

of the representatives of the people, in every office of the Supreme Court and all advisers, the State Department, the CIA, the FBI, the Old Executive Office Building, the cabinet, all executive departments, all relevant nongovernmental organizations, the Pentagon, midst the Joint Chiefs of Staff, and everywhere in this nation. In all who are influencing national and international policy, let there be the pillar of blue flame and the multiplication of the body of God by Jesus Christ' presence in the hearts of all who bear a threefold flame.

Let this be a mighty crystal fire. Let it descend from the heart of Alpha. Let earth now be sealed in a pillar of blue-white crystal, reinforcing the will of God by freedom, by free will, by love, by wisdom, and by the absolute perception by the children of Light of the forces of light and the forces of darkness. In God's holy name, we decree. [decree 10.03 "I AM God's Will"]

Seal All Light We Have Invoked in the Heart of the Cosmic Christ 110.20

Benediction:

Beloved Mighty I AM Presence in the heart of God, *seal, seal, seal* all light we have invoked in this hour in the heart of the Cosmic Christ, in The LORD Our Righteousness, in the Christ Self of every one who is a son of God, every child of Light. Let it be sealed now for the uses of Saint Germain and all ascended hosts of Light, for our beloved Father, beloved Alpha, and our beloved Mother, Omega.

Multiply these invocations and calls many times over for the liberation of the souls of planet Earth. To that end, we give the life of our hearts, O God.

In the name I AM THAT I AM, Sanat Kumara—the Ancient of Days whom we do not forget but remember daily as the Saviour of all evolutions of this earth—O God, we serve and we offer our hearts upon this altar of America's freedom, of world freedom, of soul liberation, and of our beloved Goddess of Liberty.

In the name of the Father, the Son, the Holy Spirit, and the Mother, Amen. [song 687 "Battle Hymn of the Republic"]
