

## SANAT KUMARA CALLS FOR SAVING SOULS

### CALL TO SPONSOR SOULS - *Arcturus*

I ask that through the power of my I AM Presence I sponsor as many souls as my Christ wills all over the world, throughout the Milky Way and Andromeda and cosmos - a million, ten million and more. Show me how I may accomplish this.

Beloved Mighty I AM Presence- *\*Blaze*, intensify, multiply and magnify (3x) twenty-four hours a day your mighty Light rays pouring forth to all you are sponsoring. Cut them free from all darkness. Strengthen their souls, bodies and chakras. *VAJRA!* Strip them of implants, subliminal manipulation, animal magnetism, possessing spirits. "Let the rings of my causal body penetrate all levels of the astral plane and be the "lifesaver" for souls."

I accept it done this hour in full power, as God wills it. Amen.

### "PRAYER OF SAINT GERTRUDE"

St. Gertrude the Great showed "tender sympathy towards the souls in purgatory" and urged prayers for them. She is therefore invoked for souls in purgatory. Perhaps for that reason, to her name has been attached a prayer that, according to a legend of uncertain origin and date, Our Lord told her would release 1000 souls from purgatory each time it was said. The prayer was extended to include living sinners as well.

**Eternal Father, I offer Thee the most Precious Blood of Thy Divine Son, Jesus Christ, in union with the Masses [and dynamic decrees, mantras and prayers of Light] said throughout the world today, for all the Holy Souls in Purgatory, for sinners everywhere, for sinners in the Universal Church, for those in my own home and within my family.**

**As you will, so let it be done. Amen.**

**In the name I AM THAT I AM SANAT KUMARA,  
of BRAHMAN and Jesus the Christ,  
let all my calls be fulfilled as God wills:**

Lord Sanat Kumara, Helios and Vesta, Melchizedek and all legions of Truth, mighty Spirit of the Great White Brotherhood, my Mighty I AM-

1. I appeal you and to the Archangels of God and their hosts, all Elohim and Ascended Masters, Kwan Yin, Goddess of Liberty, Padma Sambhava, Krishna, \_\_\_\_\_ - *Descend now into the realms of Death and Hell to rescue all souls bound in the shackles of Hades.*

2. *Go* after all lightbearers who must not be lost, those who once had a threefold flame. Let them be reached through some form of Truth.

3. Repolarize all souls of God by the Great Central Sun Magnet to the divine polarity of Alpha and Omega. Magnetize all souls you will out of the astral plane. Demagnetize us of all implants, curses, of all envy and jealousy. Seize all energies of Satanic murder, blood and sex rituals, child murder, molestation, crucifixion, all curses, before they can act.

4. I "pray fervently to God and the Blessed Mother that not a single soul who is a servant of the Light be lost." And I pray that "not a single soul be lost during my tenure on earth."

5. SK- I pray for God's will for each and every soul, and especially for "those who are continually being tempted aside to destroy mind and body and to be destroyed by fallen ones as their souls perish in hell." *Burn through!*

6. I pray to God "fervently that imprisoned souls be cut free from their demon oppressors and be given another opportunity to choose God and live."

7. Sanat Kumara- in thy name I call to the very souls caught in the astral plane- *Respond* to the Angels of Deliverance. I summon Cosmic Angels- *blaze* blue lightning. *Shatter* all dark substance and grids around these souls. *Cut* them free from all that has been superimposed upon them as the philosophy, the doom of the fallen ones. *Burn through* all powers of darkness imprisoning souls.

8. SK- Direct all discarnates to the retreats and take command over all who have recently committed suicide, their sympathy. *SHIVA!...*

9. Mighty Kali- *burn through* Annihila and all foul spirits stalking the canyons of the astral plane, lying in wait for weak souls.

10. SK- *Go after all souls and their* addictions to alcohol, sugar, nicotine, junk food, excito-toxins, drugs, dark music, money, anger, greed, fear, the Sex Beast, violence and television. *SHIVA descend!*

11. Beloved Maha Chohan! Send them the comfort flame from thy retreat to assist all souls in getting free from addictions.

### MORYA' CALLS FOR FRIDAYS

12. Sanat Kumara, I call on behalf of all lightbearers and souls who have passed from the screen of life this day, this week and in all past ages who are caught in the astral realms, [*especially...*]. CUT them free and take them to their lawful place and plane.

13. SK- Bind and consume the dweller and astral ka of all souls caught in the astral plane. Place that dweller in the Maxim Light as God wills.

Protect the threefold flame within them and set free the soul. Bind all entities that have been a part of that lifestream, especially of all who passed on from lethal diseases, with addictions, to drugs, to gambling, sugar, sex and sensuality, anger... *SHIVA! Bolts of Blue Lightning!*

14. SK- Disentangle all disembodied lightbearers caught in astral realms from all lower astral entities, forms and situations that bound them while they were embodied. *Burn through! Mighty Astrea, cut them free!*

15. SK- *Burn through and bind* the hordes of the astral plane and all who prey upon mankind, and see that they are assigned to their respective levels of learning that they might choose God and live or choose death and no longer have a continuity of being. *Shiva!*

16. "O five secret rays, bring God-control to every lightbearer on this planet. I, Mighty Cosmos, decree it. Let not a single lightbearer of any age or conviction be lost.... Go forth, O rays. Go forth, O God, in rays. Go forth. Go forth."

17. "All of you who call yourselves Keepers of the Flame must remember to make the call on behalf of all people of the earth daily"... Sanat Kumara, I call on behalf of all people of the earth that the threefold flame be reignited by the Holy Spirit. Cast out that sin and sense of sin that makes so many feel unworthy to have the flame of God burning on the altar of the secret chamber of the heart. *Burn through! Reignite the Threefold Flame!... Liberty, 1993*

18. SK- I call for intercession and saving of the souls who once walked toward the Light and who have been beguiled.

19. SK- *Cut free, illumine, and rescue every soul from idolatry of the fallen ones and their false reasonings, mental brilliance, from the mass machine of the mass consciousness, from the Television Beast, the Sex Beast, false materialistic "science", the beasts of the astral plane and the false hierarchies of the ICCC, the human ego. Apollo Vol.38 no.31*

20. SK- Go after all abused children and their souls. Reignite and fan their spark of striving. Help them believe in themselves, that they can conquer the odds of life and karma and get beyond their roots. *I claim them for God.*

21. SK- I invoke ministration and God's will 'for the souls of Terra who are the strongest. Help them recognize the mission upon them. Help them in every way.

22. SK- I call for the victory of the souls who must follow their true leaders. Deliver them from 'the stupor they are in as a result of the food they eat.' Expose and bind all that 'destroys the potential of the human body to be a vessel for the flame of immortality.' Balance and heal every brain, mind and body, balance all yin forces. Comfort the soul. Reinforce the heart chakra of all those at the forefront of constructive change in every area of life. Help them.

23. SK- I pray with the Messenger for the protection of all servants of God who may have to "do time" in the prisonhouse of the astral plane, that their spiritual senses not become stupefied in the density of this lower world. I pray that they may not forget the realms of glory from which they originally descended. *BLAZE THE LIGHT! SET THE CAPTIVES FREE Apollo 1995*

24. SK- I pray for the victory of "all souls whose fiery destiny it is to attain union with God by fulfilling their calling of the ages in this life." I call forth God's will for each one.

25. SK- I pray with the Messenger for the absolute God Victory of the souls who have earned their ascension and are waiting in the wings at Luxor to ascend.

26. DENIAL OF DIVINE SELFHOOD Brahma, Vishnu and Shiva! *Bind* the dweller on the threshold of every soul in cosmos. Nullify its vibration of the denial of selfhood, of worthlessness. SHIVA!

27. Go after the matrix, beam and message, the entire sounding of the sound of God-denial, the momentum on this planet and cosmos. Cancel it out. I claim the Flame of Cosmic Worth for every soul now and forever.

28. REAL IMAGE Sanat Kumara, Kuan Yin- Go after the entire plot to distort the divine image within souls, to have souls replace it with the synthetic self and then rely upon the distillations of the carnal mind for decisions. I invoke the memory of the original image for all souls. "In the name of the living God, in the name of the Christ, I claim my Real Image this day!" And I claim it for every soul.

### ACCEPTANCE

Let these calls be executed by the legions of Light only according to the will of God. Sanat Kumara, not my will but thine be done! In the name of Alpha and Omega, by the living Sword of Truth of Pallas Athena, I seal it. Amen.
