

Beloved Nada, Chohan of the Sixth Ray

*Action is the
Fulfillment
of Divine
Love*

Dear Friends,

How quickly time moves into the new year! It seems like Christmas and New Years were just yesterday! And it didn't seem to give us much time to clear the records of last year and to get set with a clean page for 2022.

Like it or not, we are off running. If we are sharp, we will look to our beloved masters to set the pace for a winning year. And beloved Nada is one that can do just that.

Recorded in Vol. 54 No. 21 of the Pearls of Wisdom is her teaching that assists us to put first things first as each of us works toward the ascension. We have no choice but to make this year better than last year and when our Father answers our many prayers, it shall be!

Here are Nada's words that get us into the subject for this Sunday.

"O beloved hearts of light, I, Nada, come to you with the joy of the sixth ray of ministration and service. And I come to tell you that in the service of God and man is the open door to unity with the consciousness of the Christ. As he stands at the nexus of the giant cross

of life twixt God and man, as he stands at the nexus of the figure eight, so as you serve you also rise to that nexus and you gain your immortal life, immortal freedom, immortal oneness with your divinity.”

You are invited to join us this Sunday as we experience anew the meaning of serving on the 6th ray of service and earning the victory of the ascension.

In His Love,

Rev. Carl Showalter
