

I claim Victory now!

In the name I AM THAT I AM I claim Victory now in the 2024 elections in every district, in every state across America and the offices of the President and Vice President. I claim Victory for every God ordained candidate for every office. I claim Victory for the candidates who are the guardians of the Republic and the Constitution. I reclaim America through seats of authority in Government. This is the year the status quo crumbles and we collapse the very foundation of the power elite! Thus far and no farther, you shall not pass!

Beloved Goddess of Liberty raise Freedom's torch! Roll back oppression in America, protect our inalienable rights. I declare this day in the name I AM THAT I AM the oppressors of Freedom are bound!

Beloved Archangel Michael, Beloved Justinius, Seraphic Hosts and the Mighty Blue Eagle from Sirius, take command of all aspects of our elections starting now with caucuses, primaries and conventions, and continuing right through the 2024 United States General Elections.

Place your Light Bodies over our Judicial System, our Courts and the Supreme Court of the United States of America, protect them from manipulation and misinterpretation of law, precedent, and the Constitution, as fallacious cases are brought before them as weapons to disparage or disqualify a candidate from running for or holding office.

Expose and bind activist judges and elected or appointed officials that would strip the People of the right to decide for themselves who is on ballots in November 2024 in all elections, at every level. Let caucuses and primaries be guarded as a Sacred Right by which United States Citizens choose their candidates for office.

Sunlight is our disinfectant! Helios and Vesta, Saint Germain with your Maltese Cross that blazes with the light of 10,000 dazzling violet flame suns SHINE THAT LIGHT, SHINE THAT LIGHT, SHINE THAT LIGHT on every potential candidate, both incumbent and new, that their true intent be exposed. Great Divine Director, direct us to the worthy and God ordained candidates! Beloved Cyclopea, let our Eye be open to discern!

Mighty Legions of Light, place your electronic presence over every voting facility, ballot and ballot box, registrar, moderator, poll worker and checker, every Secretary of the State, all those charged with overseeing the integrity of the electoral process and protect them from all negative energies that seek to undermine and overthrow the authority of We the People through unethical and illegal voting practices.

Bind and expose ballot harvesting, votes cast by unqualified individuals, multiple votes per person and votes by dead and fictitious individuals. Bind and expose all blackmail, payoffs and voter intimidation.

Holy, Mighty Servants of God's First Ray place an impenetrable ovoid of blue fire around all electronic voting systems and tabulators, the Internet, the software and memory cards used to cast and count votes. Stabilize all touch screens.

Repel and prevent any hacking or manipulation of any individual vote or voting machine, including early voting and absentee ballots.

Let the judgment descend on all those abusing authority in their lust for power and control.

Beloved God Purity, Mighty Seraphim and the Mighty Blue Eagle from Sirius sweep through the media, sweep through the voters, sweep through the voting booths to remove all negative energies looking to sway the elections. Beloved Cyclopea open the third eye of every legitimate voter that they will discern and cast their votes for those who will lead us back to Freedom, to Peace, to Prosperity in the Heart of Almighty God.

I call to Archangel Michael, Mighty Hercules, El Morya, the Seraphim, the Mighty Blue Eagle from Sirius and all Cosmic beings serving on the first ray to descend during this election cycle for it's full protection against compromise through manipulation of weather patterns, earth changes, false flag events and damage to or interruption of the power grid or Internet. Bind all attempts to use fear through anarchy, chaos, violence or terrorist attacks to keep people from casting a legitimate vote.

I call to Saint Germain and all Cosmic beings serving on the seventh ray to transmute the seeds of manipulation and destruction of this voting cycle the instant the thought is conceived, rendering it impotent.

I pronounce a woe on the sinister force, it's puppets and puppet masters that seek to define the outcome of elections, that seek to destroy the Republic of the United States of America, to re-write the Constitution and void our Bill of Rights. I call for the judgment of the Lord to fall upon them now and upon their nefarious deeds. Let Archangel Michael and the armies of Heaven descend now for their binding, let the Sword of Astrea sever the tentacles now that attach their activities to the life streams of America and the planet. Cut us free from the shadow government and satanic forces that have infiltrated governments and organizations across the globe.

This call goes out to the entire Hierarchy of Light - Elohim, Chohans, Bodhisattvas, Archangels, Cherubim, Seraphim, and all Angelic ranks, echoing out to the entire spirit of the Great White Brotherhood to direct those God Qualities of the Ray on which you serve into every jot and tittle of process, thought and gap where we require your Heavenly assistance to SEIZE, PIN, AND BIND nefarious forces in this and all future election cycles until they are so secure that the fallen ones will not even try to interfere for they be against a formidable foe - THE ENTIRE CHRISTIC BODY OF ALMIGHTY GOD!

I accept this done right now in full power, it is manifest, sealed in the secret chamber of my heart and surrendered to the will of God.

America, AWAKE! Reclaim your Divine Blueprint and your Fiery Destiny Now!

It is done, it is sealed, it is finished, for the mouth of the Lord hath spoken it!

Amen.
