

Hercules' and El Morya's Calls on UFOs and the ICCC
(Suggested use: After the Alternate Preamble)

I say, Tear the mask from the [ICCC]! Tear the mask! Tear the mask, O Elohim of God! Expose them to all the world!

We, the Elohim of God, decree the withdrawal, therefore, of their stolen light of the Divine Mother. Let it be returned to her causal body now! I, Hercules, decree it.

Therefore, the maya, glamour, illusion, and the raising up of those vibrations of psychotronics out of the spacecraft and their physical tools—these go down in this hour as legions of Hercules enter that fray to demagnetize physical Cosmos of these abusers of the Divine Mother's sacred fire.

I say to all fallen ones of the International Capitalist-Communist Conspiracy, You have no power! In the name Hercules and Amazonia, the Cosmic Christ, I tear from you the mask of all conspiracy and glamour and of the Lie and the Murderer.

You have no power! Your day is done! Your evil is not real! Its appearance has no power! Go down to the sides of the pit, ye fallen ones! For Hercules is waiting with cosmic legions to bind you in bundles and take you from our planetary home.

We, the Keepers of the Flame, do decree it and do challenge by the authority of Almighty God your entire posture throughout the Matter Cosmos. It is done in the name of the Father! It is done in the name of the Son! It is done in the name of the Holy Spirit! It is done in the name of the Divine Mother! [adapted, Hercules, Aug. 10, '87]

We call for a blue sphere around the planet at the line of the physical and where the physical meets the astral plane.

We command the hosts of the Lord bind and remove from the earth all UFOs and bring to judgment their channels in the International Capitalist/Communist Conspiracy.

We take our stand for the throwing out of all peace offers to the seed of Satan and the seed of the UFOs. We say to them and we say to the spacecraft, In the name of Sanat Kumara, your day is done! Get thee hence! You have no power over the Lightbearers of the earth. Let them be turned back, O Elohim of God. For the day and the hour is come! [adapted from El Morya, Aug. 8, 1987]

CALL TO SURYA FOR THE JUDGMENT OF THE BOTTOM 10 PERCENT OF THE FALLEN ONES

In the name I AM THAT I AM ELOHIM Saint Germain,
Portia, Gurnu Ma, Lanello, Padma Sambhava, Kuan
Yin and the Five Dhyani Buddhas,
In the name I AM THAT I AM SANAT KUMARA

Gautama Buddha, Lord Maitreya, Jesus Christ OM
VAIROCHANA * AKSHOBHYA * RATNASAMBHAVA
AMITABHA * AMOGASIDDHI * VAJRASATTVA OM

In the name of my Mighty I AM Presence and Holy Christ Self, I call to Surya in the God-Star Sirius and to the Mighty Blue Eagle from Sirius, I claim the authorization by Surya from Alpha and Omega and I call for the judgment by the lowest ten percent of the evolutions of the planetary home—the dark ones who carry nothing but destruction and viciousness and the malignancy of the murderous intent in their auras and in their four lower bodies. Bind in this hour the individuals in every nation, in every race, in and out of the courts of Church and State, who are the lowest common denominator of the bottom ten percent representing Absolute Evil, who must be brought to the judgment by our perpetual calls.

In the name of Helios and Vesta I ratify the judgment of the bottom ten percent of the evolutionary scale, those who have amalgamated the cause of Absolute Evil and therefore themselves become depraved even in their sophistication, those who occupy key positions in the banking houses, the governments, the institutions of the nations, and everywhere holding a voice, a position, and a mask of authority when within they are ravening wolves.

In the name of Alpha and Omega, authorized by Surya and Cuzco, I make haste to enter speedily into those calls for the removal from the planet of those lifestreams who simply will without question cause the destruction of the earth unless

something be done. I claim this dispensation in answer to a call that was made a number of years ago by the Messenger for that selective and discriminatory judgment whereby the aversion of cataclysm may come when the darkest of lifestreams whose karma is the very cause of that cataclysm are removed.

I call now for the opening of the way to withdraw certain lifestreams from the earth who otherwise could not have been withdrawn, for the removal of those whose very death itself would have produced the imbalance and the cataclysm feared by God and man alike.

I call in the name of the Christ and the legions of the Faithful and True to truly take the dark ones from the planetary home, for the removal from that home of all of the roots of evil and karma and the interconnection of those lifestreams in a network of darkness, for the removal of those who are a part of the "beast," the conglomerate, the "amalgamate" of forces and consciousnesses that become part of a computer—a mind that has extensions [tentacles] and works simultaneously in many manifestations of individuals engaged in international organized crime, including World Communism, which is nothing but organized crime on the level of the state.

This I decree in the name of the I AM Presence and Christ Self of Every Lightbearer on this planet, according to God's Holy Will and in his time and Cosmic Cycles and I accept it done this hour in full power.

Beloved Surya, 1985 *Pearls of Wisdom*, vol. 28, no. 24.

**Agreement Call
for the 1000 Kuan Yin Mantras**

In the name of my Mighty I AM Presence and Holy Christ, Self. In the name of the Mighty I AM Presence and Holy Christ Selves of all gathered here, we agree together in the name of our Lord and Savior Jesus Christ for:

1. These Kuan Yin Mantra's to be directed into the causes and cores of abortion in this nation, legalized, government-sponsored and tax supported which are the causes of the possibilities of nuclear war and earth changes that could surely come because this practice continues.
2. That these Kuan Yin mantra's for Oneness be directed into these conditions and multiplied by all of the dispensations the Great Law will allow to defeat these situations once and for all.
3. That the Ascended Masters, Sanat Kumara and the entire Spirit of the Great White Brotherhood take complete command of these situations of continued abortions, those who are doing, considering, propagating, supporting and condoning the practice and to turn this around into a complete God Victory.
4. That we be shown the impact and effect of these calls in order to help us build and sustain such a momentum that we will have this victory now, and that by this action we will have the negative prophecies stayed, and the Golden Age come forth.

Insert 71.00

We also agree together that:

"No Light be given unlawfully, unauthorized to any part of Life where there is not the commitment unto the soul's salvation unto the worship of her God."

And that our desire be purged by the Sacred Fire until it becomes God-desire and that our prayer be the prayer of the Son of God within us, wholly acceptable as an offering in the sight of God and His holy angels. And we give to our Christ Self the authority to disavow any vow, dynamic decree, will or intent, reason, motive, or cause that does not express the God-harmony, God-love, and God-truth of His Presence.

And that we, those to whom we are karmically tied and our spheres of influence across all planes of consciousness across all time and space be completely and totally protected from the forces of darkness and the backlash from this call and subsequent actions for the turning around of this situation.

According to Gods Holy Will, let it be done Amen.

Therefore, beloved Kuan Yin, take these calls and multiply them for the victory of ourselves, our Church, the United States, this planet and all who serve the Light.

Therefore we decree
NA-MO I JU KUAN YIN
NAH-MO EE ROO GWAN EEN (1000x)

Bind the Anger of the Fallen Ones

In the name I AM THAT I AM, Beloved Father Mother God, bind the forces of anger out of the pits of death and hell and their origin in the anger and rebellion of the fallen ones and their mechanization man. We call to the Buddha of the Ruby Ray and all beings of the Ruby Ray for a planetary exorcism of anger in all of its manifestations and modes that have been inflicted upon the children of the light. Clear all condemnation, hatred, doubt, fear, pride, disobedience, all Martian and moon energies and sunspot activity creating war, aggression, anger, arrogance, argumentation, accusation, agitation, apathy, atheism, annihilation, aggravation, annoyance, aggressive mental suggestion, and all moon substance, anti-Americanism, anti-Father, anti-Mother, anti-Buddha, anti-Christ, and anti-Holy Spirit manifestations in the four quadrants of Mater, gossip, prayers of malintent, computers of the dark forces, psychotronics, UFOs, aliens, interplanetary and intergalactic black magicians, their rays and forcefields, mind control, mental and emotional manipulation—working in or out of embodiment in space vehicles, from the Twelfth Planet and beyond—sustained by the influence of the moon and magnified by Mars in all quadrants of matter, and all other shades and varieties of anger including sarcasm, belittlement, ingratitude and injustice.

Almighty God, clear the very bedrock, the very depths of the unconscious where we find that substance that is an ancient residue, almost in everyone without exception, of some form of anger against God. Consume the point of the anti-God, the anger, the rage of the forces raging abroad in the world today as murder, mayhem, abortion, terrorism and all manner of abuse of the woman and her seed, the utter contempt for the Mother and her children as the nations are angry at the Divine Mother.

Beloved Jesus the Christ, clear all forces of anti-Christ manifesting as anger, as the strong sense of self-preservation of the carnal mind, the nucleus of the dweller on the threshold and the electronic bell. Transmit all records and

burdens on the heart, all wickedness, hatred, fear and anxiety that prevent the soul's rising to the heart to make attainment with the Christ Self in the Holy of Holies.

Mighty Astrea and Elohim of God, encircle our inner, loving adult that may contain that anger and encircle the transferal of that anger to others, whether spouse, child, family, our own inner child, the Messenger, the Community, "the Church" or its leadership and Keepers of the Flame. Mighty Astrea strip our community of the entities of anger and rage, strip us of any and all intense anger, marked by an absence of control, intense feelings of passionate hatred, and a desire for the annihilation of the object of the anger, including its manifestation as condemnation.

Beloved Ray-O-Light and your legions blaze fearlessness flame around us and heal us of all fear that is beneath the anger—fear of our higher calling in God in the etheric quadrant, fear of the future in the mental body, fear of change in the emotional body, and fear of what the Nephilim might do to us in the physical quadrant.

Archangel Michael and your mighty legions of light protect us at all levels of our being and bind the fallen ones and discarnates on the astral plane who support anger. Bind all manifestations of anger including passivity. Place all anger, including unconscious and subconscious anger, in a blue box so that it can be sealed to no longer cause harm.

Saint Germain, come now with your legions of violet flame angels to drench this anger—cause effect, record and memory—with violet transmuting flame. Dissolve the anger and resentment of the fallen ones whose time is up and remove all that can be taken in this hour. We call upon the law of forgiveness for all whom we have ever wronged and for all who have ever wronged us. Replace all hardness of heart with a loving concern and a loving regard for all, yet do not allow us to be open to the human creation of anyone.

Be gone, forces of anti-Love! (3x)
We accept it done this hour in full power!
Let God's holy will be done. Amen!

Bind the Pride of the Fallen Ones

In the name I AM THAT I AM, beloved Father-Mother God, Sanat Kumara, Gautama Buddha, Lord Maitreya, Jesus the Christ, Padma Sambhava, the Five Dhyan Buddhas, Guru Ma and Lanello, bind the forces of pride and rebellion out of the pits of death and hell and their origin in the anger and rebellion of the fallen ones and their mechanization man. I call to the Buddha of the Ruby Ray and all beings of the ruby ray for a planetary exorcism of pride in all of its manifestations, modes, subtleties, shades and variations that have been inflicted upon the children of the light.

(1) Beloved Lanello, I enter into the point of humility of the saints, and I recite the mantra that Jesus gave to Catherine of Siena. "Thou the All, I the nothing." * (3x) I proclaim the nothingness of myself and the aliveness of my Holy Christ Self, and my Lord and Saviour Jesus Christ.

By the grace of God, I will not make the mistake of falling into the pit of pride. I call for the encircling of the infection of the poison and the spirit of pride that has been injected into most lifestreams on earth. I pray to Saint Germain to remove all vestiges of that injection into my four lower bodies of the pride of the fallen angels. And I plead for intercession for my brothers and sisters of light so that the fallen angels cannot prevail any further in inserting pride into the souls or chakras of the lightbearers.

(2) In the name of the Elohim Hercules and Amazonia, I call for the binding of the fallen angels, aliens, Watchers and Nephilim, and their pride that is anywhere in the earth. I call for the binding of the disease of pride, which can kill the ascension for anyone on the Path without exception. And I call to Mighty Astrea to cut the tie to that pride and that anger.

I call for the exorcism of pride throughout civilization and the exorcism of the seeds of pride sown by the fallen angels. I call for this exorcism throughout my being, in my genes, through past generations, all the way back to the beginning of my family tree and the family trees of all lightbearers worldwide. I call for the exorcism of the spirit of pride, which comes from Lucifer and all of the great hierarchs among the fallen angels. I call for the fallen angels and their prideful ways to be brought to the Court of Cosmic Justice. Let it be done throughout this planetary system and throughout the galaxies.

(3) Beloved, Jesus, bind the pride that is the most diabolical poison that the fallen angels have succeeded in sowing in the seat-of-the-soul chakra of almost every person on this planet. Beloved Great Divine Director, arrest the spirals of the major wars that have been started because of pride. Arrest the spirals of the major catastrophes throughout the planet that have been instigated and engineered by fallen angels. Purge me of all pride so that I can bring about a change in my psyche for a resolution of my psychology that I have not known before because of the blinding elements of human pride, which have kept me back from the ultimate resolution of my soul with God, with the Lord Christ.

(4) In the name of the Christ, I ratify the acceleration of the exorcism of the mass consciousness of pride in the earth, an acceleration that has been set before us by the cosmic hierarchy. Using the tools, ability and knowledge of the Science of the Spoken Word, I call forth the tremendous sacred fire of my heart to intensify my actions and my calls for the exorcism of pride.

(5) In the name of the Christ, I call for the purging of the earth of pride and the prideful ones. As Sanat Kumara has said, their time is up. And this is the time to exorcise from the children of light and the sons and daughters of God all pride and all sense of self-importance.

(6) In the name of Sanat Kumara, I call now for a gradual and mighty change through all the Elohim of God circling the earth, holding hands and beginning to move this planet ever so slowly yet ever so powerfully until this pride and darkness is undone, exorcised and no longer present in the astral belt of the planet and her people. I call for the binding of the dweller-on-the-threshold of the fallen ones, even those who began as lightbearers but in taking on that veil of pride have lost the very self-esteem that should have long ago replaced the pride. I pray that this planet will not go down in a worldwide holocaust but will be spared, for the fangs of pride shall have been withdrawn and the fallen angels shall have been defanged.

I call for the elimination of millions of years of records in this planet, which has been besieged by the pride of the fallen ones for so long. I call for these records to be cleared and purged. And I call for the earth to be delivered of pride consciousness. By God's grace, may the ambition and the pride of the fallen ones hold nothing for us any longer so we can no longer be tripped on the path since there is no rusty nail left in the subconscious on which the seamless garment of our robe can catch.

(7) In the name of the I AM THAT I AM, when I see an element of pride coming up in my personality, when I have prideful thoughts or prideful actions or words, I will say, "By the grace of God, I demand the binding of this pride, this portion of the dweller-on-the-threshold." Like a cosmic surgeon, I diagram pride on my cosmic clock, and as I see it, I call it, I name it and I surrender it so that it can be slain. I am determined, by the grace of God, to be rid of it, to no more have an expression of that pride.

And anytime that subtle or overt pride comes back, I will go after it and I will hit it hard. And I will say, "By the grace of God, I demand the cause and core of pride within

Insert 6.04E

me be bound! I demand the binding of the dweller-on-the-threshold within me of human pride, devil pride, fallen angel pride, every kind of pride there is. Burn through and bind it now!"

By my conscious will, I separate out from the beast of myself I will watch it like a hawk. I will not allow that pride to be expressed through me again, by the grace of God. I will get rid of my prejudices and I will get rid of whatever way my pride manifests -- pride in my ancestry, pride in my social status, pride in my education, pride that says I am better than somebody -- the whole gamut of pride.

(8) In the name of the Maha Chohan, I call for the winds of the Holy Spirit, by the action of Shiva, to destroy all the miscreations of myself and mankind through pride. I ask for enlightenment and wisdom so I do not fall to surrender ambition and pride and therefore fall again, drunk with the knowledge of the sacred fire and using that knowledge to elevate the ego and the lesser self.

I ask to overcome the temptation of intellectualism without the mind of God, without the spark of the Godhood—intellectualism that makes us feel that we have become gods, that we can decipher good and evil, or that without God we can know all things. This is the pride of the fallen ones, the archdeceivers, and they have attempted to put it upon the children of the light. And we cast it down this day!

(9) Beloved Father-Mother God, our esteem is always of the Person of Christ. As Jesus said, "I of mine own self can do nothing, it is the Father in me that doeth the work." May we also not depart from this true spirit of humility. For truly pride goeth before the fall. Deliver us from false humility, the pseudo-humility that is really the spirit of pride in disguise.

Insert 6.04E

Bind that pride that is the beginning of sin—the sense of self-importance that makes us feel we have a right to be exempt from some facet of the Law and therefore we allow ourselves some point of self-indulgence.

(10) In the name of the Christ, bind all aspects of pride whereby the human creation besets the soul in such a vise of witchcraft, self-imposed, that the soul must then resist the bending of the knee. In the name of the Christ, I would serve the light, I would see the light, I would be the light. And here and now, I bend the knee and confess that Christ light is Lord. I call for my soul to come to that point of absolute confession whereby I call for the Messenger to implore, on my behalf, the binding of substances of karma burdens that have bound me to the old ways of the fallen ones, and the Canaanites. Bind now this substance and all of the fallen ones and false hierarchy behind it, including the thious nature of the pride of these fallen angels that has binding upon souls for too long.

(11) In the name of Cyclopa, I call for the divine vision of the Goddess of Liberty to pierce the very heart of the fallen ones and lightbearers alike, to break the back of that false pride of the fallen ones imposed upon the lightbearers. I demand vision and enlightenment to restore true faith in America as the I AM Race and in Saint Germain, the God of Freedom to the earth. And I call for the union of lightbearers in all nations to restore that oneness.

(12) Beloved El Morya, seal me in the will of God. I multiply my decrees as I give these calls for the binding of pride and the fallen ones so that there are not explosions, as Vesuvius exploding, as these fallen ones find out that we are pursuing them in labors for the binding of that pride. My might turn and attempt to rend us, but we will call upon the protection of Archangel Michael and his legions from all manipulations and tricks and ploys of the fallen ones. And I call for the binding of the backlash to these calls.

(13) Almighty God, clear the very bedrock, the very depths of the unconscious, where we find that pride. Beloved Jesus the Christ, clear all forces of anti-Christ manifesting as pride: Mighty Astrea and Elohim of God, encircle all pride and strip our community of the entities of pride. Archangel Michael and your mighty legions of light, protect us at all levels of our being. Saint Germain, come now with your legions of violet-flame angels to drench this pride of the fallen ones—cause, effect, record and memory—with violet transmuting flame. Dissolve the pride of the fallen ones whose time is up, and remove all that can be taken in this hour.

We call upon the law of forgiveness for all whom we have ever wronged and for all who have ever wronged us.

(14) In the name I AM THAT I AM, Sanat Kumara, we dedicate this year and the decades to come unto the individual victory of each one to the glory of God -- and to the absolute transmutation of pride and darkness in the earth.

Be gone, forces of anti-Love! (3x) We accept it done this hour in full power! Let God's holy will be done. Amen.
