

Violet Flame Meditation

Come Violet Flame. (2x)

Now blaze and blaze and blaze!

Come Violet Flame. (2x)

To raise and raise and raise.

The earth and all there on. (3x)

Come Violet Flame. (2x)

Now raise and raise and raise.

Come Violet Flame. (2x)

To blaze and blaze and blaze.

The plants and elemental creatures. (3x)

I AM a being of Violet Fire.

I AM the purity God desires.

I AM that I AM (3x)

Light set me free. (3x)

Light I AM. (2x)

Light I AM, I AM, I AM!

Light command. (2x)

Light command, command, command!

Light demand. (2x)

Light demand, demand, demand!

Light expand. (2x)

Light expand, expand, expand!

Light I AM. (2x)

Light I AM, I AM, I AM!

Light set me free. (2x)

I AM a being of Violet Fire.

I AM the purity God desires.

I AM that I AM. (4x)

Here and now, I take my vow to be Thyself.

Oh, be Thyself as God in me.

I see thyself as God in me.

Violet Flame Meditation

A Flame to keep.

A Flame to know,

This is the Life that I would know.

I AM that I AM. Oh God.

I AM that I AM. (3x)

Violet Flame, come forth. (2x)

I command, I AM, I AM.

Seal me now in Violet Flame, Saint Germain!

Seal me now in Violet Flame!

Fiery purple heart of Saint Germain.

Command all life free.

Set the captives free. (3x)

Now and for eternity.

God victory!

Faith, Hope, and Charity, come forth.

Threefold Light within my heart.

Father, Son, and Holy Spirit!

Speak thy Word, I would hear it! OM!

God, I AM. (2x)

God, I AM free.

I AM free, O God!

Come and be in me, Thyself.

Thyself, in God, in Love I AM,

Thy life,

Thy truth,

Thy way.

Lord of Life, I would be the fullness of thyself
in form and formlessness!

Blaze thy Violet Flame through me.

Freedom Flame. (2x)

I would be, I would seek to set the captives
free.

Set the captives free, O God!

Expand. Expand throughout the earth.

Expand throughout the land.

Expand throughout the galaxies.

Violet Flame Meditation

Oh, blaze and sweep and burn.
Consume the cause and core.
Make darkness into light.
Flame of Holy Spirit.
Enter now my temple.
Sacred fire. Burn and blaze. (2x)
Consume. Consume the cause and core in
every plane of being.
Let darkness be all light. (3x)

In the name of the Christ.
In the name of the I AM that I AM.
I call it forth, and
I accept it done in this hour, in full power.

I AM that I AM. (2x)
Amen.(3x).
OM, OM, OM.

Light, I AM free! (3x)
Joy, expand.
Joy, expand *to every heart. (2x)
Joy, expand. I AM in every heart.
The Violet Flame.
I move in Thee.
I live in Thee.
I AM free.
Being everywhere, now and for eternity.
I AM a Violet Flame.

I AM being a Violet Fire.
I AM the purity, God desires.

It is done. It is finished. It is sealed. I AM
healed. It is done. It is finished. It is sealed. I
AM healed. I AM Whole. I AM One. I AM Love.
Alpha and Omega,
Alpha and Omega.
