

## **Decree Insert: Calling the Cosmic Secret Service into Action**

I claim the Cosmic Authority of Beloved Lanello, Lady Master Leto, Ascended Masters Alexander Gaylord, Godfre, K-17, Elohim Cyclopea and angels of the All-seeing Eye of God, Mighty legions of the Cosmic Secret Service, Ascended Masters who are closest to the physical octave and its physical vibration—go forth in your physical, tangible ascended master bodies as guardians of the destiny of liberty in America and every nation on earth:

*Expose! Expose! Expose!* by the most powerful action of the All-Seeing Eye those forces and plots that would undermine Saint Germain's plan for God-government in the golden age. *Search out and expose* those manifestations that are subversive against the Christ and the unfolding Buddhic consciousness in mankind. Use your God-vision to warn the citizens of cosmos of threats to the security of the individualization of the God flame, to threats to life and liberty, to threats to the governments of the world, to threats to the family as the basic unit of the Aquarian society.

*Enfold* the office and person of the president and of the vice-president of the United States of America, the Congress of the United States and the US Supreme Court in a gigantic pillar of the pure white dazzling Light of the Christ. *Protect, heal and direct the* governments of the nations and their key agencies, such as the State Department, the Department of Justice, the Commerce Department, the Central Intelligence Agency, the Federal Bureau of Investigation, the National Security Council, the Entire Intelligence Community, the Drug Enforcement Administration, the Food and Drug Administration, the Department of Defense, our entire military, federal and state attorneys general, and state and city police forces, as well as the entire judicial system. *Expose* corruption in our governors, in members of the legislatures, mayors, city councils and local regulatory agencies.

By the Holy Will of God, appear in physical form as the guardians of right action amidst the chaos and crises on the world front. Make the physical appearances in the halls of governments and among the leaders of nations that are necessary for the resolution of the 'hot spots' in the world including the situations in the Middle East, on the Korean Peninsula, and \_\_\_\_\_.

*Guard* all souls of Light from unseen dangers—dangers of the astral plane, dangers of psychotronics, dangers in the environment that cannot be sensed with the physical senses. *Overcome* the nefarious forces at work in the world and their manipulation of the masses. And by the emerald ray heal the fragmented souls who know not the way to go, and heal the hearts of the lifewaves of light on planet earth.

*Separate* the tares from the wheat that are growing side by side. *Separate* out what is Real and what is unreal in the planetary consciousness. *Excise* the genetic tares of the fallen ones sown in the folds of the garment of planet earth by the enemy while we were asleep. *Sow* the good wheat of the Christ Mind in its place.

I accept this done, instantaneously, even as it is done. In the name of Jesus Christ. Amen.
