We call to you beloved Heros and Amora to Restabalize this planet by the power of Ruby Ray! (3x)

We send forth our calls and fiats to all heriarchs of the Ruby Ray. Mighty Ruby Ray angels, beloved Chamuel and Charity, Buddha of the Ruby Ray come forth!

Let the Ruby Ray Bricks and the Rods and Cones made up of Ruby Ray Crystals radiate and intensity Ruby Ray Heat to balance the inner levels of the earth closest to the core.

Let there be a respite for the children of God and let the heat of the Ruby Ray Bricks set in motion a Ruby Ray disintegration spiral of the archons and fallen angels and of those who have plighted their troth to these evil ones. Let the shadows of their former selves pass into the flame of the Ruby Ray and be vaporized that the planet may become lighter for their passing.

We call to you O forces of light and noble angels who serve on the Ruby Ray from the least unto the greatest who serve as lodestones of the Ruby Ray. Channel now the Ruby Ray into canyons of the dense earth and check the destabilizing conditions existing in the depths of the earth and in the lowest levels of the astral plane.

Multiply and anchor the momentum of our Ruby Ray calls within the Ruby Ray Bricks and the Rods and Cones placed strategically from the surface of the planet to the center and use the energy emitted thereby to curtail the activities of the fallen angels and their demon lackeys.

Let there be a perceptible diminishing of the darkness in the earth and a corresponding increase of light! 3x

We pray O God that by this action of the Ruby Ray the earth may be changed in the twinkling of an eye and that the people of earth may suddenly see their worth and have a sense of empowerment from their Holy Christ Self that they may now tackle their lives, as well as their governments and the economies of the nations and see themselves and the earth in a new light.

Let every stride we take towards godliness be a mile-high stride and bestow upon us the hope, the joy and the energy to see it through.

We open our hearts to receive the blessing of the Elohim of the third ray and we carry your love to the world with the dawn of each new day!

Amen!
