

***The Fourteen Stations
of the
Cosmic Cross of White Fire***

1st Station Initiation: 12:00 Line, Capricorn and God Power

Jesus is Condemned to Death

- We stand and face the non-reality of death on this planet
- “But he held his peace, and answered nothing. Again the high priest asked him, and said unto him, Art thou the Christ, the Son of the Blessed?/ And Jesus said, I am: and ye shall see the Son of man sitting on the right hand of power, and coming in the clouds of heaven. Then the high priest rent his clothes, and saith, What need we any further witnesses?/Ye have heard the blasphemy: what think ye? And they all condemned him to be guilty of death.” (Mark 14, 61-64)
- When we are on the first station of the cross and feel the heaviness of the weight upon us of world condemnation of the Son of God, we acknowledge it, and immediately call for the transmutation of personal and planetary momentums of the condemnation to death not only of Jesus Christ, but also of the Mother and her children, born and unborn.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

2nd Station Initiation: 1:00 Line, Aquarius and God Love

Jesus is Made to Bear His Cross

- We accept the Cosmic Cross of White Fire, Blue Lightning and Violet Flame for the consuming of all opposition to the balancing of our karma and the fulfillment of our Dharma
- “And it was the preparation of the passover, and about the sixth hour: and he saith unto the Jews, Behold your King! / But they cried out, Away with him, away with him, crucify him. Pilate saith unto them, Shall I crucify your King? The chief priests answered, We have no king but Caesar. / Then delivered he him therefore unto them to be crucified. And they took Jesus, and led him away. / And he bearing his cross went forth into a place called the place of a skull, which is called in the Hebrew Golgotha.” (John 19,14-17)
- The salvation of the world carried a heavy price for our Lord, the agony of the cross. As He accepts His cross, let us also resolve to endure suffering that others may live. Let us pay the price for standing up for our preborn brothers and sisters.
- We bear the cross we have made through all perversions of love—personal and planetary. With our own Christ Self we come down from that cross as we requalify that energy of hatred, mild dislike, irritation, dislike of the Christ within ourselves or within other people, with love. Let us resolve to endure the price for standing up for our preborn brothers and sisters.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

3rd Station Initiation: 2:00 Line, Pisces and God Mastery

Jesus Falls the First Time

- We kneel the first time for the Awakening of our Consciousness to the Mastery of God and His compassion for all life.
- “If the world hate you, ye know that it hated me before it hated you. / If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you. / Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also.” (John 15, 18-20)
- We call for the violet flame transmutation of the cross of the planetary momentum of death, of doubt and fear—fear that God does not exist, doubt in his existence, fear of our own selfhood, fear of separation—and it’s endless human questioning. We surrender all momentums of death and cast them into the Lake of Sacred Fire as we give Glory in the energy of God-mastery, and raise our Consciousness to Thee.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

4th Station Initiation: 3:00 Line, Aries and God Control

Jesus Meets His Afflicted Mother

We meet our afflicted Mother through the Community of the Holy Spirit and within ourselves.

“Now there stood by the cross of Jesus his mother, and his mother's sister, Mary the wife of Cleophas, and Mary Magdalene. When Jesus therefore saw his mother, and the disciple standing by, whom he loved, he saith unto his mother, Woman, behold thy son! / Then saith he to the disciple, Behold thy mother! And from that hour that disciple took her unto his own home.” (John 19, 25-27)

Give us strength in thy wisdom, O Lord, as we choose between the human ego and the Christ Ego and surrender the ego that we love most — the ego that is our own. With Jesus, we find that the one whom he loved most was his mother, and we look into the eyes of Mary, and determine with him that we will go on. We separate ourselves from that which he loved most and therefore slay the carnal mind within through human sympathy, which would cause us to remove ourselves from the Path. We cast all misuse of this line into the Violet Transmuting Flame and all conceit of the ego that would carve out its own path according to its own terms.

I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

5th Station Initiation: 4:00 Line, Taurus and God Obedience

Simon the Cyrenian helps Jesus to bear His Cross

- We out of supreme compassion for each other come together in the Community of the Holy Spirit to help each other to bear our crosses.
- “And when they had mocked him, they took off the purple from him, and put his own clothes on him, and led him out to crucify him./ And they compel one Simon a Cyrenian, who passed by, coming out of the country, the father of Alexander and Rufus, to bear his cross./ And they bring him unto the place Golgotha, which is, being interpreted, The place of a skull.” (Mk. 15, 20-22)
- We desire to come into conformity with the will of God, as we surrender the concept that by might and by power we can do this initiation alone and that we can do it without acknowledging the need for intercession. We surrender to the assistance of the Flame of the Holy Spirit working through the person of the friend.
- We cast out our own internal rebellion; arrogance, stubbornness, and disobedience, as qualities contrary to the requirements of the Law of God, into the flame.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

6th Station Initiation: 5:00 Line, Gemini and God Wisdom

Veronica Wipes the Face of Jesus

- Through the flow of the Holy Spirit, we wipe the face of the Woman and her Seed of the earthly mud that obscures her image.
- “Then the righteous will answer him, ‘Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?’ “The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’ (Mt. 25, 37-40)
- We accept this initiation as the transference of energy from the Teacher to the disciple, from Spirit to Matter and cast all perversions of this line, all ignorance of the teaching and of the Law, into the violet transmuting flame. Cast out all willful ignorance that results in envy and jealousy of those who have the light and passed through this path of initiation.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

7th Station Initiation: 6:00 Line, Cancer and God Harmony and Supply

Jesus Falls the Second Time

- We kneel the second time for the Awakening of our Consciousness to the Harmony of God and His compassion for all life.
- “Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed./ All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all. (Is. 53, 4-6)
- We follow with our Lord Jesus, as he falls on this line, under the weight of the personal and planetary misuses of the energy of the Mother under the Hierarchy of Cancer. O Divine Mother, blaze and transmute through our base-of-the-spine chakra, all misuses and abuses of the feminine ray, of our soul and of our body temple. Blaze the violet flame through all inharmony and discord as challenges and perversions of the emotional body; that manifests as indecision, self-pity, self-justification. Let God be magnified!
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

8th Station Initiation: 7:00 Line, Leo and God Gratitude

Jesus Consoles the Holy Women

- We console the holy women through the Community of the Holy Spirit.
- “And there followed him a great company of people, and of women, which also bewailed and lamented him. / But Jesus turning unto them said, Daughters of Jerusalem, weep not for me, but weep for yourselves, and for your children.” (Luke 23, 27-28)
- In this eighth station, let us join Jesus, as he “...consoles the holy women,” which is the seven o’clock line of Leo and God-gratitude.
- Let us affirm, the joy, the praise, the acclaim, the release in the desire body of that energy of gratitude. We invoke the violet transmuting flame into all misuse of this line as ingratitude, thoughtlessness, density, spiritual blindness, the failure to give forth the release of energy as joy, as gratitude that manifests the victory in Leo.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

9th Station Initiation: 8:00 Line, Virgo and God Justice

Jesus Falls the Third Time

- We kneel the third time for the Awakening of our Consciousness to the Justice of God and His compassion for all life.
- “Save now, I beseech thee, O Lord: O Lord, I beseech thee, send now prosperity. / Blessed be he that cometh in the name of the Lord: we have blessed you out of the house of the Lord. / God is the Lord, which hath shewed us light: bind the sacrifice with cords, even unto the horns of the altar. / Thou art my God, and I will praise thee: thou art my God, I will exalt thee.” (Psalm 118, 25-28)
- Under the weight of personal and planetary momentums of every form of injustice, Jesus fell a third time. In this Virgo initiation, we know when we are carrying the cross on this station, as we experience injustice, and must remember the statement of Portia, the Goddess of Justice, who says, “There is no injustice anywhere in the universe.”
- That is an absolute statement and an affirmation of being. It means that right in the very midst of what appears to be injustice, we can invoke the light of the violet flame and of transmutation, and you can see that behind injustice (which is always either a test or a manifestation of karma—one of the two) is the Reality of God-justice.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

10th Station Initiation: 9:00 Line, Libra and God Reality

Jesus is Stripped of His Garments

- We are stripped of the garments of the consciousness of the fallen ones imposed on the Innocence of our Souls.
- O God, we know, that cosmic initiations are given to the lightbearers and to the fallen ones alike. Let all who are clothed with fine raiment and possess riches and increase in the goods of this world, remember that they may suddenly be stripped of their garments - stripped of their money, supply, outer prestige and momentum - suddenly reduced to nothing, because we are all required to stand naked before God.
- Let us maintain our harmony as we are stripped of all outer ego, stripped of the accumulations of this world, stripped of everything but the light within our heart, as we too pass through the crucifixion. Lift us from dependence upon opinions of other people and material things for our identity.
- May we pass every test that comes to us. When we stand naked before the world, the world will judge us. And as we stand with Jesus, we understand no matter how well we have proven the Law, the world will always condemn. Our Lord said, "Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also." And as we stand with Jesus, let our desire be not for popularity nor acclaim, but let us have but one desire: the salvation of souls entrusted to our care.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)
-

11th Station Initiation: 10:00 Line, Scorpio and God Vision

Jesus is Nailed to the Cross

- We confront the calcified vision and idolatry of the fallen ones for its consumption and the realization of God Vision in faith and truth.
- “And when they were come to the place, which is called Calvary, there they crucified him, and the malefactors, one on the right hand, and the other on the left. / Then said Jesus, Father, forgive them; for they know not what they do. And they parted his raiment, and cast lots.” (Luke 23, 33-34)
- The eleventh station is “Jesus is nailed to the cross,” the ten o’clock line. This cross on the ten o’clock line is the cross of selfishness and self-love. Clear our consciousness in the Hierarchy of Scorpio, and the energies of God Vision. We pray for vision of those who have totally obstructed the third eye by their human selfishness and all those who follow them.
- O God, we take up the cross of the vibration of selfishness that we may see clearly our mission and know God’s Will in all we do.
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

12th Station Initiation: 11:00 Line, Sagittarius and God Victory

Jesus dies on the Cross

- We die to the limited consciousness of the carnal mind in the Victory of the Cross.
- “And it was about the sixth hour, and there was a darkness over all the earth until the ninth hour. / And the sun was darkened, and the veil of the temple was rent in the midst. / And when Jesus had cried with a loud voice, he said, Father, into thy hands I commend my spirit: and having said thus, he gave up the ghost.” (Luke 23, 44-46)
- On the twelfth station, “Jesus dies on the cross,” the eleven o’clock line. We recognize Life as energy, and it can be neither created or destroyed. The life that Jesus lays down goes unto God and permeates the heart of every child of God evolving on earth. It becomes the life of all people. It is the external equation of integration.
- In the the light of our own Mighty I AM Presence and Holy Christ Self we accept the supreme initiation on this line is to realize that we must prove indestructibility here and now within this temple. We raise up the physical body temple, the Mother, the Matter body in the restorative flame of resurrection!
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

13th Station Initiation: 12:00 Line, Capricorn and God Power

Jesus is Taken From the Cross

- We descend into the astral plane for the rebuking of the fallen consciousness and the saving of all Souls of Light.
- “But when they came to Jesus, and saw that he was dead already, they brake not his legs:/ But one of the soldiers with a spear pierced his side, and forthwith came there out blood and water... And after this Joseph of Arimathaea, being a disciple of Jesus, but secretly for fear of the Jews, besought Pilate that he might take away the body of Jesus: and Pilate gave him leave.” (John 19, 33-34, 38)
- Day by day our service is taking down from the cross those whom the world has crucified. They have hung there, some of them, for thousands of years, because no one has come along in the person of the Mother flame to say, “Here, I will help you. I will show you how to enter the tomb, the laboratory of the Spirit, to prove your resurrection.”
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)

14th Station Initiation: 6:00 Line, Cancer and God Harmony and Supply

Jesus is laid in the Tomb

- We rise through the sepulchre of the fallen consciousness in the Resurrection of the Spirit.
- “And when Joseph had taken the body, he wrapped it in a clean linen cloth, And laid it in his own new tomb, which he had hewn out in the rock: and he rolled a great stone to the door of the sepulchre, and departed. (Mt. 27, 59-60)
- We also enter the tomb as the symbol of the chamber of the heart, that laboratory where we prove our eternal life, in the womb of “Mater”, the heart of Mother. We raise our energies from the base-of-the-spine chakra, the six o’clock line again, to the crown, the perfect flow of the caduceus as proof of this life eternal. And we return in the promise of the glorious resurrection in the Light!
- I call to my Lord and Savior Jesus Christ, to enter the vacuum of my being! (3x)
