TRIBUTE TO SHAMBALLA

O SHAMBALLA! GOLDEN CITY OF THE SUN!

Our point of origin! Our point of return!

Thou great spiritual center of the illumination of all ages!

Shamballa, mystic city of fair radiance! Shamballa, queen of the cities of the earth!

We bow before thy presence... and approach the sacred orbit of thy radiant aura in humble gratitude, as we desire to come to your gates and be received in that heart chamber of this magnificent island of Light, island in the sky in the Gobi Sea of Light.

...

The legendary Shambhalla is the ancient home of Sanat Kumara, and the current residence of Gautama Buddha. It is located in the etheric realm over the Gobi Desert in China. This retreat, once physical, has since been withdrawn to the etheric octave, or heaven-world.

The hierarchical office of Lord of the World is vested with the highest authority of the Godhead on behalf of a planet and its evolutions. The holder of this office focuses all of the planes of God's consciousness, including those of the five secret rays throughout the planetary orb. He holds the balance of peace in the four lower bodies of the planet.

On December 31, 1976, Gautama and Sanat Kumara, announced that America is the place where "we will transfer Shambhalla, here we will transfer that city of light one day. It will be the implementation now of a secondary forcefield, the Omega aspect of Shambhalla, as the Alpha aspect remains positioned where it is..."

Shambhalla is one of fourteen Etheric Cities of Light. Long, long ago souls of Light stepped forth from that city to descend into these octaves. There are other etheric cities, one over the Sahara Desert, known as the Golden City; another over the Arizona Desert, the Desert in Brazil and over Glastonbury, England. These etheric cities are the archetype of golden-age communities that are waiting to be lowered into physical manifestation on earth.

However, before this can happen, the negative vortex of energies, decay and darkness now concentrated in all of the major cities, must be dissipated.

So, the sons and daughters of God must deliver Light to rescue lifestreams from degeneration, moral decay, darkness and death that is upon the people of every nation, due to the negative vortex of energies now concentrated in all of the major cities of the Earth in every nation.

There must be a renewal of the underlying energy source at the very core of life of all cities. We must have a resurrection of this energy source, that is intense enough to support, at inner levels, the life of millions of souls residing in these cities.

This will be the beginning of the turning of the Earth, leading the way for the golden age.

Praise the LORD, I AM THAT I AM, Sanat Kumara!

...

HYMN 460: PRECIOUS GAUTAMA - To the Lord of the World Who Wears the Mantle of Sanat Kumara

Precious Gautama
We welcome you as our new Lord
We want to serve you
So help us, Great Karmic Board.

Now help us to manifest here
Help us outpicture our Father, so dear.

We are so grateful
That you have prepared to this time
Ready and willing
To free such a friend sublime!*
To you we're grateful
For showing us God's Middle Way
Help us to live in its vict'ry each day.

Gracious Gautama
Our teacher and friend of the past
Flood men with wisdom
And set them all free at last!
Bless them with freedom
And hold them in Love's violet fire
Purify always their every desire.

Helios and Vesta
Reward this great Master of Peace
Flood all his being
With blessings that never cease!

HYMN 213A: BELOVED LANTO, Lead Us to Shamballa Again

Great Light of ancient China

Word of wisdom, Chou dynasty
Descend now, beloved Lanto
In the presence of the great T'ai Chi.

Beloved Lanto, our love to Lanto
O splendid *Star of God*
Lord of the Second Ray
O splendid *star*, O *Star of God*
Descend to us we pray.
O *star of Light*, our souls' delight
We call to you today.

O mission of the *secret love star*
Golden flame, illumination
Descend now, O Chinese-green fire
Abundant life, precipitation.

Beloved Lanto, our love to Lanto
O splendid *Star of God*
Lord of the Second Ray
O splendid *star*, O *Star of God*
Descend to us we pray.
O *star of Light*, our souls' delight
We call to you today.

Interlude-8 measures, 2/4 time

Angels of illumination flame
Expand now the golden lotus flame
Form bodies of light, a hallow'd space
Form a cathedral about this place.

O sphere of Father-Mother God
Great power of the Central Sun
Great brightness of the golden dome
Illumine the pathway, lead us Home.

Dear Lanto, pierce the veil of ignorance
We flee to the tower of Christ consciousness.
Lord Gautama Buddha, Grand Teton flame
Call the dear children back Home again.

Dear Mary, Blessed Mother, Sri Mata
Confucius, blaze the way to Shamballa.
Apollo, Lumina, Jophiel and Christine
Lead us to Shamballa again.

Beloved Lanto, lead us to Shamballa again.

INVOCATION TO THE SECRET LOVE STAR

(from 'THE MAGIC PRESENCE' by Godfre Ray King – the Beloved Great Divine Director)

Leader:

The Secret Love Star is a reservoir of constructively Qualified Energy of Various Divine Virtues created from the Causal Body cumulative of all evolutions who have won their victory on our sister star, Venus. You can draw upon its power at any moment to give assistance and actively intercede for humanity and Earth.

Let us invoke its secret power... Together...

O Children of the Light! O Flames of the Morning! Call unto the Secret Love Star!

Let Its Rays weave for you an Eternal Garment of Transcendent Loveliness, and wear upon your Heart the Jewel of the Sacred Fire!

Let Its Glory pour through you, that yours may be the Scepter of Power Supreme!
Speak only the Decree of Love, that Perfection may be everywhere!

Listen to the Sound of Its Voice, that all may hear the Song of Joy, gaze only upon Its Light, that the Flame from the Seven Elohim may rest upon your forehead!

Hold the Cup of Liquid Light, and forever pour forth Its Life-giving Essence. Then the Rays from the Diamond Heart shall illumine your pathway, and when the Knight Commander raises His Sword of Flame, you shall pass through, and stand face to face with Your Own Divinity upon the very Altar of Life; for within That Holy of Holies is the One—Omnipotent in Blazing Glory— Your Own Beloved Self The Magic Presence— 'I AM.'
