Beloved EL Morya “I Must Have Something to Work With”

Chelas of my heart, welcome!

Welcome to the Pure Land!

Welcome to the land of the Bodhisattvas!

Welcome to the Light of the Divine Mother!

Welcome to winter solstice!

Welcome to your own Mighty I AM Presence!

For I am here this day that you might know that I also bear your burden—yes, a burden of Light and a burden of the cross you bear for me. O my beloved, receive my love this day that we might commune together!

So, the tax collector has come! So, he has come indeed. And “there went out a decree from Caesar Augustus that all the world should be taxed.” Be grateful that you need not return to your hometown to pay your taxes!

Therefore, on the occasion of the birth of the living Christ incarnate in Jesus, the burden was upon the people—the people you must give not alone of their supply, the coin of the realm, but of their Light as well to support a system that had no underpinnings, for it was not laid on the foundation of Christ.

Therefore, Rome did fall and Rome did burn...

Please, join us this Sunday as we continue our study.

May Gods’ Love and Light continue to bless you.

Blessings,

Rev. Frank Evans
