

WE ARE BANKING ON THE VICTORY!

Beloved Disciples of the Christ,

I wish you a most blessed Happy Thanksgiving, and a most Holy Advent. On this first Sunday in Advent, we look forward to the birth of the baby Jesus celebrated on Christmas and to the victory of the birth of the Christ within our own hearts.

In His Thanksgiving Address of 1994, Jesus comes to us to remind that we have a vital calling to seek communion with Him.

"I come for close communion this day and in this hour I am one with your Holy Christ Self. Therefore lift up your hearts! Lift up your voices! Lift up your praise beloved! For the hour of your victory draweth nigh, and sooner than you think."

Jesus points out the vital role of forgiveness in our soul's journey, and that we need to settle our differences with others before retiring at night.

"Thus as you forgive others their trespasses, you yourself are forgiven."

"You must have divine resolution in your own soul ere you go to sleep, even if you cannot achieve resolution outwardly with this one or that one "

Jesus also leads us to making the tie to our Mighty I AM Presence, and to the heart of El Morya and to Saint Germain.

"I have also come this day to assist you in reinforcing your tie to your Mighty I Am Presence and to the Electronic Presence of the Master El Morya over you. And I have come to remind you to meditate on the precious portrait of Saint Germain."

"Therefore do not neglect to call to Saint Germain as you journey to the secret place of the Most High God, the secret chamber of the heart. Go there and bow before the altar "

And Jesus wishes to leave us with a momentum of His Christhood that we might be empowered in doing the Will of God .

"My love for you in this hour is a propelling momentum. And I impart to you that momentum in order that you might become initiates and receive the empowerment of the Will of God through the Holy Spirit. I seal you in the victory of the God- flame. Accept it this day and Be thou made whole!"

Please join us this Sunday as our Lord invites us to close communion with Him.

In the love of the Christ,

Rev. Steven Silverwood
