

Opening Invocation: Anoint Thy Beloved

Music: "Evening Star" from "Tannhäuser" by Richard Wagner

In the name of the beloved mighty I AM Presence of all life, I invoke the light of Alpha and Omega from out the heart of the Great Central Sun. Beloved Lords of Flame, Seven Holy Kumaras, step forth. Anoint thy beloved. O white fire of the ascension flame from out the heart of the Great Central Sun, descend in the name of the Lamb.

Beloved Lord Maitreya, come forth in the name of the Lord of the World, Gautama Buddha.

Beloved Lord Jesus Christ, anoint each one as we come forth bathed in the violet flame, attended by violet-flame angels. So impart to us the garment of light that we might prepare for the marriage of the Lamb. Lord Sanat Kumara, come forth in the flame of victory. Come forth in the flame of the victory of love for every keeper of the flame, worlds without end.

I invoke the light of Mother Mary, Archangel Raphael. I call unto the mighty seraphim. Let the deathless solar body be fashioned out of the threads of the soul's own purity. Let the day of the ascension appear. Let it draw nigh unto each one. Let the light of the transfiguration descending now from the Holy of Holies become that God-reality that one day each soul shall indeed return to the heart of God.

Beloved mighty seraphim, ignite these candles as we keep the vigil of the Holy of Holies with holy angels, with the seven holy Kumaras, with our brothers and sisters of the Royal Teton Retreat. Beloved Seven Archangels, come forth.

Opening Invocation: Anoint Thy Beloved

Music: "Evening Star" from "Tannhäuser" by Richard Wagner

Beloved Archeiai, let there be the anointing of these chalices. Let the seven chakras of being now unfold.

Light, cycles of light, frequencies of the sacred fire, let every keeper of the flame receiving now the touch of Lord Gautama Buddha receive the infinite light, feel the expansion. Let the acceleration come, beloved Lord Sanat Kumara. Let the earth be changed. Let the new age appear. Let the golden crystal cup of life, the light of Aquarius from the heart of Saint Germain and Portia be unto one and all that cup of life, even the cup of the Saviour and the Lord unto us all.

Mighty hosts of the LORD, we call unto thee. Let the light of the Divine Mother perfect the image of the Christ where I AM, where the I AM THAT I AM touches and expands the threefold flame of every heart. In the name of the light, the true light that lighteth every man that cometh into the world, I AM THAT I AM. In the name of the Father, of the Son, and of the Holy Spirit,

AMEN
