

LABOR FOR THE BINDING AND JUDGMENT OF THE LAGGARD EVOLUTIONS WHOSE TIME IS UP

In the name I AM THAT I AM ELOHIM, Saint Germain, Portia, Guru Ma, Lanello,
Padma Sambhava, Kuan Yin and the Five Dhyani Buddhas.

In the name I AM THAT I AM SANAT KUMARA, Gautama Buddha, Lord Maitreya, Jesus Christ.

OM Vairochana • Akshobhya • Ratnasambhava • Amitabha • Amoghasiddhi • Vajrasattva OM

In the name I AM THAT I AM, in the name Brahman, I call to Sanat Kumara, Lord Himalaya, Vaivasvata Manu, God and Goddess Meru, the Great Divine Director and to the legions of the thirteen archangels to send millions of legions of angels to take command of:

Bind and judge the laggards and fallen ones from Maldek, the Twelfth Planet and all other Planets! The laggard evolutions whose time is up, who have defied God, who have been obscene before his presence and have no desire whatsoever to obtain everlasting life. I declare with Almighty God and Lord Himalaya: *“Enough is enough!* These evolutions have had their opportunity. They shall be removed to other planets and other systems where they can make a go of life if they will!”

Seize, pin and bind (3x) these laggard evolutions, those who are not the creation of Elohim, who come to steal the genes, the very life-essence, of those who are the creation of Elohim. Liberate planet earth from the weight and burden of these fallen ones! *Turn these things around!*

Lift and dissolve the heavy weight that these laggard evolutions have brought to earth—the weight of their engines of war, their misuse of science and technology and their pursuit of only materialistic science and not the science of the Spirit.

Bind their attempts to steal the genes and patterns that Lord Himalaya has given to the fourth root race!

Let the white fire of God descend to eliminate war in the earth!

Remove these laggard evolutions from the earth—those who could tip the scales if they remain! Take them from the planes of the earth! Bind these lifestreams of darkness who are weighing down the youth of the world, the children, the babies being born, the families and lightbearers who are working against all odds to complete their projects for humanity!

Bind the dweller-on-the-threshold of the laggards being taken! Bind the dweller-on-the-threshold of the laggards remaining in the earth! Bind their recalcitrance, stubbornness and intransigence!

Let these calls be answered according to God's holy will. Amen.
