

Prayer to meet up with K-17 at the Retreats of the Great White Brotherhood during sleep

Instruction:

As you retire for the night, visualize or use a picture of the Washington Monument, which is a great focus of light of the Great White Brotherhood. When your soul reaches the obelisk, you will be guided to the place/retreat that you can meet up Beloved K-17.

Father, into thy hands I commend my spirit...

O my soul, let us arise from our abode...

Mighty I AM Presence and Holy Christ Self, I call to Archangel Michael and his legions of blue-lightning angels to protect and transport my soul clothed in her finer bodies, according to the direction of my Holy Christ Self, to the retreat of the Ascended Master Lanello at Bingen on the Rhine river or the Arabian retreat with Jesus and Lady Master Nada, or wherever I can study under the tutelage of Ascended Master K-17 this night.

Beloved Holy Christ Self, help me to remember upon awakening all that will help me to fulfill my mission on earth and the mission of my twin flame. Escort me, instruct me, guide and protect me as I work to set free all life on earth.

I accept this call manifested through the power of the Christ and am thankful for its realization. In the name of the Father, the Son, the Holy Spirit and the Divine Mother, Amen.

I ask this be done in accordance with the holy will of God.
