

Call for Binding the Backlash

We call for the binding of the tail of the great dragon Tiamat as it swings as a *backlash* against the sons and daughters of God and against the Holy innocents. We call for the victory for those who are ready to draw forth the Light and challenge the tail of the great dragon-to challenge the misuse of the Sacred Fire and the tail of man's own carnality.

Bind the misuse of the Mother flame manifesting as the tail of the dragon, as a crescent hook drawing in energy to nurture the dragon and the fiery breath of the dragon. Bind the tail of that dragon! I demand the chopping off of that tail and I demand that light be returned to Alpha and Omega, be requalified and returned to our heart flames.

We call for the judgment of the Satanic hordes in chaos and in a fury without their leader and for the *backlash* of that remnant of his seed.

Archangel Michael, seize and bind those astral forces preying upon the innocent, and protect our families, children, loved ones from all *backlash* from those serpents.

We rush to send into that darkness, into that sinister force, billows and streams of cosmic Light descending.

We call that the wall of blue flame and the sphere of blue flame meet that revenge of the fallen angels and their momentum of revenge that has been smoldering as resentment for aeons against the Light and the Lightbearer and that when the Darkness comes it may instantaneously be deflected and go back to its source. And may the source of Darkness be destroyed by its own evil intent.

Archangel Michael protect ourselves and our families that the *backlash* of witchcraft does not cause them to become crazed and behave not as their usual selves and the riptide tear them from the path of their First Love.

We call for that protection from behind us as we continue on the awesome climb up the highest mountain.

We call to Archangel Uriel to place his electronic presence over us and ask that every erg of misqualified energy being directed against us and the light for which we stand be as it were directed at Archangel Uriel, and that all those sending forth this negative energy receive the full power of the judgment on the return current!
