

I demand every individual within the halls of government now be *sealed* in the flame of freedom! Be *sealed* in the flame of justice! Be *sealed* in the flame of the Ancient of Days!

I call now for beloved Saint Germain to prepare the four lower bodies and consciousness of our leaders for all meetings and circumstances that must be sustained by the Great God Flame. *Blaze the light through! (3x)

In the name of Jesus Christ, we call for all forces of cosmos and of freedom to awaken this nation. I call for a sudden and mighty awakening of our people by our Saviour Jesus Christ, the Cosmic Christ Lord Maitreya, Gautama Buddha, the nine Buddhas out of Nirvana, and the nine in embodiment. *Blaze the light through! (3x)

I call upon the causal bodies of Light of every citizen of the United States of America, and I call for the quickening of the mind of God in them and in our representatives in Washington. I call for the quickening of vision. I call, therefore, in fact, for a step-down of the initiation of the Lords of Karma which took place at the Inner Retreat to also take place among the members of this government. *Burn* right through and let them see the vision! And let them know the touch of the torch of the Goddess of Liberty.

Beloved Mighty I AM Presence, Almighty God, beloved Father, descend now for the awakening of America. *Bind* all those who keep from the American people the truth and the facts concerning this entire planetary body and the conspiracy against the Light and the conspiracy against Freedom and the conspiracy against the birth of the great age of Aquarius! Blaze the light through!

In the name of the entire Spirit of the Great White Brotherhood, America, we command you:

America, awake I AM THAT I AM! (10x)

[song 698 "America, Awake! I AM THAT I AM"]

Rejoice that our God is come into the earth and into your hearts in this hour, and purge the earth of that fear and hatred that breeds terrorism and would take from you any one of these little ones!

— Portia, Pearls of Wisdom, February 16, 1986
