Alpha's Agenda- Alphas calls
The Presence of God-Justice in the Earth
- I AM Alpha and Omega in the white fire core of your being, God's being—being of Elohim and all Life.
- I come to comfort by the rod of the Law and by its mercy.
- I AM in the heart of the Lord's Prayer, for this I did give to my Son. And thus Sanat Kumara, Gautama, Maitreya, in the chain of Cosmic Christ, have sustained the Mind of God. And that Mind as Holy Christ Self of you does press now into the earth with the footsteps of my coming.
- I am summoning this day armies of Light, I am summoning from all of Cosmos according to the will of God those who can convene for the great restoration of planet earth and the instauration <1> of this Christ Mind that is the mind of the true science of Being.
- I am placing them under the wise dominion of Sanat Kumara for the deliverance of earth, for the liberation of Lightbearers, for Cosmic Justice this day.
- Therefore I, Alpha, open the floodgates of the Central Sun for the Spirit of Cosmic Freedom to begin to descend to earth, increment by increment, as these flame-flowers—the threefold flame of the hearts of Keepers of the Flame throughout the earth—shall now receive that Spirit of Cosmic Freedom.
- I am here for the final binding and judgment of the fallen angels who have positioned themselves in the economies and the governments of the nations and in the banking houses to exercise absolute control over the people.
- I am raising my right hand and the fire does flow to turn World Communism with all of its supporters, agents and tools back upon itself.

- **Kneeling prayer of st germain- vol 20 #50 st germain on freedom XI–
our service in the next 100 years of Americas destiny part 1**
- O Lord Sanat Kumara, I am here with these souls who have declared the freedom and the victory. I am here, Sanat Kumara, and they have responded, and they will not betray America. I know they will not! I implore you, Sanat Kumara, to release now into our hearts the flame of the original signing of the Declaration of Independence as we meditate upon Independence Hall and go there to the very cradle of our liberty.
- So we assemble as the early patriots. We assemble together as statesmen ascended, unascended. We come in consciousness. We come to hear the call, “Sign that document!” We come to ratify the original thirteen. We come to declare that this nation ought to be and is indeed a free people, a sovereign nation, one that is conceived in liberty.
- Ancient of Days, O Sanat Kumara, let us be one, then, in this moment, and let our hearts’ energies be multiplied by the powers of a cosmos, by their wisdom, and by their love that we might not surrender this blessed earth.
- I kneel before Almighty God this day. I kneel before the altar of freedom and I ask once again for those dispensations of freedom. I beg you, Almighty God, not to say no to me, for I am your son of freedom and I have brought with me to your altar sons and daughters of freedom. And if, O God, all dispensations that I have called forth have been misused by mankind and if, O Lord, you will not hear my plea, then I say, Hear the plea of these embodied souls! Hear their cry, O God! Receive their causal bodies and know that I no longer stand alone on earth, but there are those with me who will not surrender to the tyrant’s will, who will surrender only to God.
- And I know, O Lord, by thy name and by thy flame, these too can conquer in Christ’s name. These too can go forth as we went forth of old. These too can cast the writing on the wall that is not a spell of darkness but is the writing of the victors bold. O Lord, I implore you by our fervent cry, Send forth the instrument! Send forth the lightbearers! Send forth the army! Send forth the light that will crystallize, crystallize the Mind of God and the heart of God and turn this nation into a miracle of joy and light ascending.

- I thank thee, O God. I thank thee for the opportunity to pray this day. I thank thee for the opportunity to stand on earth and to come to this glorious city where the saints have walked, where the pilgrims have known the inspiration of Mother Liberty. I thank thee, O God, for Opportunity, my own twin flame, who has extended that flame throughout a cosmos. And in the moments of discouragement when freedom seemed lost, I thank thee for her aspiration of the feminine consciousness of opportunity whereby I could try and try again to work with mankind for the victory.
- I thank thee for the Mother on high and the Mother below. I thank thee that there have been many ascended masters who have taken their stand with me and who have pledged their love. I thank thee, O God, in thy name, in the name of the Father and the Son and the Holy Spirit and in the name of the Blessed Virgin.

- **20.22 Call to reestablish the golden chain mail below**
- In the name of the beloved mighty victorious presence of god I am in me, my very own beloved Holy Christ Self, Beloved seven solar logoi, beloved alpha and omega, Helios and vesta, Apollo and Lumina, Beloved Mighty Victory, Archangel Jophiel and Christine, Archangel Uriel and Aurora, Beloved God and Goddess Meru, Beloved El Morya and Serapis Bey, Beloved Guru ma and Lanello and the entire spirit of the great white brotherhood.
- We call for the reestablishment of the golden chain mail. We call for it to be coated with blue white diamonds that have a magnificent power of repulsion! Beloved Serapis, reinforce it now with chain mail of fiery blue energy made of impervious light substance.
- We call to the heart of the God and Goddess Meru for a personalized segment of the golden chain mail to designed for every lightbearer every son and daughter of God that they might wear it as an armor to seal their souls and etheric bodies from the astral plane and levels of death and hell. We invoke this armor on behalf of our children and youth to seal their minds and souls from the darkness targeted against them. We call for the sealing of souls weakened by their addictions to alcohol, sugar, nicotine, drugs and dark music and bowed down by entities.
- In the name of the Iam that I am, we call for the hosts of the Lord to drape the golden chain mail over the planetary body. Let it cork the bottle of hell! Let it be an invisible barrier to the hordes of darkness and violence that seek to erupt from the astral plane into the physical. Let it thwart the agenda of the reincarnated Atlanteans and the false hierarchy of those who support them!
- Almighty God drive back the antichrists who have wreaked havoc in their determination to destroy this civilization. Let them be driven back and confined to the depths of death and hell where they belong until the hour of their judgment is come. Bind their misuse of St Germain's technology and the spread of their wares of rebellion suicide and violence through their dark music, MTV, television, video games, movies and the media!
- Let it be accomplished by the stalwart keepers of the flame who read the signs of the times and run with the message of salvation unto the righteous and the message of judgment unto the reprobate.
- We call forth the wondrous alchemy of the golden chain mail for the rethinking and remaking of civilization.
