

DECREE 7.05M: ALPHA'S AGENDA—REVERSING THE TIDE OF WORLD COMMUNISM

"Beloved ones, for earth to be saved, World Communism with all of its supporters, agents and tools must go down."

~Alpha's Agenda--The Presence of God-Justice in the Earth

O Eternal Flame of Alpha and Omega,
O Invincible Majesty of the Light, O Maxim Light—I call it forth the light of Maximus,
the light of Elohim, of Central Sun Magnet—let earth be sealed in Elohim in this hour.

And I declare this eternal Truth:
I AM Alpha, I AM Omega! I AM Omega, I AM Alpha!
I AM Alpha and Omega, the beginning and the ending,
in the white-fire core of being, God's being—being of Elohim and all Life
where I stand.

O Alpha, O Omega in the person of Almighty God in me, give forth the Word
and the fiat for the transformation of worlds, for the involution and evolution of
worlds, turning this earth inside out and upside down, through the power of the
magnet from the heart of the Great Central Sun.

We, the one body of God upon earth, ratify the Word of our Father Alpha: "Lo, I
[Alpha] AM the implementation of the word of Justice in this hour! I AM the drawing of
the line of Justice in the earth. And it is the line of Alpha. And this line does make its
way, therefore, through all those who are the embodiment of injustice...[for] the
defeating of the violators of this Spirit of Cosmic Freedom—the agents of World
Communism and all conspirators of West and East with it."

Almighty God.
O my Father-Mother,
Use my being, my chakras, my heart,
My mind, my consciousness, my soul
Twenty-four hours a day
To release thy mighty Light rays,
and to empower me this day from the heart of the Great Central Sun
by that living Word with Brahman.

And therefore, as a son of God, I raise my hands and implore Alpha and Omega to
place their hands over my own, so the fire does flow from my secret ray chakras to bind
these dark ones by the Spirit of Alpha in me, by the Alpha Star of Being, by the light of
the Divine Mother, Omega, and the full force of the clap and the thunder of the
Cosmic Virgin, and thus, I decree:

TAKE DOMINION NOW OVER:

The cause and core of the lie of World Communism with its present intent to make inroads into the systems and the minds of the people through its Marxist doctrine for world takeover; all centers of World Communism and Communist aggression supported by capitalism with their Luciferian and laggard backing attempting to take over this planet; all conspirators of World Communism and its supporters, agents, tools and forces of Darkness that are planetary as well as intergalactic; all Communist control, infiltration, and spy activities working through 'deep state' organizations such as the World Economic Forum, the United Nations, the World Health and Food and Agriculture Organizations and the European Union; those fallen angels who have positioned themselves in the economies and the governments of the nations, in 'Big Pharma' and in the banking houses to exercise absolute control over the people and the entire planetary body; all plots, plans, preparations, and current activities to occupy or destroy the United States of America, Taiwan, China, North Korea and all countries besieged by the dragon of World Communism—with their causes and cores.

Roll them back! (3x)
Set all free! (3x)
Reverse the tide! (3x)

*(*Repeat this section 3, 12, 36, 108 or 144 times.)*

In the name of Alpha and Omega, we, the body of God on earth, are the authority for Terra, and by the full power of the Liberty flame, we call to the hierarchs of the Aquarian Age, beloved Saint Germain and Portia and to the entire Spirit of the Great White Brotherhood to draw forth the Cosmic Spirit of Freedom and the Cosmic Spirit of Justice from out the Great Central Sun for the turning back of World Communism. We pray for the awakening of the people of terra! Let there come forth the educational/informational resources to precipitate a massive reeducation and realization in the children of God that a New Day of opportunity can manifest on earth.

O Father Alpha! O Mother Omega! Let our Oneness nevermore be broken! O Light of the Great Central Sun, O Lord Maximus, maximize Light and the action of our calls! Multiply the judgment of love, multiply the resurrection, and multiply the preaching of the Word! It is so! Amen.
