

## **SEND SPHERES OF GOD SOLUTION INTO THE EARTH**

*“When you meditate upon the world’s problems, call to me for the solution. Then by your invocations and decrees, call to your Mighty I AM Presence and Holy Christ Self to direct that very solution as a matrix, as a sphere of Light that contains the inner Logos for the absolute God-resolution [of a specific problem].”*

*-Beloved Gautama Buddha Vol. 35 No. 41*

In the name of my Mighty I AM Presence and Holy Christ Self, In the name of The Ancient of Days, LORD Sanat Kumara, I call forth the great Light of Gautama Buddha, the LORD of the World, whom Sanat Kumara did raise up for service to this planet:

I AM to be on fire with the zeal of the Lord of the world! (9x)

I claim the spheres of Light of LORD Guatama's Causal Body! I AM an extension of Buddha in physical embodiment—speaking the Word into every corner of the world and into every point of Darkness. Speaking the Word into every heart and eye with the conviction that I am planting another seed of the Buddha so there can be a stepping down of his Causal Body through me to reach many more souls of the light. Let the great Causal Body of the Lord of the World wake up the children of the light to perceive the consciousness behind the consciousness behind the consciousness of evil! Let them see through the ploys of the fallen ones! Let souls of Light this day demand the binding of that cause and core of the entire energy veil that would pollute the stream of the Mother.

I invoke the Great Causal Body of the Buddha for the solution to the world's problems and I direct that very solution as a matrix, as a sphere of Light that contains the inner Logos for the absolute God-resolution of the false notions that people in every field of endeavor entertain:

Gautama, dispel the false theology! Dispel the indoctrination and allure of the fallen ones! Dispel the false religion that portrays a wrathful God! Dispel religious fanaticism and the fanatical conscious behind it! Dispel New Age religious programming! Dispel all societal programming! Dispel all media propaganda! Dispel the false monetary & banking system! Dispel the false education system! Dispel war, all divide and conquer tactics and false flag operations! Gautama dispel the \_\_\_\_\_ *[name specific problems here]* \_\_\_\_\_.

---

In the name of my Mighty I AM Presence and Holy Christ Self: I send these spheres of God-solution into the earth! (9x)

Let them be multiplied many times over. Let them descend as mighty spheres of Light over areas where there is corruption, where there is the slaughter of many, where there is starvation, and where there is politicking. Let the Electronic Presence of the Lord of the World descend over them with the solution to the problem.

The Zeal of the LORD Sanat Kumara will perform it! (9x)

Beloved Lord Gautama, dispel all unreality so the lightbearers of earth can receive the Truth when they hear it! Awaken the souls of terra to their original identity! Awaken them to the God who is with them and in them. Beloved Lord of the World, recall souls back to God-reality, back to the point of the seat-of-the-soul chakra and to the desiring of the resolution to the worship of her God. I command the entire Spirit of the Great White Brotherhood to go after those Lightbearers who must not be lost, those who once had a threefold flame, those souls who can be remagnetized by the Great Central Sun Magnet to the divine polarity of Alpha and Omega, those souls who can be reached through some form of Truth, and can be filled again with Light and the knowledge of Truth.

O Beloved Masters of Light and Perfection: COME! (3x) in Your Visible, Tangible, Ascended Master Bodies! And give these decrees with us, intoning them 24 hours a day and multiplying them for the victory of all sentient life! Hold them eternally sustained, ever expanding, and world engulfing, until all Activities sanctioned by the Great White Brotherhood cover the Earth and reign everywhere Supreme with Full Power for all Eternity, and nothing else remains but the Purity, the Freedom, and the Victory of the Ascension for all, the Original Divine Way.... I demand this physically manifest! I expect this physically manifest! I AM this physically manifest, manifest, manifest! In all the Flaming Jesus Christ victory, perfection and glory! O Mighty I AM! O Mighty I AM! O Mighty I AM!
