LANELLO'S MOUSE TOWER CHATEAU ON THE RHINE

TO SHOWER THE PLANET WITH FEARLESSNESS FLAME

For Clearing the Conscious and Subconscious
Energies of Fear of the People for the Healing of the Nations

“Now, I say, would you not feel just a little bit sheepish to ever again entertain fear? So, then, I have succeeded in my mission in coming. I have conveyed to you the momentum of my love for fearlessness, for I see how fearlessness liberates the creative power of the cosmos! I have seen what a world can be without fear. I have seen the glistening of the crystals of the mind of God, the creativity, the divine art and the culture. I have seen what life can be when life is free of doubt and fear and death! So, O God, O God Almighty, let these be the electrodes that convey to Terra the new birth in fearlessness flame.”

DEDICATION/BACKGROUND

Leader:

We dedicate our ritual in deepest love, gratitude and devotion to our beloved Everpresent Guru Lanello and our blessed Mother of the Flame, Guru Ma; as well as our many brothers and sisters from the Summit Lighthouse, who have gone before us to prepare the way.

In her book, Memories of Mark, My Life with Mark Prophet, Annice Booth, recounts...

As we were driving along the Rhine River, enjoying the exquisite beauty of the scenery, Mark suddenly cried, 'Oh, there's my mouse tower on the Rhine!' I thought I had better keep quiet because I had no idea what the 'mouse tower on the Rhine' was. He said, 'Mrs. Booth, did not you read Longfellow's Children's Hour where he mentions the Bishop of Bingen and his mouse tower on the Rhine?'

Mark said the radiation was so strong that he could recognize the focus immediately.

The mouse tower gets its name from the legend about the cruel Bishop of Hatto who was allegedly chased by mice to the stone island in the middle of the Rhine, and taken out by the army of mice in the tower. And this is where our beloved Lanello maintains his Retreat, known as his Chateau on the Rhine.

Apollo and Lumina explain why Lanello's retreat was established in Germany: "...the love of Lanello and his own consort ... was the very cause of the establishment of that retreat on the Rhine as a dedication of the pillar of fire and their sponsorship thirty-three centuries ago in the incarnation of Ikhnaton and Nefertiti. For ... that focus has been for the sponsorship of the reincarnation of the lightbearers of ancient Egypt in the nation of Germany this day."

Lanello as Ikhnaton introduced a revolutionary religion into Egypt based on the worship of the one God. The culture that King Ikhnaton and Queen Nefertiti brought forth in art, poetry and music was under the direction of the Brotherhood, inspired from Venus and the ancient lands of Mu and Atlantis when these civilizations were at their height.

O Master Lanello, we petition that you open your retreat to us. O Holy Christ Self, Archangel Michael escort our souls and solar awareness to Lanello's etheric Chateau on the Rhine, where we, as unascended life, can consciously cooperate with the ascended masters to strip our earth of all destructive fear and anxiety, to flood terra with the Golden Liquid Light of the God of Gold and of Helios and Vesta, to bring forth the gold of the Buddhic light and Christ consciousness, and to expand the teachings of the Ascended Masters, moving forward to precipitate the Golden Age..

Let us start by attuning with our beloved Lanello by singing song 517, I Shook Lanello's Hand. And after that we will give our prayer of attunement with our Everpresent Guru.

HYMN -517- I SHOOK LANELLO'S HAND

I can say that I shook Lanello's hand!
I can say that I knew him as a man!
Yes, I walked the earth beside him
Never knowing that he'd leave

Oh, so soon that this great man would ascend.
Oh, we called him many things upon the earth.
His name was Mark—it was given him at birth.
He was Sri to those he taught
And for the poetry he brought
He would pen Lanello as his signature.

Chorus:

He was a Prophet, 'twas his mission and his name!
And those whose lives he touched will never
be the same!
You could tell that he was purity
And you could read the truth
In the holy words he spoke in God's name.

Interlude—5-1/2 beats

He was a shepherd and so proud of his sheep!
And he gave them portions of the Flame to keep!
He bestowed upon his children
An awareness of their Christ Self
And I thank the Lord Mark Prophet touched me.
(Sing chorus)
He was so gentle he could soothe a baby child!
Yet God gave him pow'r to make the storm run wild!
Not a greater man you'll see
More than once in a century.
He's not gone, Mark is with us all the while.

(Sing chorus twice without interlude)

GROUP PRAYER FOR ATTUNEMENT AND ONENESS WITH OUR EVERPRESENT GURU

Behold! I AM Everywhere in the Consciousness of God! (3x)

In the name and by the authority of the beloved mighty victorious Presence of God, I AM in me, and my beloved Holy Christ Self, I invoke the power and authority of the mantle of my Ever-Present Guru, Mark L. Prophet, our beloved Lanello. I claim his Torch of Illumination and Lanello's solar awareness of God—that it be mine as well!

I pray for my unity with the master's consciousness! And I claim no selfhood apart from my beloved Guru. O beloved Master Lanello, I feel no separation from thee, and I desire to become a part of the whole of your consciousness that has in itself already merged with the Whole. And thus, I chant the love song of our oneness...

Drink me, while I AM drinking thee! (3x)

Lanello, place your Blue Flame Cape over me—and walk hand-in-hand with me conveying to me the momentums of your embodiments. Let me have access to the spheres of light from your Causal body at any hour of the day or night. As well as those energies anchored in your soul and seat-of-the-soul chakra, giving me a much greater awareness, sensitivity, attunement and foreknowledge of light, as well as a foreknowledge of danger coming upon me.

O my Ever-Present Guru, I desire to sit in the circle of your awareness, in the circle of your aura, as I would sit around a giant Table Round. Let my soul be placed on the line of the cosmic clock that I have earned the greatest mastery. And I desire / I vow that through perseverance and developing attainment I will occupy those seats on that integral point of light by degrees, closer and closer to the center until I merge with the flame of your very being.

I claim this earth as the LORD's and the fullness thereof... And I declare that I AM the multiplication of the body of God upon earth! I AM the awareness of the all-oneness of the body of God, as above, so below. And proclaim for all time, we are one!

So be it. It is done. In the name of the Father, the Son, the Holy Spirit and the Divine Mother, Amen.

HYMN 546 - OUR BELOVED SANAT KUMARA

Sanat Kumara, Regent, Lord, and King
To thy great Presence praises now we sing
Off' ring our gifts of humble service true
Reverence and honor to God for you
Thou art God's glory, majesty, and grace
Thy patient care for earth held her place.

All through the ages that have gone before
 Thy love has been for earth an open door
 Held in thy Light, sustained by thy great pow'r
 And in thy wisdom guided each hour
 We feel thy peace in love's own God-control
 As thy great wings of love now enfold.

Glory and honor unto thee belong
 Let all adore thee now in grateful song
 As all that live upon this planet raise
 Heart, soul, and spirit—thy name we praise
 Great Central Sun, thy gifts of love we call
 For our dear friend of Light, Lord of all.*

As for dear Venus, Goddess from the Sun
 Bless their dear planet, all life thereon.

DECREE 7.21 with insert

Leader:

Now I would turn your attention to the decree "Strip Us of All Doubt and Fear." This surely does invoke the entire momentum of the legions of fearlessness flame. Ray-O-Light is an ascended master who focuses this flame. Visualize the fearlessness flame, a brilliant white flame tinged with green, penetrating all feelings of doubt and fear, gloom and doom, death and disease as we give this decree.

In this instance, we will do as our decree book recommends, 'whenever appropriate, you may replace the word "doubt" with "death" and use alternate endings. So we will use the phrase, "Strip the earth of Death and Fear". We will give the body of this decree, three times through as a mighty fiat. Together...

O God! O Fearlessness Flame! Legions of Ray-O Light, come forth!

Release the full-gathered momentum of the white fire of purity's ray to cleave asunder all unreality on terra. Clear! all energies of chaos and confusion, subconscious fears that cause illness, division, political strife and war, and all patterns of death!

O God! O Fearlessness Flame! Legions of Ray-O Light, come forth!

Release the dissolving action of the piercing chemical ray of the Godhead, that fiery blue-purple flame, to melt all substance of death, the weight of the death consciousness, all anxiety and fear, all gloom and doom, all records of death, and all blasphemy against the flame of life! Let fearlessness flame *pierce*, then, the darkness surrounding the children of God!

O God! O Fearlessness Flame! Legions of Ray-O Light, come forth!

O God! O Fearlessness Flame! Legions of Ray-O Light, come forth!

Release the intense white light edged in brilliant emerald-green to sweep, sweep and sweep across the globe to defeat the foe of fear and doubt, and to challenge the last enemy—death—which shall be overcome in the Light of the Christ!

And thus we affirm... Death is not real! We have no doubt about it! Life is real—universal and triumphant!

O God! O Fearlessness Flame! Legions of Ray-O Light, come forth!

Servatus, come forth! in this unprecedented moment of earth's history when there has never been a greater need for healing,

O God! O Emerald Ray! Legions of Servatus, come forth!

Come forth! Great overseer of healing angels, with your legions, to minister unto mankind under the blessed archangel and the archeia of the fifth ray. Come forth, at the behest of Mary the Mother, Archangel Raphael and by dispensation of the Lords of Karma.

O God! O Emerald Ray! Legions of Servatus, come forth!

Heal the nations! Heal the consciousness of the people! Let the Emerald Matrix restore Christ perfection, reestablish wholeness in the souls of earth and precipitate the Edenic blueprint of all that emerald ray touches....

O God! O Emerald Ray! Legions of Servatus, come forth!

Beloved Mighty I AM Presence you take complete command and control of this entire situation and all human creation. You have the power and it has no power! Let earth and her people experience rebirth as a vital, living fire.

O God, let it come forth! We decree it so! And in the name of the Christ, it is so!
Amen.

Together...

Beloved great I AM.

Strip the earth of death and fear, (3x)

DECREE 20.07 THE JUDGMENT CALL - "THEY SHALL NOT PASS!" by Jesus Christ

In the Name of the I AM THAT I AM,
I invoke the Electronic Presence of Jesus Christ:
They shall not pass!
They shall not pass!
They shall not pass!
By the authority of the cosmic cross of white fire it shall be:
That all that is directed against the Christ within me, within the holy innocents,
within our beloved Messengers, within every son and daughter of God,
Is now turned back by the authority of Alpha and Omega, by the authority of my
Lord and Saviour Jesus Christ, by the authority of Saint Germain!
I AM THAT I AM within the center of this temple and I declare in the fullness of
the entire Spirit of the Great White Brotherhood:
That those who, then, practice the black arts against the children of the Light
Are now bound by the hosts of the LORD,
Do now receive the judgment of the Lord Christ within me, within Jesus, and
within every Ascended Master,
Do now receive, then, the full return—
multiplied by the energy of the Cosmic Christ—
of their nefarious deeds which they have practiced
since the very incarnation of the Word!
Lo, I AM a Son of God!
Lo, I AM a Flame of God!
Lo, I stand upon the Rock of the living Word
And I declare with Jesus, the living Son of God:
They shall not pass!
They shall not pass!
They shall not pass!
Elohim. Elohim. Elohim.

OM CHANT by Tibetan Monks

PRAYER TO GO TO THE TEMPLE OF THE DIVINE MOTHER RETREAT

Leader:

Let us give the prayer to meet with legions of fearlessness flame as we retire, that we can continue our work with Lanello, K-17 and Ray-O-Light.

Father, into thy hands I commend my spirit.

O my soul, let us arise from our abode.

Mighty I AM Presence and Holy Christ Self, with Archangel Michael and a cordon of blue-lightening angels, transport my soul clothed in my finer bodies, fully equipped with the armor of God, to the Temple of the Divine Mother, the retreat of Lady Master Venus over Paradise Valley and the Royal Teton Ranch in Montana this night.

I apply for the dispensation that the Lords of Karma have released, that I can become a part of the bands of Ray-O-Light, Lanello and K-17 to receive training that I have not had for thousands of years with the legions of fearlessness flame.

Escort me, instruct me on the path of Fearlessness, and guide and protect me and all co-servers, I pray Thee, now and always as we serve to cut free all life on earth.

Beloved Lanello, help me to remember upon awakening all that will help me to fulfill my mission on earth and the mission of my twin flame. I accept this call manifested through the power of the Christ and am thankful for its realization. In the name of the Father, the Son, the Holy Spirit and the Divine Mother, Amen.
