

## **TIMELY CALL ON FALSE FLAGS**

**11/28/18 especially for Dec. 2018**

In the name of my Mighty I AM Presence, Beloved Cyclopea, Pallas Athena, Hilarion and the Legions of Truth, Astrea, Archangel Michael and St. Germain, bind all false flag operations; all wars and rumors of war; all divide and conquer tactics; and any and all Deep State plots or involvement at the national or international level. Expose them to all the world! Expose and bind the Nephilim playbook of PROJECTION, and their endlessly projecting their evil, energy inversions and their ungodly/unlawful motivations onto the Lightbearers to produce a sense of unworthiness, guilt, shame and blame.

Bind the culture war against Life, Western Civilization, and the incoming Aquarian Age Culture of the Divine Mother. Let the cause effect record and memory of all this be rolled up finally as a scroll for eternal adjudication. Let the blood of the prophets, the saints, and the holy innocents be recompensed in these eternal cycles. Let the light of the Cosmic Virgin shine forth!

Bind the globalist-controlled mainstream media throughout Terra. Expose the lies of their talking points, endlessly repeated to create chatter, demoralization, confusion and chaos, including support of censorship and fascism. Expose to all Lightbearers of Terra the ancient strategy of engaging the lower self of God's creation, subverting and diverting attention, and using that stolen Light to create anarchy.

Expose and bind all divide and conquer in alternative media. Let every child of God, every Son and Daughter of God attune with the Christ-discernment of their heart for the cleaving of the Real from the unreal. Oh, Beloved Maha Chohan, help us Older Souls and all Lightbearers in our positions in hierarchy to judge righteous judgment in God Love. And let all warring in our members and in the members of the body of God on Terra CEASE! Beloved Micah, UNITE us in holy purpose.

And we authorize the angels to act on our behalf to halt all potential manufactured events we know not of, which could curtail freedom of God's people on Terra. Let all be adjusted according to God's will and timing. AMEN
