

“Wherever You Are Is Infinity”

Dear Hearts of Light,

“Wherever you are is infinity...Let us know that we need not wait to pass from time and space to experience the Infinite One.”

-From “Wherever You Are Is Infinity”, pg 223, “The Great White Brotherhood in Culture History and Religion of America” by Elizabeth Clare Prophet

As Paul said, “I die daily”, so the Ascended Masters have said we ascend daily, in spiraling increments, some initiations most challenging and others barely perceptible. The Light we carry we seek to maintain, to bring with us wherever we are if we can but sustain the harmony in all we face: the news, the wars across the planet, ancient karma playing out on a personal and planetary scale.

But within that orb of God’s consciousness lies our True Beings, vast whirling universes within our own four lower bodies.

“Do you not realize, beloved ones, that the secret of the universe is Divine Love? You have a universe of light within every atom of your being. The planets that revolve around the center [of that atom] are points of light energized from the Father’s heart, and you know that without harmony within your members, the very cells, by warring with one another, do eventually decay.” Vol. 42 no 37 Lady Master Venus November 5, 1966, in Los Angeles, California

Come and join us this Sunday as we seek to raise and expand the fiery core of the nucleus of God within us through experiencing the teaching on the Ritual of the Atom.

In the Divine Universality of Your Being,
Rev. Judith Smith

Teach me to walk in the light of his love;
Teach me to pray to my Father above;
Teach me to know of the things that are right;
Teach me, teach me to walk in the light
Come, little child, and together we'll learn
Of his commandments, that we may return
Home to his presence, to live in his sight--
Always, always to walk in the light.
Father in Heaven, we thank thee this day
For loving guidance to show us the way.
Grateful, we praise thee with songs of delight!
Gladly, gladly we'll walk in the light.
