 - My tomorrows are created today
-

- “This is an exam that I must pass—and pass through. This is something I must do. My God is with me. I AM untouched by the forces of Evil. I AM not moved. I will be who I AM. I will be in my right place. I will have my right livelihood and my right companions. And I will work diligently with all those who form the mandala of the Christed ones in the earth.”

Notes for calls

- Their plan is to work in stealth until the day when they raise the world curtain, and the world in horror sees what has been building and what is now about to descend on the planet.
- I tell you, beloved, you should not let a day pass that you do not cast out the dweller-on-the-threshold of your subconscious mind by giving decree 20.09 and powerful fiats to your Mighty I AM Presence and your Holy Christ Self to bind that dweller and to break the stranglehold it has on you.
- Once you have cleared yourself and loved ones, call for the binding of the dweller-on-the-threshold of all evildoers in the earth. And then support with fervent calls those who would exorcise their dwellers but do not know how to disentangle themselves from their human creation or how to process the contents of the unconscious mind, where the dweller lies in wait to destroy the soul.
- Blessed ones, there are many Nephilim in power today. Among the most deadly are the Nephilim who control the motion picture industry. It is well known that they can captivate and manipulate the minds of people all over the world in a given day or week when they release their films.
- The media is the primary controlling factor that manipulates the minds of the youth in America and the world. And you had better realize that although the content of some movies is extremely violent, it is also subtle. In order for you to counteract the negative vibrations, you must give **Pope Leo XIII’s prayer <26>** as often as you can.
