*Praise the LORD for the Ruby Consuming Fire as our opportunity to set terra free for all!*

**Section 3—HYMN 288: BELOVED CHAMUEL—Archangel of the Third Ray**

Chamuel, dear archangel  
In the I AM name  
Hold us in the lovely  
Adoration flame.  
Blaze thy Light around us  
And the earth today  
'Til mankind remembers  
Living Love's sweet way.  
Chamuel, now we send thee  
Love and gratitude  
For the understanding  
That God's will is good.  
Held within the power  
Of the Father's love  
We know Light's perfection  
Waits for all above.

Chamuel, our beloved  
In God's holy name  
We implore assistance  
Balance to reclaim.  
Tolerant understanding  
That is Love's third ray  
Sees perfection always  
Every passing day.

Chamuel, we adore thee  
And thy dear heart flame  
Ever are we praising  
Charity's sweet name.  
Mighty Silent Watcher  
In the realms above  
Hold our dear archangels  
In thine arms of Love.

**Section 4—INVOCATION** [Group Invocation to the Hierarchy of The Retreat for spiritual partnership with the Retreat's Brotherhood]

*Leader:*

*Let us invoke the blue-ray masters and ruby ray adepts as we give our invocation and petition for the Elohim of Love to open their retreat to us. We will follow this invocation by our decree for protection to Archangel Michael, and then our Ruby Ray from the Heart of God decree.*

*Together ...*

Great Cosmic Beings from out of the Great Central Sun, Great Angelic Hosts and Great Host of Ascended Masters, the Lords of Blue Flame, God Surya, Cuzco and Angels of the mighty blue eagle from Sirius, the Great Manus, Lord Himalaya, Vaivasvata Manu, the God and Goddess Meru, the Great Divine Director and the Great Karmic Board, the seven Mighty Elohim, Archangel Michael and the mighty archangels, Lord Morya El, the fourteen ascended masters who govern the destiny of America, beloved Guru Ma, Lanello, Godfre, Ascended Master Saint Patrick, Saint Germain and the masters of freedom for the earth, and all the hosts of the Spirit-Matter Cosmos:

We! The one body of God on earth, petition for a mighty dispensation from the Solar Logoi, the Four and Twenty Elders, and the Cosmic Councils, for the stepping down of the fire of the Ruby Lightening from the Heart of God in the Great Central Sun that God's kingdom may manifest on earth as it is in heaven.

We! Petition the Mighty Elohim of Love, Heros and Amora, for the release of the full-gathered momentum of the great pillar of Piercing Ruby Light sheathed in White Fire. Send forth this permanent Flame of the Divine Mother from your etheric retreat over Lake Winnipeg, Manitoba for mankind's acceleration into the spiral of a new age, the golden age of peace and enlightenment.

We! As that body of Light, offer ourselves as cups, as chalices for the *engrafting\** of our beings to the Ruby Ray adepts, that we might be filled with the mighty action of the ruby ray for the liberation of the captives, and for the freedom of all from their oppressors in every nation upon earth.

Come forth, O thou lineage of the ruby ray. Come forth, O mighty Buddhas of the ruby ray! Come forth, mighty ones of God. We give obeisance unto thee.

Come forth now, for we know that thy Presence in the earth is for the overcoming victory of all! Live in our hearts. Empower and strengthen us that the earth might shine. And shatter the anti-heart of the fallen ones! Shatter the anti-heart! Shatter the anti-heart Blaze the full power of the ruby ray!

*Shatter! Shatter! Shatter* the anti-heart! *Shatter* the anti-heart of the fallen ones.  
(3x)

Let these fallen ones self-disintegrate by the power of the ruby ray. Let it be done. So it is done by the power of the sacred fire.

Beloved Archangel Michael encircle and bind any and all backlash of the dragon's tail and the sting of the scorpion as a result of the release of our Light. Mighty Archangels, consume all evil and evil intent directed against the Light of every son of God on this planet and throughout the entire Matter cosmos. And let all vacuums and vacancies be filled instantaneously with the light of our Lord Jesus Christ, with violet flame, the Holy Light of seraphim, love's indestructible Ray of Purity, Ruby Ray fire, and the wisdom of the Five Dhyani Buddhas.

It is done. It is finished.... I AM the sealing of the Mystical Body of God on earth, the Community of the Holy Spirit, the Sangha so precious to the Lord Gautama, in the ruby cross and the flame of the Ruby Buddha, bringing the Earth into her glorious Freedom of the coming golden age through this activity of the expansion of Spirit in Matter.

Purusha. Purusha. Purusha.

Amen.

*\*This is a word that is very important—the engrafting. When there is not the Word or the Flame, the Guru must give you a path and a course where he will graft to your being that portion of his own until your system totally receives it and you have become that portion and extension of The Master. -Vol. 29 No. 22 - Beloved Lord Maitreya*

### **Section 5—DECREE 10.22: ARCHANGEL MICHAEL, HELP ME!**

Archangel Michael, Help me! Help me! Help me!  
Archangel Michael, Come into my life!

Archangel Michael, Bind this condition now and bind the foe and release me  
from this imprisoned substance!

*(Here compose your personal prayer: name the problem and describe the  
misqualified energy.)*

Release me now from all temptation and all backsliding and going astray and  
nonbelief in the power of Almighty God to save my life and to give me my  
victory in this embodiment!

Archangel Michael, Help me! Help me! Help me!

Archangel Michael, Come into my life!

Archangel Michael, Stand with me!

Save my child!

Save my household!

Save my nation and bind those Communist hordes!

Mighty I AM Presence, I AM here, O God,

And I AM the instrument of those sevenfold rays

and Archangels!

And I will not retreat.

I will take my stand.

I will not fear to speak.

And I will be the instrument of God's will, whatever it is.

Here I AM, so help me, God!

In the name of Archangel Michael and his legions,

I AM freeborn and I shall remain freeborn!

And I shall not be enslaved by any foe within or without!

***Section 7— HYMN 351: BLESSED HEROS AND AMORA—ELOHIM OF LOVE***

Blessed Heros  
Elohim of Love divine  
Now reveal thy  
Loving Presence to mankind.  
Blaze thy light rays  
Throughout all the earth today  
Till all forms of life are living  
In thy great perfection's way.  
Life eternal  
Is God's gift of love to all  
Heaven's beauty  
May each earnest heart recall  
And the pattern  
Of God's holy plan divine  
Victory in the ascension  
May each seeking one now find.

For thy heart flame  
Blest Amora, friend so dear

Love and blessings  
Call we forth with hearts sincere.  
As her light rays  
Clothe us in her love divine  
Blazing from our hearts may others  
See the radiant Christ Light shine.  
To thy service  
Dedication we renew  
Light expanding  
Will increase all virtues true.  
Then God's kingdom  
From above to earth shall come  
Angels, men and elementals  
Serving till God's will be done.

All excelling  
Is thy flame of love divine  
Life's great essence  
Of each body, soul and mind.  
'Tis the power  
Guiding all the worlds in space  
Every planet in the heavens  
Held in its appointed place.  
We are grateful  
For thy Presence there above  
Ever pouring  
Forth thy mighty rays of love  
To enfold us  
And all life on earth today.  
We behold thy wondrous glory  
Now and ever with us stay.

**Section 12—SEALING OF THE ENERGIES: I AM LIGHT** song by Kuthumi

I AM Light, glowing Light,  
Radiating Light, intensified Light.  
God consumes my darkness,  
Transmuting it into Light.

This day I AM a focus of the Central Sun.  
Flowing through me is a crystal river,  
A living fountain of Light  
That can never be qualified  
By human thought and feeling.  
I AM an outpost of the Divine.  
Such darkness as has used me is swallowed up  
By the mighty river of Light which I AM.

I AM, I AM, I AM Light;  
I live, I live in Light.  
I AM Light's fullest dimension;  
I AM Light's purest intention.  
I AM Light, Light, Light  
Flooding the world everywhere I move,  
Blessing, strengthening, and conveying  
The purpose of the kingdom of heaven
