

**Friends of Freedom, Arise  
and Take Dominion in the Earth**

In the name of the beloved I AM Presence, in the name of the living Christ in all of God's children, I invoke the hosts of the LORD. Come forth, O legions of victory, legions of love—in the name of Jesus Christ, Gautama Buddha, Lord Maitreya, and the Ancient of Days.

By the love fire within our hearts, we invoke the intercession of angelic hosts of light. Beloved Archangel Michael, beloved Archangel Jophiel, beloved Archangel Chamuel, beloved Archangel Gabriel, beloved Archangel Uriel, beloved Archangel Zadkiel, beloved Archangel Raphael, blaze forth thy light!

We call for the manna of the living Word to descend. Let the people of God upon earth be nourished in their bodies and in their souls. And by thy true nourishment of the living bread who is come down from heaven, so let these children of God, worlds without end, be filled with thy light, sustenance, enlightenment, and living flame of freedom.

Seven holy Kumaras, we invoke thy intercession. We call for the piercing light of cosmic justice to descend and expose the seed of the wicked who seek to divide and conquer the people of God upon earth.

Beloved Sanat Kumara, we call for thy intercession in the Americas—North and South and Central America. We demand the exposure of the manipulations of the fallen ones, of the abundant life of this people.

O hosts of the LORD, we are gathered to be instruments of freedom. O hosts of the LORD, come forth! Use our hearts in these days of the celebration of freedom to increase the light of the angelic hosts, the light of freedom unto the nations of the earth.

Beloved Lords of Karma, we implore intercession. Beloved mighty Victory and your legions of light, go forth! We send you now into Central America, into Nicaragua, for the feeding of the people and for the resolution of all injustice.

We call for the exposure of the lie and the exposure of the truth. Let the living flame of truth be made known! Let freedom be manifest! Let there be the binding of the seed of the wicked right and left! And let the true children of the light, the sons and daughters of God, rise up and take dominion in the name of the I AM THAT I AM.

In the name of Almighty God, I call for friends of freedom to arise and take dominion in the nations of the earth.

O beloved Saint Germain, send now the hosts of the LORD. Send the Faithful and True and his mighty armies. Let them go forth and deliver the people of God in the earth. We decree it in the name of El Shaddai, in the name of Elohim, in the name of the I AM THAT I AM. So come forth, O mighty Threefold Light.

Brahma, Vishnu, and Shiva, in the name of the living Son of God, in the name of the Mother, we call forth thy light. We demand it by cosmic law! We command it in the name of the living Word! We accept it done this hour in full power—the full power of thy love now manifest to us in the acceleration of thy Ruby Ray.

So let the Blood of Christ and the Body of Christ go forth for the redemption of earth and her peoples. Amen.

87.09            O Threefold Flame of Shamballa,  
                   Burn On in the Living Flame of Our Witness!

In the name of the light of God that never fails, beloved Lord Alpha and Omega, we come before thy altar in the Great Central Sun in the name of the Son of God, Jesus Christ, Saint Germain, in the name of the Archeia Mother Mary, in the name of the entire Spirit of the Great White Brotherhood ascended and unascended, worlds without end. We present ourselves the living sacrifice, bearing willingly in this hour the burden of the LORD.

We call forth thy light, O God. Assist us now. Accelerate this threefold flame that is thy gift upon the altar of our hearts. Accelerate the Christ flame within us, the flame of Mother Liberty, that we might hold the balance until every wrong is righted in the Middle East, until there is the raising up of the Christ standard and the bending of the knee before thy living Son.

We ignite these threefold flames by the authority of thy Word within us. Let these token flames burn on as the symbol of thy gift of life to earth and the freewill, co-creative choice it gives unto us to be with Thee and with Elohim, to be with Thee and archangels and the Maha Chohan and the chohans of the rays.

O threefold flame of Shamballa, of Sanat Kumara, Gautama Buddha, Lord Maitreya, and Lord Jesus, burn on in the living flame of our witness! Burn on, O mighty sacred fire! Let thy will be done in us daily. Let the compelling action of the threefold flame expanding now so expand so that each one who bears upon him an increase of world weight may also have the increase of the unfailing light of God. Expand, expand, expand, O mighty threefold flame within our hearts! Expand in our living witness.

Beloved Lord Maitreya and Cosmic Christs, come forth for the upliftment of all the race. O Great Silent Watcher and Elohim Cyclopea, carve within us now the perfect image of the Christed One. Seal us now in the light of Vaivasvata Manu, Lord Himalaya and the God and Goddess Meru, and the Great Divine Director. Seal us now, O living Word! Light of God that never fails, seal us in thy immaculate victory!

I call for the veil of the Cosmic Virgin. I call for the sword Excalibur. I call for the crowning rose. I call for the shield of faith, and I call for the helmet of righteousness. Protect and seal these who have made themselves a part of the armies of the LORD.

O how we love them, God. Amplify our love, that this love might be the fertile soil, the dewdrop and the rain, the sunshine and the joy that allows them to grow and expand and become the fullness of that God flame.

O crowning rose, crown us all with the great victory of thy light. [song 42 (80)]

Camelot, Calif., 7-2-82.

87.10 All-Seeing Eye of God  
for the Vision of Our Fiery Destiny

In the name of the light of God that never fails, I call forth the intense action of beloved Elohim Cyclopea. I call forth the great expansion of the God flame.

I call forth the light of ten thousand suns—Elohim of God and Great Silent Watchers holding the immaculate concept with the Cosmic Christ for our lifewave, for our evolution, for the root races of planet Earth, for the I AM Race of Sanat Kumara in whom there dwells the Mighty I AM Presence and threefold flame.

In the name of the Father and of the Son and of the Holy Spirit, in the name of the Mother, I invoke the presence here of the Seven Holy Kumaras, mighty Victory and legions of light, beloved Omri-Tas and 144,000 priests of the sacred fire from the very heart of the violet planet. \*I call forth the action now! In the name of the light of God that never fails, I invoke the descent of light from the very heart of Sanat Kumara! I call to the Seven Holy Kumaras. I call for the manifest light of the Great God Flame of each one's own Mighty I AM Presence.

Beloved Lord Maitreya, beloved Kuthumi and Lord Jesus Christ, World Teachers, beloved Lord Gautama Buddha, we call for the enlightenment of all mankind and especially the seed of the son of Jacob, the seed of Joseph in the very person of Ephraim and Manasseh.

We call for the seed of light, the seed of Abraham, the seed of Sanat Kumara, the seed of Christ in whom dwells the mighty threefold flame, the seed that has not compromised by interaction with the laggard evolutions or the fallen ones or the Nephilim gods or their mechanization man. We call upon those who are spotless and blameless and without fault before the living Word.

Let these individuals of light be cut free! Let them be drawn into the worship of their own Mighty I AM Presence. Let them be cut free, O living Word—those in whom there yet burns the threefold flame of life because they have upheld it.

I call for the action of the Great God Flame. And I demand the binding of those upon this planetary home who are the usurpers of the office of the Christed ones, in whom there does not burn a threefold flame.

Beloved Great Divine Director and Lords of Karma, beloved Vaivasvata Manu, beloved God and Goddess Meru, beloved Lord Himalaya, we call for the light of ten thousand suns. We call for the judgment of the twelve tribes and of the fallen ones who have interspersed themselves in their midst and called themselves the descendants of Jacob when they are not the descendants of Jacob.

I call to the great victory of the God flame! I call for the full power of the Mother light to descend in the Middle East! I call for the activation of the white fire by the violet flame, and the violet flame by the white fire. I call for these twin pillars of fire blazing here this day to focus the light of Alpha and Omega for the victory.

Beloved All-Seeing Eye of God, Cyclopea, Goddess of Liberty, Great Karmic Board, beloved Nada, Kuan Yin, Portia, beloved Pallas Athena, Great Divine Director, we call upon you now in the hour of earth's victory.

We call upon the victory of the Great God Flame!  
We call upon the light of God that never, never, never  
fails! And unto this victory we sing: [song 172 (173)]

Camelot, Calif., 7-3-82.

87.13           Bind the Hordes of War, Abortionists,  
                  the Titans and Mighty Men of Old!

In the name of God, Elohim, I call forth the light of  
Sanat Kumara. Beloved Seven Holy Kumaras, come  
forth in the great victory of the God flame!

Beloved Four and Twenty Elders, I call in the  
name of the four cosmic forces—the Lion, the Calf, the  
Man, and the flying Eagle:

Let the full power of the Lord Jesus Christ, Lord Maitreya, Lord Gautama Buddha, Lord Sanat Kumara take dominion in the earth. Bind now Death and Hell! Bind the hordes of war upon this planetary body! Bind the astral hordes out of the pit that make war against our children and against our youth!

I summon all the hosts of the LORD—Archangel Michael, Jophiel, Chamuel, Gabriel, Raphael, Uriel, Zadkiel, Uzziel. Mighty archangels of the living fire, in the name of the Son of God, in the name I AM THAT I AM, Jesus Christ, Maitreya, Gautama, Sanat Kumara:

*Blaze* the light of ten thousand suns! *Blaze* the light forth! *Blaze* the light forth from the very heart of the Sun behind the sun, from the white fire core of each one's own being!

Let the light descend in this hour for the defense of life on earth. Bind abortion and the abortionist and every hand that is laid against the holy innocents, the Christed ones, the people of God evolving upon planet Earth!

I demand the rolling back of all opposition to the governments and the economies of the nations. I call forth freedom in the very heart of life, in the very heart of America. Let the mighty flame of cosmic freedom consume now the cause and core of all tyranny and the totalitarian consciousness of the tyrants in the earth.

*Bind* then the Titans! Bind those giants, the captains and the kings and the mighty men of old who have roamed the earth, devouring man and beast. *Blaze* the light through!

Let the souls arise. Let Cosmic Christs descend for the salvation of earth and the fulfillment of the divine plan.

In the name of the Manus—in the name of the Great Divine Director, Lord Himalaya, Vaivasvata Manu, and the God and Goddess Meru—we call forth intercession for the light and the people of light on earth.

*Blaze* forth, O living Christ! Let God's will be done as we ignite these flames and summon the

Fourteen Ascended Masters who govern the destiny of the I AM Race.

In the name of the fourteen stations of the cross of our LORD, we seal our prayer in the heart of Mother Mary, that she may succor and intercede for us, in the name of God, I AM. [decree 5.00]

Camelot, Calif., 7-3-82.
