

A SACRED OPPORTUNITY:

HEAR LECTURES GIVEN AT THE TEMPLE OF ILLUMINATION

Leader:

"Of the many lectures and addresses that the God Meru and I have given before multitudes on the etheric plane, there are specific ones that may be heard by you if you but make the call and the attunement. It is as though you were to take a tape recording of one of your messengers' lectures, to play it back and to hear it. So you can, by tuning in to our retreat, receive these lectures that we have given.

"And therefore, our message to you this day can be an unending one. For if you so desire, and if you make the invocation each day, all through your life, you can be receiving the words of the God and Goddess Meru into your etheric body.

"Your outer mind may not have the full awareness of these lectures, these teachings, but step by step as you rise higher, you will have that awareness of the mind that was also in Christ Jesus. And you will know because you are known of God. You will know because the known laws of God are anchored within your forcefield, within your consciousness, being and world.

"This is a sacred opportunity, one that ought not to be taken lightly or forgotten. May I suggest, then, that you make note of this dispensation and that each night before retiring, each morning before getting out of bed you remember to make the call for the continuing release of wisdom from the heart of the God and Goddess Meru."

-Goddess Meru, "A Fiat of Solstice: A Petition for Quickening and for Judgment," December 22, 1973

20.01 GOLDEN WAVES OF PEACE

O Glorious Golden Flame of Illumination from the heart of God in the Great Central Sun: In the name of my beloved I AM Presence and Holy Christ Self, blaze forth now from the heart of beloved Alpha and Omega, from the heart of beloved Helios and Vesta, and from the heart of beloved God and Goddess Meru into our individual hearts and minds, flooding them with the precious oil of Illumination poured out in limitless radiance into our chalice attention.

Beloved Mighty God Presence I AM in me and in the heart of the Great Central Sun, beloved Alpha and Omega, beloved Helios and Vesta, beloved Great Central Sun messengers, all cosmic beings, powers, and legions of Light, beloved Lord Gautama, beloved Guru Ma and Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth!

Insert: I call for the reactivation and amplification of the dispensation of the Goddess Meru given on December 22, 1973 from the class titled: *A Fiat of Solstice: A Petition for Quickening and for Judgment*. Beloved Goddess Meru, raise my awareness to that Mind that was also in Christ Jesus. Anchor the laws of God within my forcefield. Raise my entire consciousness, being and world to the frequency of the Temple of Illumination at Lake Titicaca so that I can be attuned to your electronic presence 24 hours a day.

Let me receive the many lectures and addresses that the God and Goddess Meru have given before the multitudes on the etheric plane. Deliver these lectures as an unending message, all through my life, as though I were to take a recording of one of the messengers' lectures. Transmit them directly into my etheric body, 24 hours a day. I implore the Goddess Meru to assist me that each day I AM able to make higher and higher attunement in the Mind of God so that I can gain a fuller awareness of the significance of your lectures and teachings.

I give praise and gratitude for this is sacred opportunity: an opportunity that ought not to be taken lightly or forgotten; and as the Goddess Meru has suggested I will make the call, before retiring at night and before getting out of bed in the morning,... as I implore the God and Goddess Meru for the continuing release of wisdom from your hearts into my entire consciousness, being and world.

Come, come, come now in the fullness of thy power and direct thy precious light rays of Divine Illumination from the spiritual sun into our beings and worlds, flooding all with the golden flame of Christ Illumination, understanding, perception, and peace from the heart of God's own omniscience.

Come, come, come, O Divine Illumination's Ray;
Come, come, come into my world to stay;
Come, come, come in golden waves of peace;
Come, come, come, thy Wisdom Flame release! (9x)

I AM receiving, accepting, and absorbing the flame of Cosmic Christ Illumination from the very living presence of the God and Goddess Meru in the Temple of Illumination. (9x)

O Flame of Light bright and gold,
O Flame most wondrous to behold,
I AM in every brain cell shining,
I AM in Light's wisdom all divining
Ceaseless, flowing fount of Illumination flaming,
I AM, I AM, I AM Illumination. (9x)
