

The Fiat of Healing and Wholeness from the Lord Jesus the Christ

“Thy sins be forgiven thee.”

Such a fiat of healing and wholeness! This means that the forgiveness of this sin—which is the out-of-alignment manifestation of consciousness and the thoughts and feelings that inhabit the temple—is the vanquishing of error and the banishing from the temple of all that is out of keeping with the law of Christ. With that statement “Thy sin be forgiven thee,” there is the setting back of all wrong, the righting of that wrong, and the coming into the temple of the light of the Christ.

Fear not, then, to give the command in the name of Christ, to say, “In the name of Jesus the Christ, I call forth the law of forgiveness and the light of forgiveness, and in his name I give the command, ‘Thy sins be forgiven thee!’ Let it be done according to his holy will.” So, then, as the instrument of the judgment, you assign always to God the blessed will in every case of healing.

In the name of my Mighty I AM Presence, I invoke the Lord Jesus the Christ and his fiat of healing and wholeness: 'Thy sins be forgiven thee'. I call for the forgiveness of sin—which is the out-of-alignment manifestation of consciousness with the full understanding that the forgiveness of sin provides the Alpha platform on which can flourish the Omega progression of balancing the karma of the sin through the violet flame and good deeds.

Let the Light of Christ descend into my temple! As I implore the setting back of all wrong, the righting of that wrong and the banishing from my temple all that is out of keeping with the law of Christ.

"In the name of Jesus the Christ, I call forth the law of forgiveness and the light of forgiveness, and in his name I give the command,

'Thy sins be forgiven thee!' [3x]

Lord Jesus, cleanse my body temple and exorcise the fallen ones who have seized this temple; so as to make room for the delicate faculties of the soul and its intuitive powers. I compel my solar self to take command, return to the citadel, stand upon the wall and be the watchmen of my life and consciousness.

"In the name of Jesus the Christ, I call forth the law of forgiveness and the light of forgiveness, and in his name I give the command,

'Thy sins be forgiven thee!' [3x]

I assign always to God the blessed will in every case of healing. Let it be done according to His holy will.
