**Beloved angels of Light carry the etheric matrix of this letter:**

**To: The Great Karmic Board (Goddess of Liberty, Great Divine Director, Cyclopea, Portia, Goddess of Justice, Kuan Yin, Goddess of Mercy, Pallas Athena, Goddess of Truth, Ascended Lady Master Nada and Vairochana) at the Royal Teton Retreat, Grand Teton, Teton Range, Wyoming, U.S.A.**

**Cc: The Fourteen Ascended Masters who govern the destiny of America; Beloved Guru Ma, Lanello, Godfre, Lotus, El Morya and Saint Germain**

**Re: Dispensations and Requests**

I send forth my eternal gratitude and praise to Almighty God. And I call upon the Law of Forgiveness; and implore forgiveness for all I have wronged and all who have wronged me.

I desire to renew my vows of chelaship and offer myself in service to the Great White Brotherhood on behalf of humanity. I cry out to Almighty God and the entire Great White Brotherhood, with all the fervor of my heart and mind and being, on behalf of those who are suffering in the earth and I give you the full authority of my own causal body and the fervent heat of my heart to act in my behalf to save the souls of planet earth and see her through to a new Golden Age of peace and enlightenment.

*I request from the Seven Solar Logoi through the Great Karmic Board grants of energy, dispensations, and sponsorship for the following constructive causes:*

- The GREAT AWAKENING of the American people, the 'so-called' silent majority, that their voice be heard especially on November 3rd election day. Awaken the lightbearers, that they become aware of—and overcome—the oncoming Darkness! Let these hearts of Light make contact with the higher Light, that they might step into this Light, that they might prepare for oneness with their I AM Presence. Reinforce of the Body of God upon earth, to become one body unified in God!

- The 2020 Elections in the United States of America to manifest a cosmic God-victory that every slot in every level of the U.S. government, local, state and federal, be filled with enthusiastic Ascended master candidates who will defend the U.S. Constitution, American sovereignty, the unborn child, the divine plan of America, and manifest the will of God. I pray that lightbearers receive the true understanding of God-government. Enlighten the people of Ecuador to manifest God-government in the upcoming February 2021 election.
- The fallen ones and laggard evolutions are no longer able to control and manipulate the people from their citadels of power they have created. Unify and solidify a large body of lightbearers (that spans any and all organizations and disagreements in ideologies) resulting in the all-out denunciation of the Canaanite civilization, Babylonian morality, counterculture (of God) and its goal of controlling the world through one-world-government.
- Neutralization of all contemplated or attempted plots and attacks upon the office of the president or the vice-president of the United States and members of their families, including attempted coups, assassination plots; as well as media disinformation warfare and the censoring of free speech of all political perspectives by the tech giants, corporate controlled media and late-night entertainment. Overshadow their advisors, staff, the cabinet, national security council, legal counsels, and the entire executive branch. Illumine and enlighten the President to make the right decisions on the world front and on the domestic front.
- The restoration of peace, calm, education, prosperity and law-and-order in all the cities and suburbs of America. Cease the polarization of America! Overturn the fallen strategy of divide-and-conquer! Bind the forces of division and the causes that are setting Brother against Brother! Dissolve the separation, resolve all duality in The United States in this moment of the Battle of Armageddon!
- Exposing and eliminating voter fraud, vote-by-mail campaigns, ballot harvesting, and any other strategies to manipulate the voting process or delay election results. Rectify all outdated state voter rolls—containing inaccuracies, non-citizens, dead people, felons, non-state residents, false registrations; overturn all election fraud through—underage voting; fractional voting, black box voting, early voting, provisional ballots, motor voting, vote rigging, voting machine hacking, cyber-attack on our voting system, citizens voting more than once, illegal aliens and dead people voting.
- Securing the entire voting process resulting in the will of US Citizens manifesting in the upcoming federal, State and local elections.

- Completion of the entire process of confirming the next US Supreme Court Justice replacing Justice Ginsburg.
- Overshadow and protect all US Senators, their staff, the majority leader and the minority leader for their safety, their families and their residences.
- Restore peace, calm, educational opportunity, prosperity and law-and-order in all the cities and suburbs of America.
- Restoration of the livelihood of all Americans, Ecuadorians and the people of every nation and their prompt return to work and earning a paycheck.

*[Please write here any other personal or planetary issues on your heart]*

Beloved Ones, take these written petitions and intone them 24 hours a day and multiply them for the victory of the ourselves, our community, the United States of America, South America, our Fellowship, all sentient Spiritual Organizations, all children on this planet and all who serve the Light. Let all petitions be adjusted according to the holy will of God and implemented according to that will by thy wisdom, and by thy love, in time and space and in the eternal cycles of being.
