LEADER:

Let us hold in our hearts and minds, the children and youth, not only in our families, but expanded to a larger circle of awareness to include the youth of our communities, nations, and throughout the earth—especially those in vulnerable situations, and those in danger, confusion, loneliness, poverty, illness, school dropouts, broken families, drug use, or spiritual need, and those vulnerable to the allure of criminal organization recruitment and a lifelong life of crime.

Let us begin together.

In the name of the infinite and unending First Cause:
Blaze forth the Light of Ein Sof! (3x)

Power of the Almighty, rend all that is less than the holiness of God!

O Lightning of the Mind of God—let the lightning flash descend!

In the name of the living fire of the Central Sun, O LORD God Almighty, we call:

MOVEMENT I — FROM THE FIRST CAUSE TO THE HEART OF EVERY CHILD

1. FATHER-MOTHER ETERNAL — ALPHA AND OMEGA

O Father-Mother Eternal, beloved Alpha and Omega: release the sacred fire of the twelve solar temples surrounding the Great Central Sun. Deliver the children and youth of Earth—every incoming soul, every child, every adolescent, and every young adult through the age of thirty-three—from every manner of darkness directed against them. Break the misuse of rhythm and sound; break the bonds of drugs, toxic substances, and every force that pollutes the body, brain, nervous system, heart, mind, chakras, and soul. Overturn every attack of darkness that begins from the moment the Lords of Karma assign a soul to incarnate and continues through the age of thirty-three. Shatter false education, manipulation, corruption, and every tampering with the Life Source and abundant Life. Open wide the way for Aquarian-age education—for wisdom, character, creativity, spiritual discernment, and the victorious fulfillment of each soul's divine plan. Beloved Alpha and Omega, take command of the youth of the world and seal them now in the protection, purity, wisdom, and all-encompassing love of the Great Central Sun.

2. THE GREAT WHITE THRONE AND THE FOUR COSMIC FORCES

We call to the Great White Throne; the Eternal Lamb and the Lamb incarnate; the Lion, the Man, the Calf, and the Flying Eagle; the Nameless One from out the Great Central Sun, the Great Cosmic Council, Brahma-Vishnu-Shiva, Lord Maximus, God Harmony, and the Cosmic Spirits of Freedom and Justice. Release the Light of the First Cause into every child and youth. Guide and seal our youth in divine law, holy purpose, harmony, freedom, and justice.

3. THE TWELVE SPONSORS OF YOUTH

Come forth, O mighty Sponsors of Youth from out the Great Central Sun—living flames of eternal youth! Reactivate and amplify your dispensation of December 28, 1977, and the tremendous Sphere of Light released for the children. Send a guiding angel to the side of every child on Terra. Enfold each one in your arms of love. Hold every soul within your hands. Encompass the earth in the crescent light of your manifestation, and bring forth the salvation, illumination, healing, protection, and victory of the youth!

4. THE WORD INCARNATE AND THE UNIVERSAL CHRIST

We call to the Word incarnate that was with Brahman in the beginning, and to the full authority of the Son of God. O Universal Christ, come with Cosmic Christs from every sphere. Remove all barriers between our youth and their own beloved Holy Christ Self. Let the Christ Flame press in, shine through, and take command. Let their minds think with Christ, their hearts love with Christ, their hands serve as the hands of Christ, and their entire beings pulsate with the frequencies of the living Word.
