

*Go Out and Do What Has to Be Done -  
Serve the Christ of One Another.*

Beloved Friends,

Our message this week comes from the loving and devout hearts of Saint Germain and Portia, and Beloved Nada.

“So, beloved, it is true that this earth may come to an end one day, but it shall not be for thousands upon thousands of years. Many have prophesied Armageddon. Many are looking to these years coming and saying: “What shall we do? Where shall we go?”

“Go to the kingdom within you. Go and listen to the still small voice within. Go and serve one another and balance your karma. Teach the children. Care for them. Give yourself in service until you drop each day and go to bed with the sweetness of God and the presence of that God within you.

“Know, then, beloved, that all of the ascended hosts of the Great White Brotherhood are here to assist you in these very troubled times. We ask you to give your calls to the archangels for the cutting free of the youth who are engaged in satanic practices, who are taking heroin at early ages, and younger children suffering from so many drugs that are placed within them.

“Let all of you recognize that the plight of the children is far greater than your own, for they are innocent, and fast no longer innocent. Move with them, care for them, give them your love. For I am Nada, being of love. And I bring to you such an intensity of the love fire that you might take that love and build upon it and know that with using the tools of the Great White Brotherhood that are taught to you by our messenger and representatives, you certainly can take your ascension in this life.

“In the process, beloved, if you consider and desire that this be your final hour and final victory and glory, then tend to the children; for they shall inherit the earth. Truly, what earth shall they inherit? ”
