

Saint Michael, the Archangel!

Defend Us in Armageddon!

Friends of Saint Michael the Archangel, Captain of the Lord's Host,

Next week, on September 29 is the celebration of "Michaelmas", also known as the Feast of Saints Michael, Gabriel and Raphael, the Feast of the Archangels, and the Feast of Saint Michael and All Angels. It is a Christian festival observed in both solemnity and feasting, as well a marker of a time to settle accounts at the quarter of the year near the autumnal equinox and the harvesting of the summer crops.

This Sunday we study the spiritual power this mighty Archangel may have in our current world and this war of Armageddon manifesting in the very streets of our cities and nations- if we but call upon his intercession in this critical hour of America's history. Let us meditate and pray to this mighty Friend of God as we prepare to invite Saint Michael and his blue Lightning angels into

our lives, our homes, our communities, family and this planet Terra- to deliver us from all evil!
Until then, may you be protected in the divinity of angelic light!
