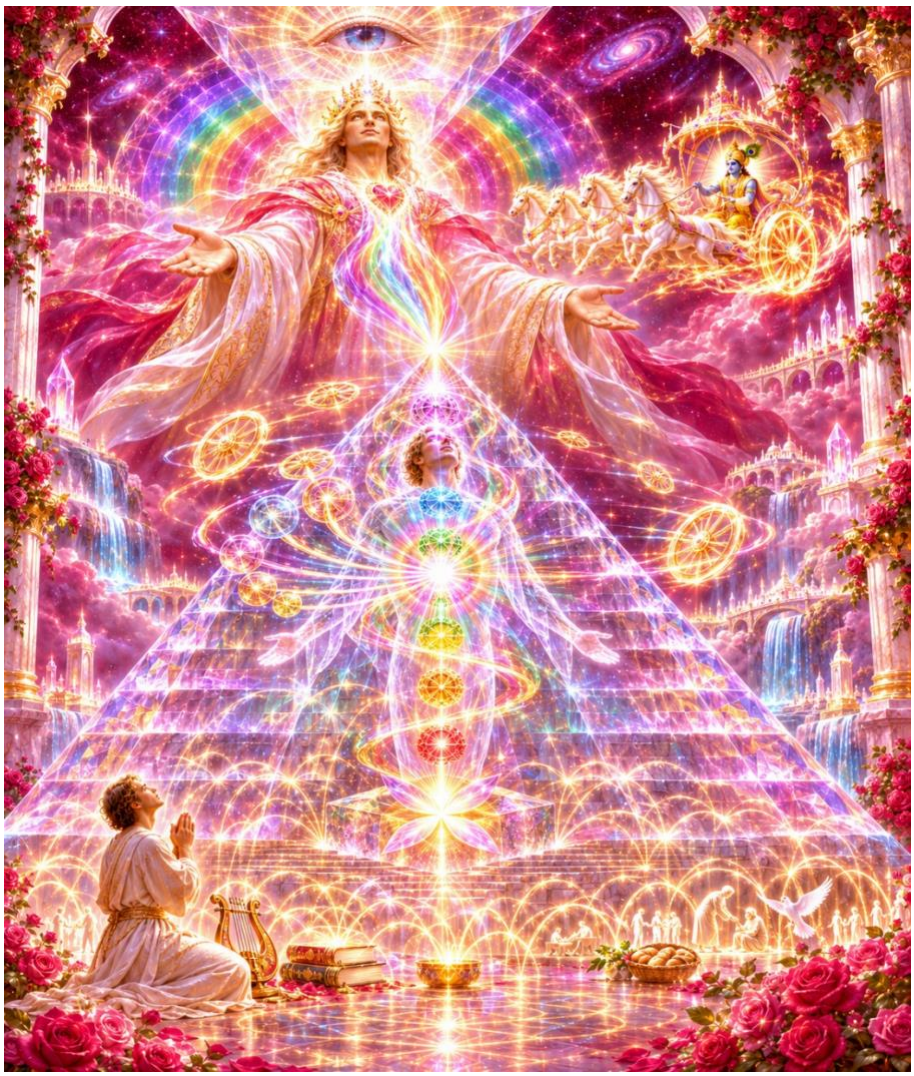
THE GREAT CRYSTALLINE PYRAMID OF SELFHOOD



THE FOUR COSMIC FORCES, THE PATH OF THE RUBY RAY, AND THE LIVING ARCHITECTURE OF OUR ASCENSION

Blessed brothers and sisters of the Sun… children of the One…

This Sunday, we enter into the sacred mysteries of the **Four Cosmic Forces** and the four great Ascended Masters who occupy their offices of cosmic hierarchy: **Lord Maitreya, Gautama Buddha, Jesus the Christ, and Sanat Kumara.**

These are the Four Living Creatures—the **Lion, the Calf, the Man, and the Flying Eagle**—beheld in the prophetic visions of Ezekiel and John the Revelator.

But who are these magnificent cosmic beings, and what role do they play in our spiritual evolution?

The Four Cosmic Forces are guardians and initiators of the divine mysteries. Serving in the cosmic order of Elohim, they hold the sacred geometry through which the infinite light of Spirit is stepped down into Matter, making possible the soul's mastery of the four elements—fire, air, water, and earth—and the four lower bodies of our being.

This is the ancient alchemical mystery of **squaring the circle**.

The circle represents the infinite, boundless reality of Spirit. The square represents that same divine reality brought into manifestation in the world of Matter.

And the **City Foursquare** is the glorious fulfillment of this Great Work—the perfected temple of our own being, in which the four lower bodies have become purified instruments of the living God.

Yet there is an even greater mystery.

Upon this foursquare foundation, through the initiations of the Four Cosmic Forces, we are building something magnificent: **the Great Crystalline Pyramid of Life—the ultimate geometry of our divine self-awareness and the sacred vehicle of our ascension.**

Our beloved Lanello revealed this extraordinary mystery in his dictation of December 4, 1977:

"I come for the arcing of the light of Mother within you from Matter unto Spirit that the sacred fire might crystallize within you the Great Pyramid of Life. Did you know that in the alchemy of putting on the geometry of God, putting on the garment of the Lord, there is being built through your own Christ consciousness a crystal pyramid in and around your aura?"

And he continued:

"The pyramid is the final geometry of the soul, and the capstone is placed in the hour of the soul's reunion in the heart center. This capstone and this reunion symbolize that the soul has brought into manifestation the fullness of the Word incarnate, has become the living Presence of the I AM THAT I AM, the Christ Self, the Holy Spirit. And thus the capstone is the integration of the fourth body, like unto the Son of man."

Imagine that! Through every prayer, every act of devotion, every sacrifice and every loving service to life, we are placing another crystalline stone within the magnificent Pyramid of our own divine selfhood.

And through the initiations of the Lion, the Calf, the Man, and the Flying Eagle, we are preparing that sacred structure for the crowning glory of the capstone—and the soul's ultimate reunion with God.

Join us this Sunday morning as we explore Lanello's extraordinary revelation and the sacred alchemy by which the Great Pyramid of Life is being crystallized within you—stone by stone, initiation by initiation, until the soul is ready to enter the blazing light of the All-Seeing Eye of God.

I AM everywhere in the consciousness of God,

Rev. Mark Myers
