

## **GOD GOVERNMENT UPHELD BY LAW!**

O Beloved I AM Presence and Holy Christ Selves of all mankind, hear our invocation to Thee for your will to be made known to us and to be upon our leaders, through the heart of Beloved El Morya, Beloved Surya and Cuzco, Beloved Saint Germain and Beloved Guru Ma and Lanello. We call to the Almighty for the full blueprint of God-government, that the individual genius of each nation, each state, prepare each group to be fulfilled through a consciousness of community, a working together, a caring for one another.

Beloved Ascended Master St. Germain, reawaken America to its original intent to be a pilot nation for the republican, representative form of government according to the inner path of initiation, and as the intended place for those who come to pursue the light of God and find the new order of the ages based on the four freedoms-Novus Ordo Seclorum, symbolized on the Great Pyramid on our dollar bill. Let those with the greatest attainment in Christ consciousness rise to the position of being statesman and great examples of virtue to the people in this and every nation.

Restore in us a right heart O God! and maintain the integrity of our souls and our soul's relationship to Thee. Inspire every ruler or governing body-be it the single enlightened despot or a committee or a larger group or the people themselves— to consider its supreme obligation to be the safeguarding of the individual's right to become one with God.

Teach us first, Beloved El Morya and the Darjeeling Council, that the authority of the Word is the authority that we must express first in self-government, by the use of the Word and of the mantra, assist us to transmute the injustices we find in the social order and to invoke the light to build the new temple and the new order of the ages.

We call for the full power of All-Seeing Eye of God to enable us to have the faculty of discrimination, or the gift of discernment of spirits. Let the truth of God expose right and wrong, truth and error, good and evil. Let us use our right to vote and every means available to us in our representative form of government to remove those individuals who espouse causes that are not centered in the light of God and to elect those into office who have both the ability and the dedication to the will of God.

Let us meditate upon the heart as the source and seat of consciousness and pray to be illumined, be up to date and fully informed as to the facts, the issues, the record of our representatives. We call to you O Lord for your will to be made known to us and to be upon our leaders.

Through the present system that we have in the United States under our Constitution as recommended by the Darjeeling Council for our present level of evolution, let this republican form of government with a constitution with checks and balances such as we have, be adopted, be recognized as the most advantageous for the individual development of the Christ consciousness.

Let our choice then be to render the greatest service to all men and women upon the planet wherever they appear on the social scale, from the poorest to the wealthiest, from the weakest to the strongest, from the most unspiritual to the most spiritual, from the foolish to the wise. Through the heart of El Morya, help us serve them all to fulfill our divine office. Where human reform is needed, let us be about our Father's business; but let us put the brakes on those unfortunate situations that literally tear from man the vital energies of his life, leaving him a profitless servant.

We thank thee O God as we humbly implore thee, let your Holy Will be done! Amen.
