

Invocations from

"A Vigil for Freedom"

given by Saint Germain, July 4, 1974

1. In the name of the beloved mighty I AM Presence, Holy Christ Selves of all mankind, beloved Saint Germain and the entire Spirit of the Great White Brotherhood: I call for the protection of the children of America and the world, and especially for the sealing of their consciousness in the golden flame of illumination from the heart of the Royal Teton, the World Teachers, Lord Maitreya, and the Buddha. In the name of the Christ I take up the flame and the calling of Ascended Lady Clara, and I call to the angels of the Lord to descend and build a momentum for a center of ascended master education for these little ones.

2. In the name of Jesus the Christ and by the full power and authority of the I AM THAT I AM, I demand an answer from hierarchy for the community of the Holy Spirit, for ascended master schools, ascended master education, and the ascended master university.

In the name of Saint Germain I invoke Opportunity as the twin flame of Freedom and as dispensation from the causal body of Saint Germain.

3. In the name of the Christ I call to the heart of my beloved I AM Presence, to beloved Archangel Michael, all the archangels and legions of light, the seven mighty Elohim and chohans of the rays, beloved Saint Germain and the Fourteen Ascended Masters who govern America for the protection of the borders of this nation; for the protection of the resources of this nation, the protection of earth, air, fire, and water and the body of the Mother in the fifty states of the union. I call for the guardian action of the sacred fire on the elements, the minerals, the resources, the waters. I call for the guarding of the souls of all light-bearers, the guarding of the minds, the very intelligence, the very energy of a mighty people.

4. In the name of the Christ I call to the Elohim working in conjunction with the Fourteen Ascended Masters to take hold of this government at every level beginning with the White House, the president, the cabinet and his advisors, the

Supreme Court, the Congress, all governmental agencies, state and local governments, the Council on Foreign Relations, the Illuminati, the Federal Reserve, the Pentagon, and the CIA. I invite the Elohim to turn our government and all those acting in or as our government upside down, inside out, to shake it up and down, right and left until the right hearts, the Christed ones, are in positions of authority.

5. In the name of the living God, the I AM THAT I AM, I pray for the protection of public officials and representatives of the people against attacks of the fallen ones and astral hordes who would detour them into areas of moral compromise, blackmail, pride, appealing to their egos with flattery, destroying bills that are for the common weal before they arrive, while herding through the legislature those programs which are not of the light.

6. In the name of the beloved mighty victorious Presence of God, I AM in me, and my own beloved Holy Christ Self, I call to the Lords of Karma for God-justice to blaze forth and take command of the Supreme Court of the United States of America, all federal and state courts in every nation on earth, all systems of justice and jurisprudence through the hearts of all lawyers and judges and those administering justice in whatever capacity in every nation upon earth. In the name of the Christ I demand the reversal of the Supreme Court decision legalizing abortion and I demand the reversal of every state law legalizing abortion, and I accept it done this hour in the name of the entire Spirit of the Great White Brotherhood.

In the name of the Holy Christ Selves of all mankind, I call forth the all-seeing eye of God to review all bills before the state and national legislature, and I demand the exposure of the plots of the Luciferians and of all legislation harmful to the people or detrimental to the cause of Saint Germain in America and the world.

I call to Cyclopea, K-17, and beloved Lanello for the protection of America and for vigilance, for the transference to those who can do something about it of Saint Germain's material on infiltration, subversion, and spiritual wickedness in high places that beset every level of government.

7. In the name of the beloved mighty victorious Presence of God, I AM in me, my very own beloved Holy Christ Self, I call to beloved mighty Astrea and Archangel Michael and to the legions of Purity and Victory for the shattering of the forcefields of organized crime and the gambling entity by the power of the light of the Cosmic Virgin. I call for the canceling-out of the momentums of organized crime working through the trucking industry, the meat-packing industry, and all areas of commerce by the action of the violet flame and the circle and sword of beloved Astrea.

8. In the name of the I AM Presence and the Christ, I call to the Great Divine Director for diligence in those occupying government offices to increase hemispheric unity and for an interchange of commerce and of assistance to Latin America, Central and South America, and to Canada and a uniting of forces in defense of the flame, in defense of life, and in defense of the avatars descending.

In the name of Jesus the Christ, I call to Archangel Michael and to beloved mighty Astrea to lock your cosmic circle and sword of blue flame in, through, and around all malicious, ignorant, sympathetic, and delicious animal magnetism and all mesmerism, hypnotism, selfishness, and self-love in the leaders of North, Central, and South America and of every nation upon earth.

Close in upon it all and transmute, transmute, transmute it all—cause, effect, record, and memory—before it can act, approach, or encroach upon life any longer. Replace it all right now by the cosmic threefold flame in the full power of the three-times-three and in the full power of the ten thousand-times-ten thousand and the full power of the thousandfold flame of the sacred love of the sacred fire in overcoming cosmic power, tripled each instant of each hour, until all are wholly ascended in the light and free. Beloved I AM, beloved I AM, beloved I AM!

9. In the name of the I AM Presence and Holy Christ Selves of all mankind, beloved Great Divine Director, Prince Oromasis and Diana and the fiery salamanders, I call for the burning up of those dark forcefields that are centered in the Caribbean so that there will be an about-face and an overturning of that Communist force that has its origin in Cuba, in

the direct tie to Moscow, to Peking, and to those forces who have determined at inner levels to take this nation, this continent, and this hemisphere one way or the other.

10. In the name of the Cosmic Christ and in the name of Alpha and Omega, America, O America, rise up in defense of this holy ground! America, respond to your inner calling! O America, be free! Wake! O wake to hear the warning sounded by angelic hosts on high! O children of the light, listen! Listen to God as he speaks to you in this hour! O America, bend the knee! Come down from that lofty pride of the Luciferians, and be humble in the Christ!

11. In the name of the Christ I call to the Great Divine Director for the arresting of the spirals of the giving away and selling away of America, of secrets of science, of invention, of abundance. Stop the action of compromise and bargaining with the unrighteous generation, the rebels and the fallen ones who have already taken over the governments of the world.

In the name of the Christ *I AM the authority for America! I AM the real government of the people, by the people, and for the people!* In the name of the Christ I AM shaking off lethargy and complacency! I AM a vigilante for freedom! I rise up in defense of America as the territory set aside from on high by cosmic councils as the place where the Christ Child is to be born, where the Woman is to be nourished until all mankind become the fullness of the flame of the Holy Spirit.

In the name of Almighty God, in the name of Saint Germain, sons and daughters of Liberty, awake in the name of freedom! Awake I say! Beloved Saint Germain, I claim the fervor of your heart. I claim the fiery purple heart of your being which you impart to us as sons and daughters of Liberty. I AM the hands and feet of the Lord. I AM the instrument whereby the Lord God of hosts can ride triumphant into the White House, into the Capitol building, into the Supreme Court, into the capitol of every state of the union. In the name of the Christ, I call for a return to cosmic honor and to the cosmic honor flame. I call for diligence, expansion, and the support of the cause of truth. And I call for Saint Germain's fervent call and his heart's love to be anchored in and as my own as I give these decrees.

12. I take up the soil or sand wherever I walk and I say: "In the name of the Christ, in the name of Saint Germain, I consecrate America to Almighty God—north and south, east and west—from Canada all the way to the tip of South America. I consecrate this land for the new birth, for the new order of the ages, and for the rising of the pyramid of souls. O God, I consecrate this land, this air we breathe, this water unto thee. O take it, Lord, unto thee and make it thine own.

13. In the name of Jesus the Christ and Saint Germain, I call to the Four and Twenty Elders, beloved Surya, and the mighty blue eagle from Sirius to protect our wildlife, especially the birds of the air, especially the bald eagle and that in elemental life which holds the focus for heavenly emissaries. I call for the protection of the natural habitat of these emissaries of the Brotherhood.

14. In the name of Almighty God, the I AM THAT I AM, and my own beloved mighty I AM Presence, I call for the protection of the light-bearers in every nation who have been placed there to respond to the light of the Christ in America. I call for the protection of those who are lovers of Christ behind the iron curtain. We continue our vigil with the coordinates we have been given in the Soviet Union.

15. Beloved Saint Germain, I call to you to heal me of those imagined sicknesses that the force has projected against the body of the Mother. In the name of my mighty I AM Presence, I refuse to accept that lie and I say: You have no power! You have no power! You have no power! Your day is done! Be thou dissolved and transmuted into light, illumination, and love forever! In the name of my beloved Christ Self, I call to Saint Germain for the dispensation of healing and for the restoration of my health, my heart, my mind, my soul, and my body. This which I call forth for myself I call forth for every Keeper of the Flame worlds without end.

16. In the name of Jesus the Christ, I ask for vigilance and for the quickening of the minds of the American people, for the protection of their minds and their awareness of danger, their awareness of the evil that lurks.

In the name of the Christ I call to Cyclopea, K-17, and mighty Astrea to encircle all energies of density attacking

the four lower bodies of mankind and all malicious, ignorant, sympathetic, and delicious animal magnetism around the children of the light and the mesmerism of self-indulgence. I challenge the forces of darkness; and I demand the transmutation of the hypnotism, the mesmerism, and the mass consciousness projected against the people of America and the world.

17. In the name of the beloved mighty victorious Presence of God, I AM in me, and my very own beloved Holy Christ Self, I demand Cosmic Christ action in the Middle East. I command the light and the forces of light to take dominion over the entire conflict between the Jews and the Arabs and the problem of the Palestinians and any other problem known or unknown. In the name of the entire Spirit of the Great White Brotherhood and the World Mother, I claim the land for the Christ in the hearts of all mankind and I claim the victory of the New Jerusalem and the City Foursquare. I call for the control of the arms buildup and of the potential threat of war between the major powers over the Middle East crisis. And in all things I affirm the will of God and the law of God as supreme. Let thy kingdom come and thy will be done on earth as it is in heaven!

18. In the name of the Christ I demand the full-gathered momentum of the mind of God into action for the balancing of the economy of every nation on earth, for the balancing of the ecology and of the flow of the abundance of the Mother to overcome the tide of recession and depression, inflation and deflation, starvation, the disintegration of the international economy and every form of cataclysm. In the name of Gautama Buddha, let the mind of God act now in manifestation in the consciousness of the people of the world!
