## **The Judgment of Abortion and the Abortionist**

by Archangel Uriel

March 10, 1974

Ho! I AM come in the fullness of the flame of the Prince of Peace! I AM Uriel Archangel! I AM Uriel of the Light! And I come to intensify the spirals of light! And I come to intensify the spirals of darkness, for judgment is come upon this planet and this people this day.

I come directly from the Court of the Sacred Fire on the God Star Sirius, where the judgment of the Four and Twenty Elders is meted out. I come then with a proclamation for the fallen ones.

Fourteen months ago you were given opportunity to bend the knee, to confess the Christ—the Christ as the light of every man, the Christ as the mediator. In fourteen months some of you have responded. Some of you have come into alignment as you have felt the white heat of judgment drawing nigh. But others have stood with the forces of rebellion and have resisted the mercy of opportunity.

To you I say, this day the door of opportunity is closed. And my angels and legions of Sanat Kumara and of the Son of God are waiting even now at the very door to separate the fallen ones from those who have chosen the path of light. And they shall be bound and separated and cast into outer darkness where there shall be weeping and gnashing of teeth.

The notable day of the Lord's victory is at hand. The light is oncoming and judgment is rendered. This day the judgment of Antichrist is proclaimed. Specifically, all those who have aligned their consciousness against the Son of God receive the judgment of the Most High God.

I come then before the Court of the Sacred Fire to plead the case of the holy innocents, those innocent ones who have volunteered to come to earth and whose life has been snuffed out by the hand of the abortionist. I plead on behalf of those souls who cry out in their mother's wombs and who are at the hands and at the mercy of the dark ones, scientists of Atlantis and those whom they have perverted.

And I say: In the name of God this day, all who have promoted, all who have served to legalize abortion, all who have declared abortion as a legal means of murdering the Christ stand as judged before Almighty God. And every state and every nation which has consented to this crime against the Christ must also be judged with Antichrist. For to murder the holy ones is to murder God as flaming potential — is to crucify him anew. Better for these that a millstone were hung about their necks, that they were cast to the bottom of the sea, than to receive this judgment. I say then, come out from among them and be a separate people; for judgment is nigh and the descent of that judgment will be swift and sudden.

You have heard of the ten thousand and one who would descend to earth. Now I declare to you the abomination of desolation standing in the holy place where it ought not! Some of these little ones who came forth with valor and courage have already been aborted at the hands of these scientists! Those who hold the sword of Herod to kill the newborn child have done their work, and thus the earth is judged this day. I tell you before the Court of the Sacred Fire, their souls are undaunted. And these holy ones, when we can find parents who are true and honorable in the sight of God, will come forth again. And the manifestation of the ten thousand and one will not be denied, will not be held back!

I say to all: Woe to you who have prevented the cycles of manifestation! Woe to you who have aborted the Christ consciousness! I say this day: By the hand of the Great Divine Director, there is released the spiral of the abortion of the

fulfillment of the divine plan within you. You shall go back to that place of darkness, and you shall know that which you have inflicted upon life until every jot and tittle of the law is fulfilled. One day you will stand before the Lords of Karma and plead for life, for opportunity, for incarnation; and it will be denied. And not until the last farthing is paid will opportunity be granted again to you for incarnation.

Let those who have chosen the Christ and to sponsor the Christ align their energies with the Christ consciousness in every facet of being. For when the judgment of Antichrist and those who are a part of this vicious misrepresentation of the law is meted out, I tell you it would be better that you would be aligned with light totally than to preserve one erg, one facet of consciousness of the carnal mind, lest you be scorched by those sacred fires that shall surely come upon those who have done this wicked thing in this age.

America, repent! Repent in this hour, for the time is short and the Lord God of Hosts himself is come down to you with great wrath! And the wrath is the kindling fire of the Holy Ghost and the action of the law. And it shall divide the way of light from darkness. Therefore, O people of light, come apart and declare the truth! For God in you is yet able to raise up a community for light-bearers to preserve the light and the law for a golden age.

I have spoken out of the mouth of God for and on behalf of the Four and Twenty Elders. And you will hear the fullness of their message and of this judgment at the Convocation of the New Birth. My sword is thrust into the ground, and it transmits the rod of fire from the altar of the Most High God! And the atoms of the earth do quiver and tremble as the electrode of Almighty God brings into alignment light with light, darkness with darkness, that it might be no more, that death might be swallowed up in victory.

My legions come forth; and they gather north, south, east, and west the souls of the holy innocents who have been sacrificed at the hands of the modern Herods. The souls are garnered into the storehouse of the Lord; and they shall be kept

there for a time, times, and a half a time until the opportunity is extended to mankind once again to bring forth those whom they have murdered. They know not that they have pronounced already the death of their own souls by this act and that they could not in all eternity destroy life, for life is God. And the law is the law. And that law is pronounced this day as judgment. So be it.

## THE MOTHER'S PRAYER

In the name of the Christ, we call to the heart of Archangel Michael. We call directly to the legions of light who manifest the flame of the guardian action -I AM the guard! I AM the defender of the faith! We call for an invincible Cosmic Christ protection for the holy innocents, for those who are awaiting birth. Let them receive the protection of the Holy Ghost. Let them be sealed in white fire. Let them be delivered into the hands of the Cosmic Virgin.

In the name of the Father, of the Mother, of the Son, and of the Holy Spirit, we take the flame from our hearts and we do sponsor, in the name of the Divine Mother, souls aborning, yearning to be free, yearning to breathe the air of Terra, and longing to serve to set mankind free. We stand before the Court of the Sacred Fire this day and we say, "Come unto me, all ye who labor and are heavy laden, and I will give you rest."

We stand before the Four and Twenty Elders; and we take upon us in the heart of the Christ the responsibility for the protection, the nourishing, the training, and the giving of life to those who are assigned to us. And this is our prayer before Almighty God—that the mighty Elohim might deliver into our hands this day the means to create that cradle, that forcefield, that community wherein souls may come forth freeborn, whole, as the mandate of our Creator.

In the name of Alpha and Omega, O Lords of Karma, we would run this race for the Lord and for these holy ones. Send us, O God! Send us, O God! O God, send us on our way! And

let us deliver this mandate unto the age, that the ten thousand and one, and millions besides who must come forth, shall be delivered.

Beloved Mary, beloved Joseph, beloved Jesus, we ask in the name of God that you seal the flame of the Holy Trinity, of the Holy Family, and that the forces of Antichrist working to tear down the sacred unit of the family in society shall be rolled back by the mighty archangels, shall be bound so that the golden age man and the golden age woman can come forth through those united in God's love.

O God, we are grateful to have our bodies—a temple for the soul and for the Holy Ghost. Let the energies of our Causal Bodies be used daily and hourly to defend this opportunity on behalf of all life. Send us, O God! Send us, O God! We hold the hope of heaven in our hearts, and the hope of the new day and the new age. And we are determined by the flame of mighty Victory that nothing shall stop the fulfillment of the divine plan of this age. So let it be delivered through our hands. We decree it in the name of Saint Germain for the fulfillment of the Aquarian cycle. So reign, O Jesus Christ!

## RUTH HAWKIN'S VIOLET FLAME CALL

Beloved Mighty I AM Presence, beloved Alpha and Omega in the heart of God in our Great Central Sun; beloved Saint Germain; beloved Portia; beloved Archangel Zadkiel; beloved Holy Amethyst; beloved Arcturus and Victoria; beloved Kuan Yin, Goddess of Mercy; beloved Mother May and beloved Jesus, beloved Great Karmic Board, the entire Spirit of the Great White Brotherhood and the World Mother; elemental life: fire, air, water and earth:

In the name, power and authority of my Holy Christ Self, I demand that there be a great swelling of the Violet Transmuting Flame in, through and around the planetary body.

Double it each hour and fill the interior of the earth and Virgo and Pelleur's kingdom with a powerful, roaring action of the Violet Flame, creating such a pressure that it is forced out in every direction through the substance and structure of the planet.

See that it pours through all caves, caverns and subterranean passages, dissolving all the old records, density and carnal creations. See that it forces out all entities, black magicians, witches, warlocks and demons, and that they are seized, bound, and removed from this planet forever and disposed of according to God's Will.

See that this great blowtorch action of the Violet Flame fills the atmosphere up to 10,000 feet, and that not one atom escape its purging power. Let the elementals, gnomes and nature spirits be stripped of their density, discord, and pollution that has been imposed upon them by mankind through this tramutative action of the Violet Flame. And see that all mankind bathes in this great sea of Violet Fire until their four lower bodies are completely cleansed and purified.

See that all purified energy is taken by angels and used for the freedom of the elemental kingdom and all Lightbearers. And let all spaces that are vacant after this purging now be filled with an ever-increasing Light until the freedom and ascension of all.

Establish a mighty tidal wave of Violet Fire in the atmosphere of earth and see that it rolls around the planet with ever-increasing power force and action, rolling back and reversing the tide of all that cannot go into the Golden Age. Let it burn through all misqualification of God's pure energy, back through the cause and core of every spiral of degeneration of the seed of evil in the brains, minds and consciousness of all upon this planet, consuming it forever.

And we thank thee that it is done according to God's Will!

And in full faith, etc.

# The Agreement Call

In the name of my Mighty I AM Presence and Holy Christ Self, In the name of the Mighty I AM Presence and Holy Christ self /selves of: everyone gathered both here and on the patch.

We agree together in the name of our Lord and Savior Jesus Christ that:

This Rosary be directed into the causes and cores of abortion in this nation: legalized, government-sponsored and tax supported which are the causes of the possibilities of nuclear war and earth changes that could surely come because this practice continues.

That this Rosary be directed into these conditions and multiplied by all of the dispensations the Great Law will allow to defeat these situations once and for all.

That the Ascended Masters, Sanat Kumara and the entire Spirit of the Great White Brotherhood take complete command of these situations of continued abortions, those who are doing, considering, propagating, supporting and condoning the practice and to turn this around into a complete God Victory.

That we be shown the impact and effect of these calls in order to help us build and sustain such a momentum that we will have this victory now, and that by this action we will have the negative prophecies stayed and the Golden Age come forth.

We also agree together that:

“No Light be given unlawfully, unauthorized to any part of Life where there is not the commitment unto the soul's salvation unto the worship of her God.”

And that our desires be purged by the Sacred fire until it becomes God-desire and that our prayer be the prayer of the Son of God within us, wholly acceptable as an offering in the sight of God and His holy angels. And we give to our Christ Self the authority to disavow any vow, dynamic decree, will or intent, reason, motive, or cause that does not express the God-harmony, God-love, and God-truth of his Presence.

And that we, and those to whom we are karmically tied and our spheres of influence across all planes of consciousness and all time and space. Will be completely and totally protected from the forces of darkness and all backlash from this call and subsequent actions for the turning around of this situation.

According to Gods Holy will, let it be done. Amen.

Therefore, beloved Mother Mary, take these calls and multiply them for the victory of ourselves, our Church, the United States, this planet and all who serve the Light.
