

# Abundance!

*Beloved Friends,*

*Jesus said: "I have come that they might have life and that more abundantly!"*

*From whence come our abundance?*

*"Well, beloved hearts of light, the answer was always forthcoming. The answer was forthcoming because the call compels the answer. But you see, it never was able to come forth into your world because you yourself did not understand all of the interaction of cosmic law.*

*Well, beloved hearts of light, the mind of a little child is really the mind that you need. For by the sophistication of man's own ideas, he often thwarts and aborts all of the intent of the living God for him. If, like a little child, he will reach his hands up to the sun of God, holding his hands out to the light, and say:*

*"O Eternal Father, give me the abundant sense. Open my mind and consciousness, my heart and being to all that is the joy of God, the joy of heaven's intent, the immortal mind and the light that cannot fail."*

Then God will remove  
the blindness from his eyes.  
And the gentle golden radiance  
from the skies  
Will pour forth majestically,  
crowning all with light,  
Sundering all that is dark  
and making all things bright.

A ray of hope in him will born,  
The joy of God will flood  
The whole wide world that very  
morn  
With radiance like a dove,  
New hope and joy and peace to all.  
The kingdom of the living God  
Will come into the mind of man  
by cosmic rod he brought."

# Nearer, I AM, to Thee

Nearer, I AM, to Thee  
God Self Divine  
Let me thy Light now see  
My own God Design.  
Be Thou my mind and soul  
Cleanse me and make me whole  
'Til I attain my goal  
And ascend to Thee!

Holy Christ Self of me  
Reveal thy pow'r  
Let me thyself now be  
Every passing hour.  
Now at thy holy shrine  
I see God's plan divine  
Love shall my world refine  
And make me like Thee.

I see thy Presence now  
Bright as the Sun  
Thy crown upon my brow  
Means my vict'ry won.  
I hear thy welcome voice  
And angels now rejoice  
That, given Freedom's choice,  
I return to Thee

As heaven's gates so fair  
Now open wide  
I know that earnest prayer  
E'er has been my guide.  
Grateful to Saint Germain  
For use of Freedom's Flame  
All bless his sacred name  
For eternity.
