

KARMIC BOARD NOVENA VERSION 29

08-22-25

Beloved mighty victorious Presence of God, I AM in me, my very own beloved Holy Christ Self, Holy Christ Selves of all earth's evolutions, beloved great Karmic Board: Goddess of Liberty, Great Divine Director, Portia, Nada, Pallas Athena, Kuan Yin, Cyclopea and Vairochana:

We petition you for dispensations of light for the exposure and final victory over the conspiracy of Satan and his seed, of the serpents and their seed, of the Nephilim, the fallen ones, the Watchers and their godless, mechanical creation. We demand the action of the LORD that America and this earth might be returned to the children of the light!

Beloved Saint Germain, El Morya, Archangel Michael, Mighty Victory and the Goddess of Liberty, place your mantle over the President of the United States. Protect, sustain and place a mighty, dynamic sealing action of the triple-ring-pass-not, the Corona of the Sun, the Solar Ring and the Tube of Light, and your cloak of invisibility, invincibility, invulnerability around the President, the Vice President, their family members, and all serving in the U.S. government. Expose, bind and thwart all plots against America and all assassination plots or attempts against the life or health of the President, the Vice President, their families or any elected or unelected official.

Beloved Mighty Astrea, beloved Mighty Elohim and seven Archangels, bind and clear all demons, entities and discarnates, all black magic, witchcraft or

ties to the fallen ones from the White House, the Capitol, the Pentagon, all embassies worldwide; from all serving in the executive, legislative and judicial branches; from the office of the President, his cabinet, his advisors, the Supreme Court, the State Department, FBI, the CIA, Border Patrol, the military, Secret Service, the federal bureaucracy, and leaders at state and local levels.

Beloved Mighty I AM Presence from the heart of God in the Great Central Sun, I command, in the name of the Cosmic Christ, the beautiful mighty Electronic Presence of our beloved Saint Germain and Portia over every member of this government. I demand the full-gathered momentum of the violet flame, the flame of freedom and the flame of justice from their twin flames of their causal bodies to blaze and blaze through the hearts of these representatives—from the President down to the one who cleans the floors!

Expose, take dominion over and bind the dweller on the threshold working through all anti-American spies, infiltrators, fanatics, moles, mercenaries, sleepers, gangs, cartels and invaders pitted against the soul of America, her freedom, liberty and justice, and the plan of Saint Germain.

Beloved El Morya, Chief of the Darjeeling Council of the Great White Brotherhood, legions of the First Ray, enter the White House now and place your mantle over all deliberations which are at hand for the victory of America. Bind and remove—from within or without—all Luciferian and Deep-State control, infiltration and interference with the God-government of our republic.

Seal America with the Golden Chain Mail, reinforced with a chain mail of fiery blue energy and by the power of your causal bodies and the action of the Great Central Sun Magnet. Concentrate it with pinpoint precision wherever it is needed to neutralize and inactivate weapons, devices and attacks directed against America, her people, resources and infrastructure.

Shatter and scatter the war plans of the fallen ones! I call for a staying action by the hand of Almighty God on the fulfillment of all negative prophecy relevant to America, including Ezekiel chapters 38 and 39, Daniel chapter 9, and George Washington's third vision.

In the name of the Mighty I AM Presence, beloved Cyclopea, Pallas Athena, Hilarion and the Legions of Truth, Archangel Michael and Saint Germain, bind all false flag operations; all wars and rumors of war; all divide and conquer tactics; and all Deep State plots or involvement at the national or international level. We authorize the angels to act on our behalf to halt all potential manufactured events we know not of that could curtail freedom of God's people on Terra. *Expose these plots to all the world!*

Expose and bind the Nephilim playbook of PROJECTION and their endless projecting of their evil, ungodly and unlawful motivations onto the Lightbearers to produce a sense of unworthiness, guilt, shame and blame. Bind the culture war against Life, Western Civilization, and the incoming Aquarian Age Culture of the Divine Mother.

Expose and remove all individuals serving in our government or those running for office who have divided allegiances to other nations, who actively undermine America and its Constitution, or who attempt to destroy our constitutional republic. Beloved Cyclopea, we demand the exposure of the conspiracy behind Marxism, Leninism, fascism, and the entire philosophy of World Communism, corporate socialism, multinational corporations, international bankers, the laggards, and their attempt to hold this earth subservient to the fallen ones.

In the name I AM that I AM and by the full intensity of the emerald ray and the blue lightning from the mind of God, I demand the exorcism of the manipulators of truth within the media!

Cast out Serpent, his seed, his fallen angels, the original liar and his lie; the embodied seed of the Wicked One, the false Christs and false prophets, demons of fanaticism and fundamentalism; the spoilers and false witnesses who subvert the authority of the Son, who perpetuate their spiritual warfare through misuse of the media by their diabolical lies, censorship, disinformation, political bias, propaganda, divide and conquer tactics, subliminal seduction and indoctrination of the people to a false reality and death culture of socialism, communism, the perversions of capitalism, materialism, sex, violence, fantasy and illusion.

Beloved Great Divine Director, arrest the spiral of all perversions of the cosmic honor flame in the divine and human economy of America and the world. Bind all lethargy, ignorance, apathy and indifference on the part of the American people toward the economy and its problems, all manifestations of the welfare-state consciousness, all attempts to introduce theory and practice into the economy not in keeping with Ascended Master Law, all efforts to keep the American people ignorant of the true laws of economic behavior.

In the name Jesus Christ, we agree together on earth that all imbalances in the U.S. economy, all inflation, deflation, recession, depression and manipulation of currency are corrected now! Expose and extricate the United States from the Federal Reserve and the Globalist monetary systems and return the creation of currency to the people.

I AM the Resurrection and the Life of the Divine Economy of America and the World! (3x) And I AM the Open Door Which No Man Can Shut!

Beloved Astrea and beloved Great Divine Director, lock your cosmic circle and sword of blue flame in, through, and around, and expose, bind, and thwart all Illuminati and Luciferian management and control of United States elections, the parties and candidates. We demand the securing of our elections by requiring proof of citizenship, by eliminating mail-in ballots and ballot harvesting, by implementing one-day voting on election day, and by using paper ballots that are counted by witnesses from the political parties involved.

Beloved Jesus, beloved Mother Mary, we call for the exposure, accountability, and judgment of all those who abduct or abuse children, who confuse children's minds regarding gender, who mutilate children and teens by performing or administering life-altering surgeries or life-altering drugs, who financially benefit from these procedures or from abortions, and of all school curricula that teach and encourage homosexuality, transgender ideology or allow men and boys in girls' and women's sports and private spaces.

In the name Jesus Christ, we agree together on Earth that justice and freedom triumph in America, that a Golden Age of America manifests, that lightbearers and patriots around the world rise up, combine their energies for the victory of the Light on terra and manifest Saint Germain's Golden Age!

Lightbearers of the World Unite (3x) in the name of Saint Germain! (3x)

Beloved Maximus, beloved Great Divine Director, multiply our calls by the power of ten thousand times ten thousand. Let the will of God be done in all these calls that justice and freedom shall triumph in all that we do. We accept this done right now with full power of the words of Mighty Victory, "In God we trust!" *It is so and It is Finished! Amen.*

Great Karmic Board! We thank you for
Your presence there above
The glory of your beauty
Your faithfulness to duty
Inspire us so to love!
Inspire us so to love!
Inspire us—inspire us so to love!

Great Karmic Board! Our souls arise
To call your light and pow'r
Your flames of mercy, justice, too
Forgiveness rare, love's balance true
Enfold us ev'ry hour!
Enfold us ev'ry hour!
Enfold us—enfold us ev'ry hour!

Great Karmic Board! We love our earth
And all that is thereon
O help us lift her strain and stress
Replace them with Light's happiness
Expand the cosmic dawn!
Expand the cosmic dawn!
Expand—expand the cosmic dawn!

Great Karmic Board! Help us to be
All that you have become
Your majesty and power, too
Victorious in all we do
That we may bring earth Home!
That we may bring earth Home!
That we may—that we may bring earth Home!

Great Karmic Board! To you we give
Ourselves without reserve
Blaze through us your light's joyousness
Your freedom, peace, and God-success
Make all your love deserve!
Make all your love deserve!
Make all—make all your love deserve!

Great Karmic Board! To you we call
In grace for all mankind
All blessings from the Central Sun
For all the good that you have done
No greater love we find!
No greater love we find!
No greater—no greater love we find!

Great Central Sun! We now command
Your gifts and blessings, too
To flood our Karmic Board so dear
Expand those blessings year by year
