Invocations to Draw Down Their Mantles

Recently Ascended Masters of the 20th Century

Leader:

In this primer, we honor souls who have made their ascension during the twentieth century, but were not a part of the Summit Lighthouse (our first primer covered those). These ascended master were although announced by our Messengers to have ascended. Remember, those who have walked a path to their victorious ascension in the Light, should be our true role models, those whom we should emulate. After all, they have succeeded, they have made it, and they can be our inspiration too, knowing that there is a well-trod path ahead of us, footsteps we too can follow to our victory!

I will read each master's short bio in the italicized print so you can gain or regain a sense of that master's identity. Then we will give the invocation to implore the master's Spirit to fall upon us. Let us begin with...

Saint Frances Xavier Cabrini (1850–1917)

First American citizen to be canonized, described as a "huntress of souls," ascending after a lifetime of missionary work, she lived a lifetime of selfless service to the poor, the sick, those who suffered and were homeless, and she served disenfranchised youth on three continents. Miracles of Mother Cabrini's intercession abound... For instance, a baby, whose eyes and skin were accidentally scarred by a nurse with deadly nitrate solution, was healed through Mother Cabrini's intercession. He later, became a priest and spoke of his miracle healing by the Saint, until his death. Mother Cabrini is also informally recognized as an effective intercessor for finding a parking space. As one priest explained: "She lived in New York City. She understands traffic."

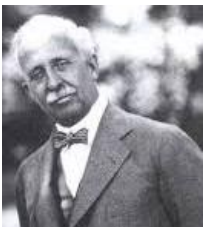

O Lord Jesus the Christ, mindful of Your bountiful goodness and love, I implore You, through the tender devotion of our beloved Mother Cabrini for Your Sacred Heart, to hear my prayers and grant my petition, to receive the flame and mantle of Mother Cabrini, that I may carry on and assist with the care of the children of planet earth that she so relentless fought for... Mother Cabrini, beloved spouse of the Sacred Heart of Jesus, intercede for us that the favor I now ask may be granted.

Saint Pio of Pietrelcina (1887 – 1968)

Padre Pio was a twentieth-century Italian monk who bore the stigmata on his hands, feet and side. He also had the gifts of spiritual clairvoyance, conversion, discernment of spirits, visions, bilocation, healing and prophecy. There are many, many stories of Padre Pio's miraculous intercession. One example is of an Italian pilot during World War II who baled out of a blazing plane. His parachute failed to open but he miraculously fell to the ground without injury... When he told his mother the tale of his escape, she said: "That was Padre Pio. I prayed to him so hard for you." Then she showed him a picture of the Padre. "That is the man!" said the young pilot. He later went to thank the padre for his intervention. And Padre Pio responded by saying, "That is not the only time I have saved you," At Monastir, when your plane was hit, I made it glide safely to earth." The pilot was astounded because the event the Padre referred to had happened some time before, and there was no normal way he could have known about it...

Through the intercession of ASCENDED MASTER PADRE PIO, I confidently beseech you to help me to imitate Christ's example of prayerful holiness and compassion, so that I, too, may faithfully follow the Risen Lord, and one day rejoice in the Kingdom, where you live and reign forever and ever.

J.C. Penny (1875 – 1971)

Mark Prophet in one of his recorded lectures announced Mr. Penny made his ascension, in part due to his strong standards of ethic—and honesty—which he passed on as foundation principles for his retail stores. He was raised in the Christian ethic with an abiding faith in God, very interested in the deeper spiritual values of life. He climbed his way from humble beginnings to the top of the international retail market by an abiding practice of the name of his first store, called the Golden Rule. He made his transition in 1971 at the age 95.

I claim Ascended Master James Cash Penny and his Momentum of the Cosmic Honor Flame; vowing to live by the integrity of the Holy Spirit, the flame of the ascension and the honor of Alpha and Omega.

Cardinal Bonzano (1867-1927)

A prelate of the Roman Catholic Church for many years, where he saw the violet flame while in meditation. Since his ascension, in 1927, the ascended master Cardinal Bonzano has said: "Prior to my ascension... I aspired with all my heart to secure from the hand of God all the wonders that his love could convey. And so I was taught inwardly the law of the violet flame, and I knew an inward communion with Saint Germain..."

I call forth the mantle of beloved Cardinal Bonzano, to overshadow the Catholic Church, that there be the enlightenment of their hierarchy and the freedom of the devout from all fear and ignorance of the true teachings of Christ. And I call to your myriad angels to beam their Light earthward each day bearing messages of Love from you Heavenly Councils and beyond...

Guy (1878 - 1939) and Edna (1886 - 1971) Ballard

Twin Flames and Messengers for the Great White Brotherhood, affectionately known by their students as "Daddy and Mama." And now known as the Ascended Masters Godfre and Lotus.

Through them Saint Germain first released the knowledge of the VIOLET FLAME to the world, as Mr. Ballard gave classes, and talked to large audiences all over the United States. Mrs. Ballard talked over the radio. Together, they reached hundreds of thousands of people. When Mr. Ballard dictated before classes of hundreds, and sometimes thousands of the "I AM" students, at various places in the United States of America. The Master would flash His Words in letters of Living Light before his eyes to read. It is reported that attendees in the first few rows could actually see the Golden Letters of living light materializing the in air in front of him.

Guy made his ascension on December 31, 1931, although the requirements for his ascension had been completed several years before he actually ascended. He volunteered to continue in the service of the Brotherhood as their point of contact in the world of form. As part of his final service while in embodiment, Godfre took on world karma and expiated it through his physical form, thus sparing

humanity great suffering that he himself chose to bear, even as Jesus bore the crucifixion for the sins of mankind.

Edna made her ascension on February 13, 1971. She went through tremendous trials and persecution during her time as messenger. The Master have told us that we would not have the opportunity to give the VIOLET FLAME and ascend "if Saint Germain and Godfre and Lotus had not been willing to bear the utter persecution, the trial, the lies in the newspapers regarding the I AM movement.

Thou wondrous mighty I AM Presence, Almighty God, in the name of Saint Germain, I ever grow in deeper praise, thanks and gratitude to Thee for Thy Life, Light, Love and Intelligent Power manifest everywhere in the Universe! And I invoke the fullness of Thy Majestic Presence, in action now: And I say unto thee, O God, let the power, wisdom and love of your cosmic inspiration flow across this nation, America, in ever-widening waves, extending itself to all nations of the earth and inviting them, by cosmic invitation, to drink of this fount of freedom and liberty, bearing well in mind that men have given not only lives and fortunes and sacred honor for it, but they have also given the allness of themselves.

Sister Aimee Semple McPherson (1890–1944)

American evangelist, Founder of the Angelus Temple and the Foursquare Gospel, embodied as Mary Magdalene, now the ascended Lady Master Magda, twin flame of Jesus. Magda explains, that "in my life as Aimee...those years were indeed arduous, for I had not embraced the violet flame that was being released when I was serving in California. Thus, with all that I had of Jesus' love and all of the service I gave throughout the world (even traveling to the far corners of the earth), when I passed from the screen of life, I still had my karma to deal with. And then it was, that I saw and understood and accepted the violet flame... Do you realize that I served in the Angelus Temple in Los Angeles at the same time that Guy and Mama Ballard were also preaching and giving the teachings of the violet flame?

How tragic it is that so many have become locked into orthodoxy so that they cannot open their minds and see the shafts of violet flame that permeated the auras of the saints who came out of the I AM movement and made their ascensions precisely because they accepted Saint Germain's violet flame. How wondrous it is that the violet flame has saved so many souls, that it has lightened their load and brought them to that place where they could make their ascensions!

I call to Lady Master Magda, who carries the torch of hope to all who are seeking the higher way, and I invoke her particular momentum and ability to rise from the lowest state of consciousness to the highest—overnight. I claim the Mantle of ascended lady Master Magda and the presence of Christ Jesus with her! Help me to yield my life completely to the Christ within that I may embrace the Christ who stands in the center of my own temple of Being.

Daniel Rayborn and his twin flame, Nada Rayborn

Much of what we know of the lives of Daniel Rayborn and Nada Rayborn is from Godfré Ray King's book—The Magic Presence. Godfré first met Daniel Rayborn in the summer of 1930 at the Brown Palace Hotel in Denver, after receiving a letter of introduction to him from Saint Germain. Daniel and Nada received training directly from Saint Germain. The instruction and assistance given them by the masters enabled each of them to make their ascension. Daniel ascended in 1931 in the Cave of Symbols with the assistance of the atomic accelerator, and Nada many years before that.

Blessed Great Divine Director, ascended twin flames, Daniel and Nada Rayborn, I pray for a reactivation of your dispensation, released in 1963, that a beam of Light substance pass through the substance of this chair that I sit in now, for an action of one percent radiation of the atomic accelerator to quicken the atomic vibration of my four lower bodies. Let it be done according to direction of the Great White Brotherhood for the Glory of God. Amen.

Rex and Nada Rayborn & Pearl and Bob Singleton

Ascended Master Youth who lived in the twentieth century in the United States. They have a tremendous momentum of devotion and service to children and youth...They received the initiations for the ascension under the auspices of the Great Divine Director, Saint Germain, Lady Master Leto and the messengers Godfre and Lotus in the 1930s. They were also embodied together at the time of Enoch, and three of them were embodied as Shadrach, Meshach and Abednego, being prepared for many centuries for the physical ascension, which they made in March of 1933. In their final embodiment, Rex and Nada were the teenage son and daughter of Daniel and Nada Rayborn, whose ascensions preceded those of their children. Bob and Pearl Singleton were brother and sister who were also students of Saint Germain. The Master revealed to them that Rex and Pearl were twin flames and that Bob and Nada were also twin flames.

Come! Rex and Nada, Bob and Pearl with your mandala of twenty-five thousand ascended master youth from Venus to sponsor and raise up the children of earth, and young people everywhere. Blaze the flame of eternal youth through me, and for people of all ages!

David Lloyd

An unascended master told David Lloyd as a young man that one day he would find a man on a mountain in North America who would hand him a crystal cup containing the elixir of life and that he would assist him in raising his body. After fifty relentless years of continuous searching, amidst great trials, he met Godfré Ray King on Mount Shasta. At that moment, a crystal cup filled with living liquid light formed in Godfré's hand, which he offered to David. And as David Lloyd drank the elixir, his youth returned, and he rose from the ground into his physical ascension.

Ascended Master David Lloyd, charge me with your feeling and momentum of desiring the ascension which was built up over your fifty years of relentless searching... make me feel your desire of searching, searching, searching for the key to the greatest mission on planet earth—the ascension—and the joy of its victory! Place your mantle over me and let me feel the joy, the absolute joy, to be forevermore free from all earthly limitation!

...

Leader:

Let us give the closing prayer of our ritual... together...

I claim my ascension in this embodiment! and I invoke the Cosmic Power of the Ascension Flame to raise me and 'all' life into God's Glorious Perfection, and the Victory of the Ascension, the Original Divine Way, without passing through the change called 'death'

O my Father!... O my Mother!... I AM coming home!
I AM coming home! I AM finally coming home!
Amen.
