

## America, Accept the Challenge to Master Time and Space for Saint Germain!

Dear Friends

Saint Germain stated in his dictation delivered on November 29, 1987: *"Therefore, in the living witness of the God Flame, I AM THAT I AM Saint Germain, and I say to you, elemental life is able to neutralize this mass hypnosis, this mass condemnation and national suicide, this ignoring of the Law."*

*"Truly, a concerted action of Keepers of the Flame raised up can yet save a nation, can yet respond to the Sacred Heart of Jesus, enter into the path of discipleship and go up and down the highways of the land preaching the word of the Keeper of the Flame, the great Holy Spirit in his Person and Presence, delivering the Word of the Lords of the Seven Rays and giving them the Power of comfort from the heart—the Wisdom of comfort, the Love of comfort—drawing them into the path of the walk of the Keeper of the Flame."*

In a lecture in the same year, Elizabeth Clare Prophet reminded us of a call from Saint Germain and she said:

“Saint Germain has called for 50 years of peace, and *with those 50 years he is convinced that he can bring the planet and her people into a golden age.* “

Are we ready to answer Saint Germain’s call for Peace?

Are we ready for the coming Golden Age?

Join us Sunday.

In reverence to our Master Saint Germain,  
Rev Lynne Falconer.
