

America through the Office of the President and the person of [George W. Bush] and his wife, [Laura Bush], the vice-president, [Richard B. Cheney].

Blaze forth the light of God that never fails. Burn through! I demand the protection of these offices, that these offices might be safe for the light-bearers who are to take them in succeeding generations. I demand the protection now of the sponsorship of this people by Sanat Kumara, Abraham, Isaac, and Jacob, David, and the King of Kings and Lord of Lords, Jesus Christ, Gautama Buddha, and Saint Germain.

Burn through and let the descent of the order of the priesthood of Melchizedek come forth. Let the flame of God come forth. Burn through! I demand the protection of every lifestream upon earth now who is an officeholder who is of the seed of God, who is of the seed of Sanat Kumara. Let them be cut free. Let them be raised up to be a part of the mystical body of God.

Burn through and blaze a trail to the feet of the ascended masters, their mighty I AM Presence and Christ Self. Blaze forth the light for the protection of the avatars and the Christed ones seeking to serve this nation under God and every nation under God. Let all those who oppose the rule of God-government in the earth and the Presence of Almighty God in the person of Sanat Kumara now be bound. Let them be bound this day O God by the LORD's judgment, by the Ritual of Exorcism.

Blaze forth the light! (3x)

I demand the sealing now of the White House and all personnel in it. I demand those who are not of the light be exposed and removed and those who are be given the protection that is worthy of the sons of God.

Blaze forth the light! (2x)

Blaze forth the light of the Cosmic Christ, Lord Maitreya, Lord Gautama, in the name of the Father, the Mother, the Son, and the Holy Spirit, we sing. [Song 750, "Saint Germain, Hurl! Your Miracle Pouch."]

Camelot, January 25, 1981
