Etheric Body (4th week before Christmas)

In the name I AM THAT I AM, we invoke the presence of the Great Divine Director and the Seven Archangels, beloved Saint Germain and the angelic hosts of Light, beloved Jesus and the great hosts of Ascended Masters. We lovingly surrender all substance on the 12, 1 and 2 o'clock lines of the Cosmic Clock and we pray for the strengthening of the qualities of God Power, God Love and God mastery in the etheric quadrant of our being.

We call to the Christmas angels to draw nigh and to fill our hearts with the joy of the Living Christ as we light the candles of this Advent wreath. May the burning down of these Advent candles represent the transmutation of all negative substance in each of the four quadrants of our being. Let this evergreen wreath, representing the ever-living circle of perfect wholeness, become a healing thoughtform to restore us to our true identity in God.
