

Call to Lanello to Descend the Spiral Staircase

I call now to my beloved Lanello, my mentor of the Spirit. I call to El Morya, Archangel Michael and the Lords of Karma, my own Holy Christ Self and I AM Presence and all who assist me on my way.

Take me now, O holy ones of God, down the spiral staircase into the depths of the subconscious, the electronic belt, the astral plane and the unconscious. Take me there, O God! With covering cherubim guide my feet, guide my heart and mind.

Therefore I ask for the armour of seraphim and Archangel Michael and the helmet and shield of the Lord and the sword of blue flame. And I ask to be guided by the Maha Chohan as to what I may be delivered of, and I would perform that exorcism under the living Christ Jesus, my Lord.

I call, then, that day by day for thirty-three days I shall achieve the undoing of those substances that dwell within me that will not speed me on my way to a glorious God-freedom that I seek but will only hold me back.

And therefore, O God, I surrender that portion of myself that helps neither you nor me. And I ask that I might be cut free from all individuals that I have ever been a part of where the will of God dictates that I ought to be cut free. And I ask to help those I may help and to remain tied to those with whom I [should remain tied according to the will of God]. And I call for the balancing of all karma by the violet flame.

It is my deep desire, O Mighty I AM Presence, that I might be delivered of excess baggage now, that I might become a better servant of the Lord Sanat Kumara and that I might be free to help others—free of the schisms in my own psyche, free of all encumbrances [of the human consciousness], so that I need not withhold the perfect gift to anyone, friend or foe or stranger, who does knock at my door.

I commend this prayer to the heart of God for adjudication. And I pray for the dividing of the way of the Real and the Unreal within myself that Victory might have his day through me.

As a humble pilgrim on life's way, I seal my prayer this day, O God. God, help me! God, help me. God, help me.
