

Invocation for the Rescue of this Nation

Mighty I AM Presence from the heart of God in the Great Central Sun, let the shaft of white fire and blue lightning descend into our midst, descend into the United States of America, descend into the cause and core of all threats against our citizens by those who would explode bombs and move against our way of life.

Seven Mighty Elohim of God, Archangels and Chohans of the Rays, beloved Padma Sambhava, Jesus Christ, Lord Maitreya, Gautama Buddha, Lord Sanat Kumara, Sponsors of Youth from out the Great Central Sun, come forth in this hour! Come forth for the rescue of our nation. Come forth now for the rescue of peace itself.

Elohim of Peace, come forth! Elohim of Peace, come forth! Come forth now! Archangel Uriel and Aurora, bind the forces of anti-Christ, anti-God-government in the earth. Come forth, O legions of Light! Come forth, K-17 and Lanello in the Cosmic Secret Service! Come forth now for the guardian action of the sacred fire of all people in this nation and every nation upon earth.

Therefore in this hour, in this moment we give our intense fiats to Almighty God for the stopping of all terrorist attacks against America. Almighty God, deliver this nation from such terrorism and such insanity. We call upon the Father, the Son, the Holy Spirit and the Divine Mother, deliver this nation under God. We beseech thee, O Lord, and to that end we give our fiats now. 7-2-96
