

Ruth Hawkins' Violet Flame Call

Beloved Mighty I AM Presence, beloved Alpha and Omega in the heart of God in our Great Central Sun, beloved Saint Germain and Portia, beloved Archangel Zadkiel and Holy Amethyst, beloved Arcturus and Victoria, beloved Kuan Yin Goddess of Mercy, beloved Mother Mary and beloved Jesus, beloved Great Karmic Board, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life, fire, air, water and earth.

In the name, power and authority of my Holy Christ Self, I demand that there be a great swelling of the Violet transmuting Flame in through and around the planetary body.

Double it each hour and fill the interior of the earth and Virgo and Pelleur's kingdom with a powerful, roaring action of the Violet Flame, creating such a pressure that it is forced out in every direction through the substance and structure of the planet.

See that it pours through all caves, caverns and subterranean passages, dissolving all the old records, density and carnal creations. See that it forces out all entities, black magicians, witches, warlocks and demons, and that they are seized, bound, and removed from this planet forever and disposed of according to God's Will!

See that this great blowtorch action of the Violet Flame fills the atmosphere up to 30,000 feet, and that not one atom escapes its purging power. Let the elementals, gnomes and nature spirits be stripped of their density, discord and pollution that has been imposed upon them by mankind through this transmutative action of the Violet Flame. And see that all

mankind bathe in this great sea of Violet Fire until their four lower bodies are completely cleansed and purified. See that all purified energy is taken by angels and used for the freedom of the elemental kingdom and all lightbearers. And let all spaces that are vacant after this purging now be filled with an ever increasing Light until the freedom and ascension of all.

Establish a mighty tidal wave of Violet Fire in the atmosphere of earth and see that it rolls around the planet with ever increasing power, force and action, rolling back and reversing the tide of all that cannot go into the Golden Age. Let it burn through all misqualification of God's pure energy, back through the cause and core of every spiral of degeneration of the seed of evil in the brains, minds and consciousness of all upon this planet, consuming it forever.

And we thank thee that it is done according to God's Will!
