

Messenger's Invocations on Terrorism

the power elite to control men and nations and war and the implements of war and the warlords themselves.

I call now for the binding of the money beast and the international supporters of terrorism coming out of any nation. And I demand the full and complete disclosure to the American people by the Fourteen Ascended Masters who govern the destiny of American and the I AM Race of the entire conditions and a report to the American people as to what the people themselves can do about this activity.

And therefore, in Jesus' name, beloved Archangel Gabriel, we summon you to our side and we summon you to the protection of the lightbearers, the government, and the establishment of the American way of life in our people in this hour.
