

**TRANSMUTE THE BURDENS UPON ELEMENTAL LIFE**  
**We Can Help Elementals!**

Blessed Servants of the Most High God,

This Sunday, we close out our weekend prayer vigil for elemental life. Thus far, we will have received the blessing of Mother Virgo and Pelleur, Mother Aries and Thor, and Prince Oromasis and Princess Diana.

During our Sunday worship, we will receive the blessed Neptune and Luara, who oversee the water element, who together with the elementals of the water element, the undines, in their command, govern the tides of the seas and the waters under the sea. They also govern precipitation over the landed areas and purification of water wherever it is found—even in the body of man.

The dictation we will hear this Sunday, was delivered at the Harvest Class 1993, when these hierarchs came to place in our hands—a GREAT KEY. A key that will unlock the prison cell of our own psyche, where we are yet prisoners of past ages, of past relationships, of past interchange— that can unlock the prison cell of the mind and of the heart and of the solar plexus, the prison cell of many levels of our being.

When you are truly liberated at all levels of being, you can take this key to go forth and unlock the doors of other souls who are imprisoned by fallen angels. You can unlock the doors where elementals suffer and cannot do their work, for they are imprisoned in the curses of the fallen ones.

What a gift!...

Please join us this Sunday in our study and work of this cosmic cooperation between the children of the sun and elemental life.

On behalf of elemental life serving earth and her evolutions,

Rev. Mark Myers
