

Happy Independence Day!

Dear Friends

May your 4th of July celebration be great as you remember the reason for the day, and may it bring new insights as we face similar situations today!

Truly our beloved Saint Germain has given us challenges that fit today as well as when this dictation was delivered in 1988 in Lisbon, Portugal. In fact, it is more meaningful today as we are living through much of what he shared. This dictation is recorded in Vol. 31 No. 37 of the Pearls of Wisdom.

Here are several paragraphs to get us into the sense of the message:

“Happy are ye who stand in praise of our God, one LORD, and who recognize that individuality of God Freedom in myself. For you see, beloved, what you see in me is what you become and this is the foundation of the path of mysticism of the saints of all ages and the true teaching of our beloved Jesus, my Son and your Son. O the blessed one of God who has

come for you to save you and whose Presence has so been denied in the earth! And therefore he has been rendered in the style of an effeminate and spineless individual instead of one who does wield the sword of Peace in defense of Freedom and turn back the hordes of night!

“Therefore, let the armour of the living Christ and his Archangel Uriel be upon you one and all! And may you understand the true meaning of being soldiers of the cosmic cross of white fire.

“In the invincible Victory of the God Flame I come and I stand in this land with my pure devotion to the Blessed Virgin Mary.”

You are invited to join us this Sunday as we celebrate and feel the Master Saint Germain’s presence with us in our worship.

In His Love,

Rev. Carl Showalter

"Thus, beloved, in order to defeat the forces of Darkness that are intergalactic who would prevent this by the mind manipulation of the leadership, you yourselves must understand that the equation involves the capacity of your own beings to carry my Star, to carry my Presence, to carry my vibration and heart flame. The bridging of the gap between your vibration and my own, beloved, is accomplished by Elohim and all of the Spirit of the Great White Brotherhood serving under them. It is accomplished by the great force of the Spirit of Cosmic Freedom and the Spirit of Cosmic Justice."
