**“Where the Sea Meets the Land...”**

Dear Beloved Ones,

We will journey with El Morya in study of this message, Pearls of Wisdom. Vol. 34 No. 28. Our dear El Morya guides us on this journey.

“Where the sea meets the land, I stand. And where the shore of reality knows the beating of the sea of unreality I stand, I speak, I roll back the astral tide.

“And I AM Morya of the flame of the will of God, Morya El of the Diamond Heart. Descending out of clouds of great glory of the living Christ, I am descended to this place. And I direct the beam from my heart to all chelas in the earth, including those not connected with this activity whom I have also drawn. Each one does know that ray.”

Our Dear El Morya calls us to seek ways to reach those who might be caught on the treacherous shores of unreality—to assist them, to take their hands and place them in the hands of the ascended masters where they can be lifted and realize Christ-determination, and keep the Flame of Life on earth.

Included is a short film of a young person who is taken on a journey and experiences the Karmic board and past experiences.

El Morya speaks to all to anchor the flame of reality, to pull down that God-Reality by the power of the Great Divine Director, by the power of Mighty Victory! May the reality of God be the banner that you carry.
