"America in 1976"
by the Mother of the Flame

You may wish to give the forty calls daily or you may prefer to select the calls suited to your service and mission and give them with your regular decrees. You may also set up a 40-day vigil beginning each year on Lanello's ascension day, February 26, giving one call as many times as you wish daily. Call 1. would be given February 26, Call 2. February 27, and so on. This schedule would coincide with the 40-day cycle of the spheres of Lanello's causal body, which we invoke beginning with the white-fire core on his ascension day. The cycle always returns to Call 1. on February 26.

1. In the name of my beloved mighty I AM Presence and Holy Christ Self, I call to the heart of God in the Great Central Sun, beloved Alpha and Omega, beloved Helios and Vesta and the Great Central Sun magnet; I call to the seven beloved Elohim, the seven beloved archangels, the seven beloved chohans of the rays: In the name of Saint Germain, the God of Freedom for the earth, I call forth the purple fiery heart of Saint Germain for the release in the hearts and minds of the American people this day and all people throughout the planetary body of Saint Germain's fervor for the cause of righteousness and the release of the flame of freedom for the new birth of America.

In the name of Jesus the Christ, I call to the heart of the Father-Mother God for the rebirth of America in the Mother light, for the coalescing of the energies of the crystal stars of purity, and for the angels of the will of God to form the backdrop of the victory of the Christ consciousness in every man, woman, and child on Terra.

2. In the name of my mighty I AM Presence and Holy Christ Self, I call to the entire Spirit of the Great White Brotherhood and the World Mother for the assimilation by the sons and daughters of God in America and the world of the body and blood of Christ, of the Alpha and Omega spirals of the Christ consciousness. I call to the heart of the seven mighty Elohim and the Council of the Royal Teton to release the vision of the future of America into the hearts and minds of the American people and to give them the energy of the archangels to implement the vision in the name of Saint Germain—heart, head, and hand.

3. In the name of Jesus the Christ, I call to the heart of Archangel Michael for the cutting-free of the race of the light-bearers. And I demand the release of freedom from the heart of the Goddess of Liberty and the Lords of Karma that they might have the freedom to pass the torch of freedom and continue the action of the light by the power of the three-times-three.

4. In the name of Jesus the Christ, I call for the joy of the communion of the Holy Spirit and the fire of the all-seeing eye of God to be placed as the capstone in the pyramid of America's destiny as an experiment in hierarchy. In the name of Jesus the Christ, my own mighty I AM Presence and Christ Self, I call to the Spirit of the Fourteen Ascended Masters who govern the destiny of America to release the God-design for America. And I call for the vision of the victory to be brought forth through the immaculate concept of the Divine Mother anchored now through Keepers of the Flame who are faithful to the flame.

5. In the name of Jesus the Christ, in the name of the I AM THAT I AM, I call to beloved mighty Victory and to beloved Ray-O-Light and legions of fearlessness flame to cut free all Keepers of the Flame, all chelas of the ascended masters, all sons and daughters of God and children of the light from all doubt and fear and the spirals of death. Cut them free from all misuses of the sacred fire and enshrine within their hearts the faith, the hope, and the charity for the victory of the light in the hearts of all mankind.

6. In the name of the I AM THAT I AM, the one true God, in the name of the Cosmic Christ and my own Christ Self, I call for an extraordinary transmutation of past momentums of darkness, deceit, conceit, and every perversion of the human ego manifesting as a weight on the cosmic clock that is the destiny of America. In the name of Saint Germain, I call for the clearing of the decks of the ship of America. Let the four lower bodies of her people be cleared by the action of the violet transmuting flame and the mighty circle and sword of blue flame in the heart of the Elohim Astrea. Let all that is not of the light that has ever manifested on this soil be transmuted with its cause and core by the legions of the God Star Sirius, legions of the violet flame, and great teams of conquerors from out the Great Central Sun!

7. In the name of Jesus the Christ, I call to the heart of the Father-Mother God that the children of the light might feel the presence of Lord Maitreya, the Cosmic Christ, over this land. In the name of Sanat Kumara, the Ancient of Days, and the holy Kumaras, I call for the initiation of cycles of light and the intensification of light within Keepers of the Flame that the whirling sun of the Christ consciousness and of the Great Central Sun magnet might swallow up the darkness that covers this land and the land of Terra in order that the Manchild might be born within the hearts of all mankind and that the child America might be born again.

8. In the name of Jesus the Christ, I call to the heart of the Father-Mother God for Christ-bearers in America. I call for Keepers of the Flame to be raised up who shall carry the child America across the turbulent waters of the astral plane, of psychic phenomena, pornography, all forms of crime and criminal activity against the Divine Mother and the abuse of her body and the bodies of her children in the trafficking and taking-in of dangerous drugs.

9. In the name of Jesus the Christ, I call to the heart of the Father-Mother God in the heart of my own mighty I AM Presence and causal body to release the full-gathered momentum of the light necessary for the precipitation of the culmination of all that the ascended masters have brought forth in this century, the great teachings of the I AM THAT I AM, the understanding of the Mother ray and the glorious mission of the messengers. I ask that this momentum of light, which I now gladly release in the name of my own Christ Self and I AM Presence from the heart of my causal body, provide the necessary momentum to turn back the darkness that threatens to overcome the land, the air, the sea, and the soul that is America.

10. In the name of my own mighty I AM Presence and Christ Self, in the name of the entire Spirit of the Great White Brotherhood and the World Mother, I call for the appearing of the Christed One bursting through the clouds of darkness to reveal the true teaching of the Divine Manchild. In the name of Jesus the Christ, I call to the Lords of Karma, to the legions of Archangel Michael, and to Micah the Angel of Unity, to the seven beloved archangels and their divine complements, for the God-protection of souls of light embodying in America and on Terra throughout 1976, for the fulfillment of the Mandala of the Divine Mother and her children on earth as it is in heaven.

I AM demanding intense action from the heart of the God Star Sirius for the protection and perfection of every child aborning in the womb of time and space. I call for the protection of mothers and fathers and for the crystallization of the God flame within their consciousness that they might rise on the wings of mighty Victory to defend the victory of the light in these little ones. I call for angels of Victory, great teams of conquerors, and the angels of Lord Maitreya to defend the incoming souls, their parents and teachers, and to expose the lie of abortion and the abortionist here and now!

In the name of the I AM THAT I AM, I demand the reversing of the Supreme Court decision legalizing abortion and I call to beloved Mother Mary, Clara Louise, and all who serve in the Temple of the Resurrection with Jesus and Mary to reverse the world consciousness on zero population growth, to instill in the hearts of all mankind reverence for life and the full-gathered momentum of the cosmic honor flame.

11. In the name of Jesus the Christ, I call directly to the heart of Mother Omega to manifest within my heart and the hearts of all Keepers of the Flame an intense action of the love of the Father-Mother God for the youth of the world. And I ask that this love for Christ, for Buddha, and for the youth be transferred from my heart and the heart of every Keeper of the Flame to the hearts of the children of the light on Terra, especially to those who are caught in the psychic, in psychic organizations, and who are involved in the taking of psychedelic drugs and in psychedelic activities, including the perversion of the divine arts and the music of the spheres.

12. In the name of my beloved mighty I AM Presence and Holy Christ Self, I call to the Lords of Karma and especially to the Goddess of Liberty to place the torch of liberty, the threefold light of the power, wisdom, and love of the law, within my right hand that I might hold it high with the Divine Mother, with Mother Liberty, and with the Mother of the World for the raising-up of the energies of the Mother flame, for the purification of the chakras and the establishment of the Christ consciousness in the children of the light in America and the world.

In the name of the Christ, I demand and I command the cutting-free of all souls of light on Terra who have vowed the inner vow before the Lords of Karma to serve the Mandala of the Divine Mother on earth. I demand that all who have locked within their hearts the fiery destiny of America be cut free to come to America and to fulfill that fiery destiny with God-determination!

13. In the name of Jesus the Christ, I call to the Father-Mother God and to the heart of beloved Saint Germain and Portia to work in consonance with my own beloved Holy Christ Self and I AM Presence to release from the heart of my causal body the necessary energies to fulfill the blueprint etched in the crystal cube deposited within my heart by beloved Saint Germain. 14. By the action of the sacred fire within me and within the heart of God, I demand transmutation as change to manifest with the swiftness of the mighty blue eagle from Sirius and the legions of Mercury. I demand the withdrawal by the action of the Cosmic Christ from this government and the government of every nation on earth of those individuals who are not serving the light of the Christ. And I demand that all servants of the people be stripped of selfishness, self-love, the deceit and the conceit of the ego, and I ask that all those who are elected to office in this year and in coming years be the Christed ones trained by the ascended masters in the retreats of the Great White Brotherhood.

In the name of the I AM THAT I AM, let them be cut free by the action of the cosmic circle and sword of blue flame of beloved mighty Astrea! And let the ascended-master youth of beloved Saint Germain preparing to take their place in the service of the governments of the nations be cut free and be established in the Christ-education of their souls, fitting them for God-government and the right to rule under the aegis of Almighty God and in the balanced action of the threefold flame. I demand that all representatives of the ascended masters in every field of endeavor, including the candidates for office, be relieved of all burden of opposition through the media and that any and all activities of the carnal mind, including gossip, blackmail, lies, and slander, be transmuted, be encircled, dissolved, and consumed with the power of the seven mighty Elohim and a concentrated release of the sacred fire and the violet transmuting flame.

15. In the name of Jesus the Christ, I call to beloved Saint Germain, to the Maha Chohan, the Keeper of the Flame, and to Sanat Kumara, the Ancient of Days, to increase the God-consciousness of responsibility in all sons and daughters of God and Keepers of the Flame by the action of concerted effort, self-discipline, selflessness, and adherence to the will of God, that the holding light and the staying power might be made manifest for the victory of the light of the Mother and the Manchild in America in this hour of the turning of the cycles and of the passing of the torch.

In the name of Jesus the Christ, I call to the legions of Archangel Michael, to beloved Hercules and Amazonia, mighty Arcturus and Victoria, legions of light from the heart of the Great Central Sun, to the Spirit of the Christ Mass, to the twelve legions of angels from the heart of the Father-Mother God who serve the Lord Christ, to bind the fallen ones who look to dash the cup of the new wine of the Spirit before it is anchored in America on her birthday. By the authority of the Cosmic Christ, I demand and command the binding of all who are not of the light within and without America who would interfere with her God-ordained destiny in this year 1976 and in every year until the fulfillment of her divine plan in the victory of the golden age of Aquarius. 17. By the authority of the I AM THAT I AM, the light of God which never fails anchored within my heart, I call to the legions of light and the great hosts of the ascended masters to cut free Keepers of the Flame that they might anchor their heart's love for the victory of freedom in the nation's capital

I declare before Almighty God that I AM with the legions of light, that I would be counted among those names who will go down in cosmic history as the liberators of America, of Terra, and of this system of worlds.

37. In the name of Saint Germain, in the name of the I AM THAT I AM, I declare that I AM and that I must be the sword of the sacred Word, that I must be the pen of truth, that I must be the fire that ignites a world, and that I will be the fullness of the manifestation of the will of God, the wisdom of God, and the love of God for America. I will fulfill my karma and my dharma! That which I AM I will be to the utmost and to the fullest in the wholeness of the sacred fire.

In the name of Jesus the Christ, I make my decision to be the light of God that never fails for America and for the American people, and I make my declaration before the Lords of Karma and before Saint Germain that I will champion the cause of light and I will be the fulfillment of the teaching of the Buddha, of the Mother, and of the entire Spirit of the Great White Brotherhood.

Behold, I AM the open door which no man can shut! I open my consciousness, my being, and the temple of my life that Saint Germain and Morya, Lanello and Jesus, beloved Mother Mary and Archangel Michael and all the hosts of light might walk through me to fulfill the dream of God for the victory of the light on Terra as the prayer and the answer to the prayer of a child, as the longing and the fulfillment of the longing of the people for freedom, as the law and the fulfillment of the law of love, as God desiring to be God throughout the cosmos.

38. Now let the violet flame from the heart of Saint Germain fill in those areas of the landed surfaces of America in the physical, astral, mental, and etheric planes which present a problem for the elementals and for hierarchy. By the authority of my own I AM God flame, I am releasing the light of my causal body in conjunction with the release of the light of the causal body of beloved Saint Germain to fill in the cracks and fissures in the land, to fill in those places in time and space where there has been experimentation with nuclear power within the earth and every planet and satellite in this system of worlds. I AM the balance of the flame of freedom with Saint Germain, with God Tabor and the God and Goddess Meru. I AM the balance with Cuzco, with Surya, with the Four Beings of the Elements and the Four Cosmic Forces for the perfection of the flow of the light from Spirit to Matter and from Matter to Spirit.

I AM THAT I AM in the victory of the Christ consciousness/ I AM filling in the gaps of ignorance, envy, and jealousy, the conditioning of hatred and ingratitude/ all fear and doubt and human questioning, all records of death and injustice, all disobedience, stubbornness, and defiance of the law/ all rebellion and patterns of rebellion in the subconscious of the race, all criticism, condemnation, and judgment, all indecision, self-pity, self-justification/ all conceit, deceit, arrogance, and ego, all intrigue and treachery, all selfishness and self-love, all resentment, revenge, and retaliation/ Let the fissures in the four lower bodies of the people caused by these conditionings be saturated with the violet flame and with the blue lightning of the mind of God/ And let the cause, effect, record, and memory of all human infamy be consumed in this action of the sacred fire from the heart of the mighty Elohim, the archangels and chohans of the rays/

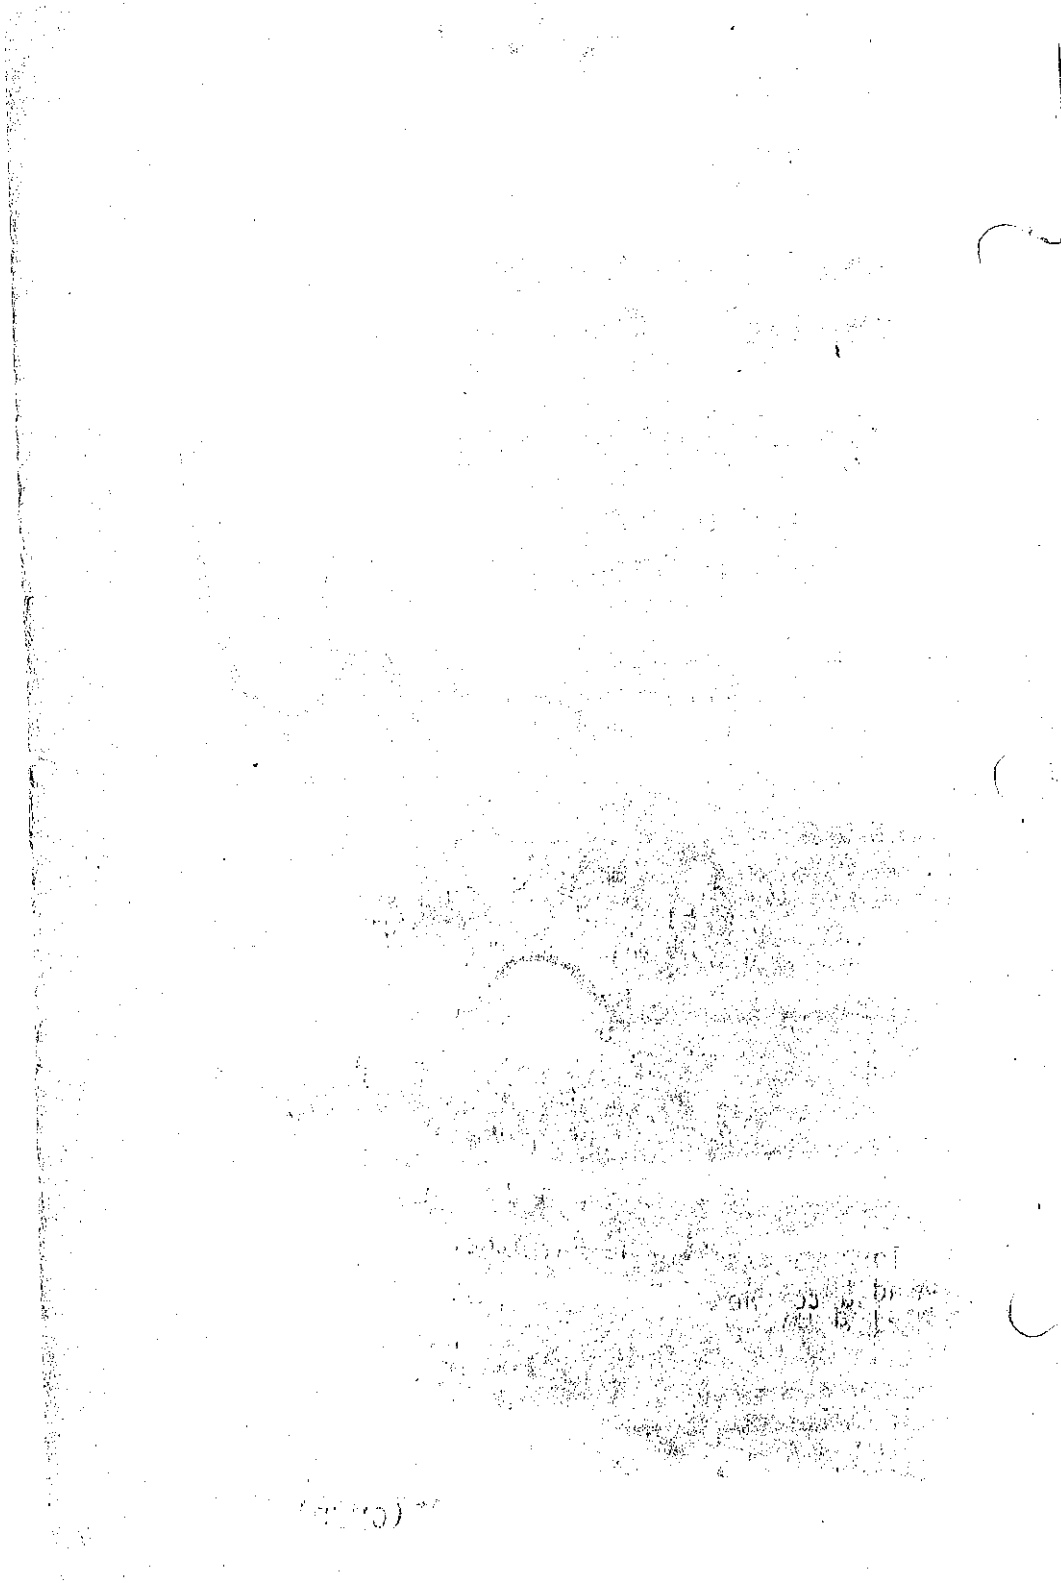

39. In the name of Jesus the Christ, I AM a devotee of the light of God which never fails and I call to the heart of beloved Saint Germain to fill in my four lower bodies with the light necessary and sufficient for the regeneration, the rejuvenation, the resurrection of my entire consciousness, being, and world/ Let the light of the Holy Spirit for Aquarius, the infilling light, and the light of the violet flame be released

from the amethyst crystal of the Mother of the World amplified by the power of the three-times-three from the heart of beloved El Morya and beloved Lanello!

40. In the name of Jesus the Christ, I AM a son of God and I go forth with a will to win and with a flame of freedom singing in my heart, in my soul, and in my mind/I go forth with the children of the Mother, cheering her on, and I go forth with the teaching of the Mother and the light of Gautama!

In the name of Jesus the Christ, in the name of Saint Germain, in the name of the I AM Presence and the Christ Self of all, we will not fail! We will not fail! We will not fail! We will be victorious! We will be victorious! We will be victorious! Lo, because thou art, O God, I AM! I AM Sanctus Germanus within the heart of America, within the heart of a mother, within the heart of every Keeper of the Flame. Lo, I AM the victory of America in 1976! So be it!

In the name of the Father and of the Mother and of the Son and of the Holy Spirit, it is done, it is sealed, it is finished! It is done, it is sealed, it is finished! It is done, it is sealed, it is finished!
